ABSTRACT

Before I write down what problems the youth of Ibrahim still doesn't understand about Allah, I first ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret of what the young Abraham still did not understand about Allah, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about what the young Abraham still didn't understand about Allah, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill and let them believe in Me, so that they will always be in truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"And if We wish, We have indeed made in your place on earth angels that have been passed down from generation to generation. (Az Zukhruf: 43:60)

"And thus We showed Abraham the signs of majesty in the heavens and the earth and that he might be of those who believe. (Al An'aam: 6:75)

"When the night was dark, he saw a star he said: "This is my Lord", but when the star set he said: "I do not like the sinking." (Al An'aam: 6: 76)

"Then when he saw the moon rising he said: "This is my Lord." But after the moon had set, he said: "If my Lord had not guided me, I would have been one of those who went astray." (Al An'aam: 6:77))

"Then when he saw the sun rising, he said: "This is my Lord, this is greater." So when the sun was setting, he said: "O my people, indeed I am free from what you associate with. (Al An'aam: 6:78)

"When his Lord said to him: "Submit obediently!" Ibrahim replied: "I submit obediently to the Lord of the worlds". (Al Baqarah: 2:131)

"And when Abraham said to his father, Aazar, "Are you not supposed to make idols as gods? Verily I see you and your people in clear error." (Al An'aam: 6:74)

"And when Ibrahim said: "O my Lord, show me how You bring the dead to life." Allah said: "Are you not convinced yet?" Ibrahim replied: "I have convinced him, but so that my heart remains steady Allah said: "Take four tail of a bird, then chop it all up by you." Then put on each hill one part of it, then call them, they will surely come to you immediately." And know that Allah is Mighty, All Wise. (Al Baqarah : 2:260)

"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to unmask Allah's secrets about what the youth of Abraham still didn't understand about Allah, I used a base of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I put forward the hypothesis that the youth of Abraham did not understand how Allah,

"...the spirit of Allah.. (As Sajdah: 32: 9) comes out of the human and animal bodies, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

WHAT IS TRULY WHAT THE YOUTH ABRAHAM STILL DO NOT UNDERSTAND ABOUT ALLAH

Now, we are still focusing our minds on uncovering the secrets contained behind the verses:
"...Ibrahim said: "My Lord, show me how You bring the dead to life."...Allah said: "Take four birds, then chop them all up by you. "Then put on each hill one part of the parts, then call them, surely they will come to you quickly... (Al Baqarah: 2: 260)

Apparently, here Allah has declared that the youth of Abraham and most people still think that if humans are dead and buried in the soil, then come back to life with their bodies.

However, here Allah explains *"... take four birds, then chop them all up by you... (Al Baqarah: 2: 260)*

Well, after *"...four birds...(Al Baqarah: 2: 260)* were chopped, then the *"...four birds...(Al Baqarah: 2: 260)* died.

Well, what Ibrahim did not understand was how *"...the four birds...(Al Baqarah: 2:260)* came back to life.

THE YOUTH OF IBRAHIM AND MOST OF HUMANS STILL THINK THAT IF HUMANS AND ANIMALS DIE, HUMANS AND ANIMALS WILL COMING BACK TO LIFE WITH HIS BODY

It turns out that the assumption of most of the people and youth of Ibrahim is not true.

Why is it that the opinion of most of the people and youth of Abraham about humans and animals after death and then coming back to life with their bodies is not true?

The answer is

Kept in the secret behind the verse: *"...I...blow into it my spirit...(Al Hijr: 15: 29)*

Well, apparently, Allah has breathed *"...the spirit of Allah...(Al Hijr: 15: 29)* into the human body through his mother's womb, and breathed *"...the spirit of Allah...(Al Hijr: 15: 29)* into the animal's body.

"... four birds... (Al Baqarah: 2: 260) which the youth of Ibrahim has chopped up, and every bird that has been chopped up is *"... put it on each hill (Al Baqarah: 2: 260)* when called *"...four birds...(Al Baqarah: 2: 260)* , they came.

Now the question is

Did the *"...four birds...(Al Baqarah: 2:260)* which have been chopped up, come with their bodies?

Of course, according to what Allah has declared and has become Allah's law, namely *"...I...blow into it my spirit...(Al Hijr: 15: 29)*

Now, what came to the youth of Ibrahim, was not a bird with its body, but *"... the spirit of Allah... (Al Hijr: 15: 29)*

This is the secret of Allah, *"... the spirit of Allah... (Al Hijr: 15: 29)* that comes out of the bodies of humans and animals that have died and applies in the seven skys.

"...the spirit of Allah...(Al Hijr: 15: 29) which is built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms does not die, which dies human and animal bodies. These atoms will live until they reach age 10 00000000 00000000 00000000 00000000 00000000 00000000 00000000 00000000 00000000 00000000 years

THE SPIRIT OF ALLAH COMING OUT FROM THE BODY OF THE BIRD IS CARRIED OUT BY ALLAH PARTICLES WITH THE HELP OF ALLAH'S ENERGY

Now, what comes to Abraham's youth is a particle of Allah with the help of Allah's energy carrying information about the atoms that are in the four birds.

Or in other words, the particles of Allah with the help of Allah's energy carry information about *"...the spirit of Allah...(Al Hijr: 15: 29)* that came out of the bodies of four birds that had died because they were chopped up by the youth of Ibrahim.

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: *"...Ibrahim said: "My Lord, show me how You bring the dead to life."...Allah said: "Take four birds, then*

chop them all up by you. "Then put on each hill one part of the parts, then call them, surely they will come to you quickly... (Al Baqarah: 2: 260)

Apparently, here Allah has declared that the youth of Abraham and most people still think that if humans are dead and buried in the soil, then come back to life with their bodies.

However, here Allah explains "*... take four birds, then chop them all up by you... (Al Baqarah: 2: 260)*

Well, after "*...four birds...(Al Baqarah: 2: 260)* were chopped, then the "*...four birds...(Al Baqarah: 2: 260)* died.

Well, what Ibrahim did not understand was how "*...the four birds...(Al Baqarah: 2:260)* came back to life.

It turns out that the assumption of most of the people and youth of Ibrahim is not true.

Why is it that the opinion of most of the people and youth of Abraham about humans and animals after death and then coming back to life with their bodies is not true?

The answer is

Kept in the secret behind the verse: "*...I...blow into it my spirit...(Al Hijr: 15: 29)*

Well, apparently, Allah has breathed "*...the spirit of Allah...(Al Hijr: 15: 29)* into the human body through his mother's womb, and breathed "*...the spirit of Allah...(Al Hijr: 15: 29)* into the animal's body.

"... four birds... (Al Baqarah: 2: 260) which the youth of Ibrahim has chopped up, and every bird that has been chopped up is "*... put it on each hill (Al Baqarah: 2: 260)* when called "*...four birds...(Al Baqarah: 2: 260)* , they came.

Now the question is

Did the "*...four birds...(Al Baqarah: 2:260)* which have been chopped up, come with their bodies?

Of course, according to what Allah has declared and has become Allah's law, namely "*...I...blow into it my spirit...(Al Hijr: 15: 29)*

Now, what came to the youth of Ibrahim, was not a bird with its body, but "*... the spirit of Allah... (Al Hijr: 15: 29)*

This is the secret of Allah, "*... the spirit of Allah... (Al Hijr: 15: 29)* that comes out of the bodies of humans and animals that have died and applies in the seven skys.

"...the spirit of Allah...(Al Hijr: 15: 29) which is built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms does not die, which dies human and animal bodies. These atoms will live until they reach age **10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000** years

Now, what comes to Abraham's youth is a particle of Allah with the help of Allah's energy carrying information about the atoms that are in the four birds.

Or in other words, the particles of Allah with the help of Allah's energy carry information about

"...the spirit of Allah...(Al Hijr: 15: 29) that came out of the bodies of four birds that had died because they were chopped up by the youth of Ibrahim.
