ABSTRACT

First of all, by asking forgiveness from Allah SWT, here I try to reveal the signs of the greatness of Allah SWT regarding the secret of what exactly was the reason Adam was expelled from paradise, because Adam made love following the persuasion of Satan or because Adam still has body and my spirit, from the point of view of the molecular structure of nucleic acids or deoxyribonucleic acid (DNA)

The signs of Allah's greatness regarding what exactly was the reason Adam was expelled from heaven, because Adam made love following the temptations of Satan or because Adam still had body and my spirit, in the verses:

"...Allah created Adam from clay, then Allah said to him: "Be" (a human being), so he was. (Ali 'Imran: 3:59)

"And verily We have created man from dry clay from black mud which was given shape. (Al Hijr: 15: 26)

"(And Allah said): "O Adam, dwell you and your wife in Paradise and eat by the two of you wherever you like, and do not both of you approach this tree, then be both of you of the wrongdoers." (Al A'raaf : 7:19)

"So when I have perfected the scene and I breathed into him My spirit; then you should fall down prostrating to him." (Shaad : 38:72)

"And when We said to the angels: "Prostrate all of you to Adam", then they prostrated except the devil. He said: "Shall I prostrate to the one whom You created from clay?" (Al Israa ' : 17:61)

"... We made the apostle an angel... a man... (Al An'aam: 6: 9)

"And We have subdued (also to Solomon) a group of devils who dive for him and do work other than that, and We are taking care of them (Al Anbiyaa ' : 21: 82)

"And when We said to the angels: "Prostrate to Adam, then bow down to them except Satan. He is from the group of jinn, so he disobeys the command of his Lord. Should you take him and his descendants as leaders other than Me, while they are your enemies? It is very bad that the devil is a substitute for the wrongdoers. (Al Kahf: 18:50)

"In paradise there are fair-minded angels lowering their eyes, never touched by humans before them and not by jinn. (Ar Rahmaan: 55: 56)

"They reclined on couches in a row and We married them to beautiful nymphs with sharp eyes. (Ath Thuur: 52:20)

"A Messenger who reads to you the verses of Allah explaining that He should bring out those who believe and do righteous deeds from darkness to light. And whoever believes in Allah and does righteous deeds, Allah will surely enter him into the gardens that flow through beneath it are rivers; they abide in them forever. Verily, Allah will provide him with good sustenance. (Ath

Thalaaq: 65:11)

"Then both of them were derailed by the devil from heaven and brought out from their original state and We said: "Come down! some of you are enemies to others, and for you there is a place to live on earth, and the pleasures of living to an appointed time." (Al Baqarah: 2:36)

In an effort to open the veil of the greatness of Allah SWT about what was the real reason Adam was expelled from paradise, because Adam made love following the temptations of Satan or because Adam still had body and my spirit, I used the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

HYPOTHESES

Here I propose the hypothesis that Adam was expelled from paradise because Adam still has body and my spirit, not because Adam made love to his wife following the temptations of Satan, judging from the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

DID ALLAH REMOVED ADAM AND HIS WIFE FROM PARADISE BECAUSE ADAM FOLLOWS SATAN'S PERSUASION TO MAKE LOVE WITH HIS WIFE, OR BECAUSE ADAM STILL HAVE BODY AND MY SPIRIT IN PARADISE

So now, let's keep our minds focused on uncovering the secrets hidden behind the verses: ***"O Adam, stay you and your wife in paradise and eat both of you wherever you like ..." (Al A'raaf: 7 : 19) "...I perfected the scene and I breathed into him my spirit...(Shaad: 38:72)***

Apparently, here Allah describes to humans that Adam and his wife live in paradise with a body and ***"...my spirit...(Shaad: 38:72)*** which is in their body ***"...I breathed on him my spirit...(Shaad : 38:72)***

Now, when Allah commands His creatures: angels, jinn, devils and satan ***"Prostrate all of you to Adam"...(Al Israa ' : 17: 61)***

It turned out that the devil did not want to prostrate ***"... Shall I prostrate to the person you created from the ground?" (Al Israa ' : 17: 61)***

Allah ordered the angels, jinn, devils and satan to prostrate to Adam, not that they prostrate to worship Adam, but to honor Adam. Because before Allah, all His creatures are equal, they have a body and ***"...my spirit...(Shaad: 38: 72)***

Now, Allah explains to humans that Adam, angels, jinn, devils and satan live in paradise, seeing

This is an illustration, that making love in paradise is a pleasure and enjoyment for humans, because in paradise Allah marries the people of paradise with nymph *"... We married them to beautiful nymphs with sharp eyes. (Ath Thuur : 52:20)*

So, actually Adam and his wife were expelled from paradise not because they made love to their heart's content, there was no stopping, but because Adam and his wife, as well as angels, jinn, devils and satans still have bodies that cannot endure eternal life in paradise.

CONCLUSION

Based on the description above, we can conclude that the secrets hidden behind the verses: *"O Adam, stay you and your wife in paradise and eat both of you wherever you like ..."* (Al A'raaf: 7 : 19) *"...I perfected the scene and I breathed into him my spirit...(Shaad: 38:72)*

Apparently, here Allah describes to humans that Adam and his wife live in paradise with a body and *"...my spirit...(Shaad: 38:72)* which is in their body *"...I breathed on him my spirit...(Shaad : 38:72)*

Now, when Allah commands His creatures: angels, jinn, devils and satan *"Prostrate all of you to Adam"...(Al Israa ' : 17: 61)*

It turned out that the devil did not want to prostrate *"... Shall I prostrate to the person you created from the ground?" (Al Israa ' : 17: 61)*

Allah ordered the angels, jinn, devils and satan to prostrate to Adam, not that they prostrate to worship Adam, but to honor Adam. Because before Allah, all His creatures are equal, they have a body and *"...my spirit...(Shaad: 38: 72)*

Now, Allah explains to humans that Adam, angels, jinn, devils and satan live in paradise, seeing each other and getting to know each other and they have a body and *"...my spirit...(Shaad : 38:72)* *"...I have perfected the scene and I breathed into him My spirit...(Shaad: 38:72)*

Where Adam, angels, jinn, devils and satan have bodies and *"... my spirit... (Shaad: 38: 72)* in paradise. As the human body today has a body and *"...my spirit...(Shaad: 38:72)* on this earth.

Angels have bodies like human bodies *"...angel...a man...(Al An'aam: 6: 9)*

Satan has the same body as humans, works, just like humans work *"... a group of satans who dive... (Al Anbiyaa': 21: 82)*

Jin has a body and has a wife *"...nymph...never touched... by a jinn. (Ar Rahman: 55: 56)*

The devil is the same as the jinn having a body like the human body *"...The devil. He is from the jinn group... (Al Kahf: 18: 50)*

So, all of Allah's creatures that previously existed and lived in paradise, Adam, angels, jinn, devils and satan, all have bodies and *"...my spirit...(Shaad: 38: 72)*

Adam, angels, jinn, devils and satan when created by Allah, Allah breathed *"...to him my spirit... (Shaad: 38:72)*

Well, because life in heaven is *"...they are eternal in it...(Ath Thalaaq: 65:11)*, then the only one who can live eternally in paradise is *"...my spirit...(Shaad: 38: 72)* that can live 10 000000000 000000000

000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000
000000000 years

Where the human body, angels, jinn, devils and satan do not last long and cannot live forever.

Now, now, when Allah declares “...*We say: "Get down ye! some of you are enemies to others, and for you there is a dwelling in the earth, and the pleasures of living to an appointed time."* (Al Baqarah: 2:36)

It turns out that here there is a secret of Allah hidden behind the command “... *Get down!...* (Al Baqarah: 2: 36)

That is, all living and having bodies must come out of paradise, because their bodies will not be able to live eternally until they reach the age of 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years

So, Adam, his wife, angels, jinn, devils and satan have to come out of paradise, into earth, until a certain time limit. Before they died.

Now the question arises,

So, what does the verse mean: “*Then both of them were derailed by the devil from paradise and brought out of their original state...* (Al Baqarah: 2: 36)

This is an illustration, that making love in paradise is a pleasure and enjoyment for humans, because in paradise Allah marries the people of paradise with nymph “... *We married them to beautiful nymphs with sharp eyes.* (Ath Thuur : 52:20)

So, actually Adam and his wife were expelled from paradise not because they made love to their heart's content, there was no stopping, but because Adam and his wife, as well as angels, jinn, devils and satans still have bodies that cannot endure eternal life in paradise.
