ABSTRACT

Before the author writes down the problem, what seems to be in the mind of the young Moses when he asks Allah to reveal the form of Allah, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of what was in the mind of the young Moses when he asked Allah to reveal the form of Allah, based on Deoxyribonucleic acid (DNA)

There are several verses that become Allah's secret unlocking tool about what appeared to be in the mind of the young Moses when he asked Allah to reveal Allah's form, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa ': 21: 91)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill and let them believe in Me, so that they will always be in truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"Indeed, We have adorned the skys near the stars, and We have made the stars casters of the devil, and We have prepared for them the torment of a fiery hell. (Al Mulk: 67: 5)

"And We did not create the skys and the earth and everything between them by playing around (Al Anbiyaa': 21:16)

"So He made it seven heavens in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat :41:12)

"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)

"It is He Who created the skys and the earth in six days: Then He resides on the Throne. He knows what enters the earth and what comes out of it and what descends from the heavens and what ascends to Him. And He is with you in wherever you are. And Allah is All-Seeing of what you do. (Al Hadid: 57:4)

"And when Moses came for an appointed time and the Lord had spoken to him, Moses said: "O my Lord, show me so that I can see You." The Lord said: "You will never be able to see Me, but look at the mountain, then if it stays where it is you will surely see me." When his Lord appeared to the mountain, he made the mountain crumble and Moses fell unconscious. So when Moses regained consciousness, he said: "Glory be to him. You, I repent to You and I am the first to believe (Al A'raaf: 7:143)

"Allah created the heavens and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about what appeared to be in the mind of the young Moses when he asked Allah to reveal Allah's form, the author used the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes the hypothesis that Allah's existence is formed with Allah's energy, Allah's

particles and “...Allah's spirit...(Shaad : 38:72), based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

HOW ACTUALLY ALLAH THROUGH ALLAH'S ENERGY, ALLAH'S PARTICLES AND ALLAH'S SPIRIT SHOW ALLAH'S FORM

Now, we are still concentrating on uncovering the secrets contained behind the verses: “...said Moses: "O my Lord, show me so that I can see You"...(Al A'raaf: 7: 143)"...Our spirits...incarnate... perfect humans. (Maryam: 19:17)

Apparently, young Moses, before being appointed as a prophet, tried to ask Allah, about the true form of Allah.

Why did young Moses want to see the true form of Allah?

The answer is

Hidden in the secret behind the verse: "... We did not create the skys and the earth and everything between them by playing around (Al Anbiyaa ': 21:16)" Allah created the skys and the earth with rights... (Al ' Ankabuut : 29:44)

Well, if Allah "...created the skys and the earth...(Al 'Ankabuut: 29: 44)"... not...playing (Al Anbiyaa': 21: 16)"...and. ..with rights...(Al 'Ankabuut: 29: 44), then Allah formed the form of Allah as well "...with rights...(Al 'Ankabuut: 29: 44) and "... no... playing around (Al Anbiyaa ': 21:16)

ALLAH FORMS THE FORM OF ALLAH WITH THE SPIRIT OF GOD WHICH WAS BUILT WITH HYDROGEN ATOM, CARBON ATOM, NITROGEN ATOM, AND OXYGEN ATOM

It turned out that Allah proved Allah's form with "...Allah's spirit...(Shaad: 38:72), when Allah ordered the young Moses "...look at the mountain...(Al A'raaf: 7:143)

So, what's in that mountain?

Apparently in the mountain there is "...Allah's spirit...(Shaad: 38:72) which is built by hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

So here Allah forms the form of Allah with "...Allah's spirit...(Shaad: 38:72)

That is, Allah's form is built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms. Just as the human body is made up of 70 000000000 000000000 000000000 atoms

So, actually Allah's form is no different from the human form, which is built with "...Allah's spirit...(Shaad: 38:72)

EVEN THOUGH ALLAH'S FORM AND HUMAN'S FORM WAS ESTABLISHED WITH THE SPIRIT OF ALLAH, BUT THE SPIRIT OF ALLAH USED TO BUILD THE HUMAN'S FORM IS A LOAN FROM ALLAH, SO ALLAH AND HUMANS ARE NOT THE SAME

Now, "...Allah's spirit...(Shaad: 38:72) which was used to build the human body, will be returned to Allah when the human dies. Or in other words, hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms which are used to build the human body, when humans die, are returned to Allah.

CONCLUSION

From what is described above, it can be concluded that the secrets contained behind the verses: "...said Moses: "O my Lord, show me so that I can see You"...(Al A'raaf: 7: 143)"..."Our spirits...incarnate... perfect humans. (Maryam: 19:17)

Apparently, young Moses, before being appointed as a prophet, tried to ask Allah, about the true form of Allah.

Why did young Moses want to see the true form of Allah?

The answer is

Hidden in the secret behind the verse: "... We did not create the skys and the earth and everything between them by playing around (Al Anbiyaa ': 21:16)" Allah created the skys and the earth with rights... (Al ' Ankabuut : 29:44)

Well, if Allah "...created the skys and the earth...(Al 'Ankabuut: 29: 44)"... not...playing (Al Anbiyaa': 21: 16)"...and. ...with rights...(Al 'Ankabuut: 29: 44), then Allah formed the form of Allah as well "...with rights...(Al 'Ankabuut: 29: 44) and "... no... playing around (Al Anbiyaa ': 21:16)

It turned out that Allah proved Allah's form with "...Allah's spirit...(Shaad: 38:72), when Allah ordered the young Moses "...look at the mountain...(Al A'raaf: 7:143)

So, what's in that mountain?

Apparently in the mountain there is "*...Allah's spirit...(Shaad: 38:72)* which is built by hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

So here Allah forms the form of Allah with "*...Allah's spirit...(Shaad: 38:72)*

That is, Allah's form is built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms. Just as the human body is made up of **70 000000000 000000000 000000000** atoms

So, actually Allah's form is no different from the human form, which is built with "*...Allah's spirit...(Shaad: 38:72)*

Now, "*...Allah's spirit...(Shaad: 38:72)* which was used to build the human body, will be returned to Allah when the human dies. Or in other words, hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms which are used to build the human body, when humans die, are returned to Allah.
