ABSTRACT

Before I write down the problem of what was the reason Prophet Abraham and Prophet Moses sought Allah through the form of Allah and the creation of the seven heavens, I first ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about what is the reason Prophet Ibrahim and Prophet Moses sought Allah through the form of Allah and the creation of the seven heavens, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about what was the reason Prophet Abraham and Prophet Moses sought Allah through the form of Allah and the creation of the seven heavens, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Read in the name of your Lord Who created (Al 'Alaq: 96: 1) "He has created man from a clot of blood. (Al 'Alaq: 96: 2) "The one who teaches by means of kalam (Al 'Alaq: 96: 4)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"And when We said to the angels: "Prostrate to Adam," then they bow down except Satan; he is reluctant and arrogant and is one of the disbelievers. (Al Baqarah: 2:34)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And if We had willed, We would have given every soul guidance, but the word has remained from Me: "Indeed, I will fill the Hell with jinns and humans together." (As Sajdah: 32:13)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"And when Moses came for an appointed time and the Lord had spoken to him, Moses said: "O my Lord, show me so that I can see You." The Lord said: "You will never be able to see Me, but look at the hill, then if it stays where it is you will surely see me." When his Lord appeared to the mountain, he made the mountain crumble and Moses fell unconscious. So when Moses came back to his senses, he said: "Glory be to him. You, I repent to You and I am the first to believe." (Al A'raaf: 7:143)

And Abraham said: "Indeed, I am going to my Lord, and He will guide me. (Ash Shaaffaat: 37:99)

"And thus We showed Abraham the signs of majesty in the skys and the earth and that he might be of those who believe. (Al An'aam: 6:75)

"When the night was dark, he saw a star (then) he said: "This is my Lord", but when the star set he said: "I do not like the sinking." (Al An'aam: 6: 76)

"Then when he saw the moon rising he said: "This is my Lord." But after the moon had set, he said: "If my Lord had not guided me, I would have been one of those who went astray." (Al An'aam: 6:77))

"Then when he saw the sun rising, he said: "This is my Lord, this is greater." So when the sun was setting, he said: "O my people, indeed I am free from what you associate with. (Al An'aam: 6:78)

"And indeed We have bestowed on Ibrahim the guidance of the truth before, and We knew it. (Al Anbiyaa ': 21: 51)

"When his Lord said to him: "Submit obediently!" Ibrahim replied: "I submit obediently to the Lord of the worlds". (Al Baqarah: 2:131)

And (remember) when Ibrahim said: "O my Lord, show me how You bring the dead to life." Allah said: "Are you not convinced yet?" Ibrahim replied: "I have convinced him, but so that my heart remains firm Allah said: "Take four birds, then chop them all up by you." Then put on each hill one part of the parts, then call them, surely they will come to you immediately." And know that Allah is Mighty, Wise. (Al Baqarah: 2:260)

"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about what was the reason Prophet Abraham and Prophet Moses sought Allah through the form of Allah and the creation of the seven heavens, I used the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis of Prophet Abraham and Prophet Moses seeking God through the form of Allah and the creation of the seven heavens, because the building materials for the creation of the seven skys are the same as the building materials for the creation of man, namely *"...my spirit...(Shaad: 38:72)* containing hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, viewed from the point of view of Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

PROPHET IBRAHIM AND PROPHET MUSA SEARCH FOR ALLAH THROUGH THE SEVEN SKYS THAT END IN THE HUMAN BODY

Now, we are still concentrating on uncovering the secrets contained behind the verses: *"Who created the seven skys in layers... (Al Mulk: 67: 3)"... We have created man from an essence of land (Al Mu'minuun: 23:12)"...I breathed into him my spirit...(Shaad: 38:72)*

Apparently, here Allah has clearly described that Allah *"...created the seven heavens ... (Al Mulk: 67: 3)* and *"...created man from an essence from the ground (Al Mu'minuun: 23: 12)* have something in common, namely that Allah used *"... my spirit... (Shaad: 38: 72)* to create the seven skys and to create humans.

Because *"... my spirit...(Shaad : 38: 72)* is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms. Likewise Allah created the seven heavens and humans with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Well, for this reason, why Prophet Abraham and Prophet Moses sought and wanted to meet the form of Allah.

Even though it was actually Prophet Abraham and Prophet Moses to find and meet Allah, it was enough through their own bodies. Because in the human body there is already *"...my spirit...(Shaad: 38: 72)* which Allah has *"...(breathed)...my spirit...(Shaad: 38:72)* into the human body through the womb of his mother.

However, here Allah declares that humans are to meet Allah through the way of the creation of the seven skys and all that is in them including humans *"those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth...(Ali ' Imran : 3:191)*

Well, with humans *"...thinking about the creation of the heavens and the earth...(Ali 'Imran: 3: 191)* , then humans will come to what is inside him.

That is, what is in him is the same as what is in the seven skys and all that is in them, namely *"... my spirit... (Shaad: 38: 72)*

When humans have understood about *"... my spirit... (Shaad: 38: 72)*, then humans will find Allah's energy and Allah's particles. Where the energy of Allah, the particles of Allah and *"...my spirit... (Shaad: 38:72)* is in the human body.

Or in other words, the human body is a reflection of Allah's form which describes the true state of the seven skys and all their contents.

THE PROPHET IBRAHIM AND THE PROPHET MUSA FINALLY FIND ALLAH THROUGH THE SEVEN SKYS THAT LEAD TO THE HUMAN BODY

Now, when Prophet Abraham sought the form of Allah through the seven skys *"...he saw a star he said: "This is my Lord"...(Al An'aam: 6:76)"...he saw the moon rising he said: "This is my Lord."...(Al An'aam: 6:77)"...he saw the sun rising, he said: "This is my Lord, this is greater."...(Al An'aam: 6 : 78)*

It turns out, the stars, moon and sun are not Allah, but objects created by Allah including humans, in which there is "... *My spirit ... (Shaad: 38: 72)*, meaning there are hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Likewise, when the Prophet Moses wanted to see the form of Allah "... *Musa said: "O my Lord, show me so that I can see You... (Al A'raaf: 7: 143)*

Well, here the Prophet Moses, was looking for Allah, how does Allah actually form. Of course, Allah gave the answer "...*look at the mountain, then if it stays where it is, you will surely see Me"...* (Al A'raaf: 7: 143)

Why did Allah tell Moses to look "...*to the mountain...(Al A'raaf: 7:143)*?

Because mountains are made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms. Or in other words, "...*my spirit...(Shaad: 38:72)* which is the building of the mountain.

Now, it has been revealed, Prophet Ibrahim and Prophet Moses sought Allah through the form of Allah who is in the seven heavens and who is in the human body. Or in other words Prophet Ibrahim and Prophet Moses sought Allah through "... *my spirit... (Shaad: 38: 72)*"..."*look at that mountain, so if it stays where it is, you will surely see Me.*" ...*(Al A'raaf : 7:143)* and "...*signs of majesty in the heavens and the earth...(Al An'aam: 6:75)*"..."*stars...(Al An 'aam: 6: 76)*"..."*moon...(Al An'aam: 6: 77)*"..."*sun...(Al An'aam: 6: 78)*

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: "*Who created the seven skys in layers... (Al Mulk: 67: 3)*"..." *We have created man from an essence of land (Al Mu'minuun: 23:12)*"..."*I breathed into him my spirit...(Shaad: 38:72)*

Apparently, here Allah has clearly described that Allah "...*created the seven skys ... (Al Mulk: 67: 3)* and "...*created man from an essence from the ground (Al Mu'minuun: 23: 12)* have something in common, namely that Allah used "... *my spirit... (Shaad: 38: 72)* to create the seven skys and to create humans.

Because "... *my spirit...(Shaad : 38: 72)* is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms. Likewise Allah created the seven skys and humans with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Well, for this reason, why Prophet Abraham and Prophet Moses sought and wanted to meet the form of Allah.

Even though it was actually Prophet Abraham and Prophet Moses to find and meet Allah, it was enough through their own bodies. Because in the human body there is already "...*my spirit...(Shaad: 38: 72)* which Allah has "...*(breathed)...my spirit...(Shaad: 38:72)* into the human body through the womb of his mother.

However, here Allah declares that humans are to meet Allah through the way of the creation of the seven skys and all that is in them including humans "*those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth...(Ali ' Imran : 3:191)*

Well, with humans "...*thinking about the creation of the skys and the earth...(Ali 'Imran: 3: 191)*, then humans will come to what is inside him.

That is, what is in him is the same as what is in the seven heavens and all that is in them, namely *"... my spirit... (Shaad: 38: 72)*

When humans have understood about *"... my spirit... (Shaad: 38: 72)*, then humans will find Allah's energy and Allah's particles. Where the energy of Allah, the particles of Allah and *"...my spirit... (Shaad: 38:72)* is in the human body.

Or in other words, the human body is a reflection of Allah's form which describes the true state of the seven skys and all their contents.

Now, when Prophet Abraham sought the form of Allah through the seven skys *"...he saw a star he said: "This is my Lord"...(Al An'aam: 6:76)"...he saw the moon rising he said: "This is my Lord."...(Al An'aam: 6:77)"...he saw the sun rising, he said: "This is my Lord, this is greater."...(Al An'aam: 6 : 78)*

It turns out, the stars, moon and sun are not Allah, but objects created by Allah including humans, in which there is *"... My spirit ... (Shaad: 38: 72)*, meaning there are hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Likewise, when the Prophet Moses wanted to see the form of Allah *"... Musa said: "O my Lord, show me so that I can see You... (Al A'raaf: 7: 143)*

Well, here the Prophet Moses, was looking for Allah, how does Allah actually form. Of course, Allah gave the answer *"...look at the mountain, then if it stays where it is, you will surely see Me"...* (Al A'raaf: 7: 143)

Why did Allah tell Moses to look *"...to the mountain...(Al A'raaf: 7:143)?*

Because mountains are made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms. Or in other words, *"...my spirit...(Shaad: 38:72)* which is the building of the mountain.

Now, it has been revealed, Prophet Ibrahim and Prophet Moses sought Allah through the form of Allah who is in the seven heavens and who is in the human body. Or in other words Prophet Ibrahim and Prophet Moses sought Allah through *"... my spirit... (Shaad: 38: 72)"...look at that mountain, so if it stays where it is, you will surely see Me." ... (Al A'raaf : 7:143) and "...signs of majesty in the heavens and the earth...(Al An'aam: 6:75)"...stars...(Al An 'aam: 6: 76)"...moon...(Al An'aam: 6: 77)"...sun...(Al An'aam: 6: 78)*
