ABSTRACT

Before I write down what exactly is the problem that young Musa doesn't understand, when he is looking for Allah, I first ask forgiveness from Allah SWT. Here I try to unmask the secret of what the young Moses did not understand, when he was looking for God, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about what the young Moses did not understand when he was looking for Allah, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill and let them believe in Me, so that they will always be in truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij:

70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"And there is no power of the devil over them, but only that We may distinguish those who believe in the existence of the Hereafter from those who doubt about it. And your Lord is the Preserver of all things. (Saba': 34:21)

"And if We wish, We have indeed made in your place on earth angels that have been passed down from generation to generation. (Az Zukhruf: 43:60)

"And when Moses came for an appointed time and the Lord had spoken to him, Moses said: "O my Lord, show me so that I can see You." The Lord said: "You will never be able to see Me, but look at the mountain, then if it stays where it is you will surely see me." When his Lord appeared to the mountain, he made the mountain crumble and Moses fell unconscious. So when Moses regained consciousness, he said: "Glory be to him. You, I repent to You and I am the first to believe." (Al A'raaf: 7:143)

"And we inspired Musa's mother: "Sustain her, and if you are worried about her then throw her into the river (Nile) ... (Al Qashash: 28: 7)

"And thus We showed Abraham the signs of majesty in the heavens and the earth and that he might be of those who believe. (Al An'aam: 6:75)

"When the night was dark, he saw a star he said: "This is my Lord", but when the star set he said: "I do not like the sinking." (Al An'aam: 6: 76)

"Then when he saw the moon rising he said: "This is my Lord." But after the moon had set, he said: "If my Lord had not guided me, I would have been one of those who went astray." (Al An'aam: 6:77))

"Then when he saw the sun rising, he said: "This is my Lord, this is greater." So when the sun was setting, he said: "O my people, indeed I am free from what you associate with. (Al An'aam: 6:78)

"When his Lord said to him: "Submit obediently!" Ibrahim replied: "I submit obediently to the Lord of the worlds". (Al Baqarah: 2:131)

"And when Abraham said to his father, Aazar, "Are you not supposed to make idols as gods? Verily I see you and your people in clear error." (Al An'aam: 6:74)

Moses said: "O my Lord, indeed I have killed a human from among them, so I am afraid that they will kill me. (Al Qashash: 28:33)

"So when Moses was about to take hold of the man who was the enemy of the two, his enemy said: "O Moses, do you intend to kill me, as you killed a human yesterday? You do not intend but

to be people who do arbitrary in the land, and you do not want to be one of those who make peace." (Al-Qasas: 28: 19)

"And Mary, the daughter of Imran, who kept her honor, so We breathed into her some of Our spirits, and she confirmed the words of her Lord and His Books, and she was one of the obedient ones. (At Tahrir: 66:12)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about young Musa doesn't understand, when he is looking for Allah, I used the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose a hypothesis that young Moses did not understand, when he was looking for Allah was "*...Our spirit...(At Tahrir: 66:12)* or "*...my spirit...(Shaad: 38: 72)*, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

WHAT IS THE TRUTH THAT MOST PEOPLE, INCLUDING THE YOUTH MOSES, DO NOT UNDERSTAND ABOUT THE TRUE ALLAH

Now, we are still concentrating on uncovering the secrets contained behind the verses: *"people who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth... (Ali 'Imran: 3: 191)"...Moses said: "My Lord, show me so that I can see You" God said: "...look at the mountain,...when his Lord appeared to the mountain,...the mountain was crushed ... (Al A'raaf: 7:143)*

Apparently, here Allah has declared, two things that humans must understand about the real Allah, namely the first is *"...Our spirit... (At Tahrir: 66:12) or "...my spirit... (Shaad: 38: 72)* and the second is the energy of Allah *"... the mountains are crushed... (Al A'raaf: 7: 143)*

Now, if humans have understood the two things that have been declared by Allah, then humans will reach the highest level to understand the real Allah.

So, first, when Allah commanded the young Moses *"...look at the mountain... (Al A'raaf: 7:143)*. It turned out that the young Moses did not understand what Allah meant to see *"...to the mountain... (Al A'raaf: 7:143)*

Why did young Moses not understand Allah's intention to look *"...to the mountain... (Al A'raaf: 7:143)?*

The answer is

It is hidden in the secret that lies behind the verse: *"... I breathed into him my spirit... (Shaad: 38: 72)*

Now, this is Allah's secret that young Moses did not understand, namely *"... my spirit... (Shaad: 38: 72) or "...Our spirit... (At Tahrir: 66: 12)*

So, Allah's meaning by *"...mountains... (Al A'raaf: 7:143)* is *"...mountains... (Al A'raaf: 7:143)* made from *"...my spirit... (Shaad : 38:72) or "...Our spirit... (At Tahrir : 66:12)*

Where *"...Our spirit... (At Tahrir: 66:12) or "...my spirit... (Shaad: 38: 72)* is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

MY SPIRIT AND ALLAH'S ENERGY TWO VERY IMPORTANT FACTORS TO UNDERSTAND THE TRUE ALLAH

Well, because young Moses did not understand what God meant by *"...mountains... (Al A'raaf: 7:143)*, then Allah showed the second form of Allah, namely by *"...mountains were crushed. .. (Al A'raaf: 7:143)*

Here, Allah shows the young Moses, which causes *"...the mountain is crushed... (Al A'raaf: 7:143)* is Allah's energy.

Well, these are the two most important factors when humans want to understand the real God, namely the first factor is *"...Our spirit... (At Tahrir: 66:12) or "...my spirit... (Shaad: 38: 72)* which is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms. The second factor is God's energy *"... the mountains are crushed... (Al A'raaf: 7: 143)*

Now it's been revealed, the secret behind the verse: *"...God said: "...look at the mountain,...when his Lord appeared to the mountain,...the mountain was crushed... (Al A' raf: 7:143)*

That is, to understand the real God, humans must understand "...*Our spirit... (At Tahrir: 66:12) or ...my spirit... (Shaad: 38: 72)* which is built by atoms hydrogen, carbon, nitrogen and oxygen atoms. Then the energy of Allah which causes "... *the mountains are crushed... (Al A'raaf: 7: 143)*

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: "*people who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth... (Ali 'Imran: 3: 191)*" "*Moses said: "My Lord, show me so that I can see You" God said: "...look at the mountain,...when his Lord appeared to the mountain,...the mountain was crushed ... (Al A'raaf : 7:143)*

Apparently, here Allah has declared, two things that humans must understand about the real Allah, namely the first is "...*Our spirit... (At Tahrir: 66:12) or ...my spirit... (Shaad: 38: 72)* and the second is the energy of Allah "... *the mountains are crushed... (Al A'raaf: 7: 143)*

Now, if humans have understood the two things that have been declared by Allah, then humans will reach the highest level to understand the real Allah.

So, first, when Allah commanded the young Moses "...*look at the mountain... (Al A'raaf: 7:143)*. It turned out that the young Moses did not understand what Allah meant to see "...*to the mountain... (Al A'raaf : 7:143)*

Why did young Moses not understand Allah's intention to look "...*to the mountain... (Al A'raaf: 7:143)*?

The answer is

It is hidden in the secret that lies behind the verse: "... *I breathed into him my spirit... (Shaad: 38: 72)*

Now, this is Allah's secret that young Moses did not understand, namely "... *my spirit... (Shaad: 38: 72) or ...Our spirit... (At Tahrir: 66: 12)*

So, Allah's meaning by "...*mountains... (Al A'raaf : 7:143)* is "...*mountains... (Al A'raaf : 7:143)* made from "...*my spirit... (Shaad : 38:72)* or "...*Our spirit... (At Tahrir : 66:12)*

Where "...*Our spirit... (At Tahrir: 66:12) or ...my spirit... (Shaad: 38: 72)* is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Well, because young Moses did not understand what God meant by "...*mountains... (Al A'raaf: 7:143)*, then Allah showed the second form of Allah, namely by "...*mountains were crushed. .. (Al A'raaf : 7:143)*

Here, Allah shows the young Moses, which causes "...*the mountain is crushed... (Al A'raaf: 7:143)* is Allah's energy.

Well, these are the two most important factors when humans want to understand the real God, namely the first factor is "...*Our spirit... (At Tahrir: 66:12) or ...my spirit... (Shaad: 38: 72)* which is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms. The second factor is God's energy "... *the mountains are crushed... (Al A'raaf: 7: 143)*

Now it's been revealed, the secret behind the verse: "...*God said: "...look at the mountain,...when his*

Lord appeared to the mountain,...the mountain was crushed...(Al A' raf : 7:143)

That is, to understand the real God, humans must understand "...*Our spirit...(At Tahrim: 66:12) or*
"*...my spirit...(Shaad: 38: 72)* which is built by atoms hydrogen, carbon, nitrogen and oxygen atoms.
Then the energy of Allah which causes "... *the mountains are crushed... (Al A'raaf: 7: 143)*
