ABSTRACT

First of all, by asking forgiveness from Allah SWT here I try to reveal the signs of Allah SWT regarding, when a person dies, Allah's spirit comes out, Allah's law is decided, goes to paradise or goes to hell, seen from photons, quarks and the molecular structure of nucleic acids or nucleic acids. deoxyribonucleic acid (DNA)

There are several verses that become Allah's secret unlocking tool about when a person dies, Allah's spirit comes out, Allah's law is decided, goes to paradise or goes to hell, namely the following verses:

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"And for every human being We have fixed his deeds on his neck. And We will bring out for him on the Day of Resurrection a book which he finds open. (Al Israa ': 17:13)

"Read your book, it is enough for yourself at this time to be reckoning against you." (Al Israa ': 17: 14)

"Thus We have revealed to you the Qur'an in Arabic, so that you will warn the people of Qura and the people around them and warn about the day of gathering in which there is no doubt. A group will enter Paradise, and a group will enter Hell. (Ash Shuura : 42: 7)

And We said: "O Adam, dwell in this paradise for you and your wives, and eat from its abundant good food wherever you like, and do not approach this tree, which causes you to be among the wrongdoers. (Al Baqarah: 2:35)

"The paradise of 'Adn which they enter into, rivers flow under it, in that paradise they will find everything they want. Thus Allah will reward those who are pious, (An Nahl: 16: 31)

"In Paradise there will be a lot of fruit for you, some of which you eat. (Az Zukhruf: 43:73)

"Enter you into heaven, you and your wives will be rejoiced." (Az Zukhruf: 43:70)

"Those who were earlier, were first from the emigrants and the Ansar and those who followed them well, Allah is pleased with them and they are pleased with Allah and Allah has prepared for them paradises in which rivers flow. forever. They stay in it. That's a big win. (At Taubah: 9: 100)

"When the sun is rolled up, (At Takwiir: 81: 1)

Allah said: "Enter all of you into hell with the jinn and humans who went before you. Every time a people enter, he curses his friend; so that when they all enter say those who enter later among them say to those who entered earlier: "Our Lord, they have led us astray, so bring upon them a double torment from hell." Allah said: "Each one gets a double, but you do not know." (Al A'raaf : 7:38)

"And verily We made for Hell most of the jinn and humans, they have hearts, but they do not use to understand and they have eyes they do not use to see, and they have ears they do not use to hear. They are like cattle, they are even more misguided. They are the ones who are negligent. (Al A'raaf: 7:179)

"And if We had willed, We would have given every soul guidance, but the word has remained from Me: "Indeed, I will fill the Hell with jinns and humans together." (As Sajdah: 32:13)

"Their faces are burned by the fire of hell, and they are in that hell in disfigurement. (Al Mu'minun: 23:104)

In an effort to unmask Allah's secret about when a person dies, Allah's spirit comes out, Allah's law is decided, goes to paradise or goes to hell, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose a hypothesis when a person dies, Allah's spirit comes out, Allah's law is decided, based on what is in Deoxyribonucleic acid (DNA), goes to paradise or goes to hell, seen from the basic point of Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

PARADISE IS OPEN, HELL IS LIGHT, ALLAH'S DECISION: READ YOUR BOOK

Now, we still continue to focus all of our minds on uncovering the secrets that are hidden behind the verse: *"And We said: "O Adam, dwell in this paradise for you and your wife... (Al Baqarah: 2: 35)*

It turns out that paradise already exists and already has its inhabitants. Adam and his wife, the first humans to live in paradise.

From the time Adam and his wife came out of paradise, the new inhabitants of paradise entered. *"Enter you into paradise, you and your wives will be rejoiced." (Az Zukhruf: 43:70)*

After Allah decreed His punishment *"Read your book, it is enough for yourself at this time as a judgment against you." (Al Israa ': 17: 14)*

Here, Allah immediately decides whether this person will go to paradise or go to hell.

ENTER PARADISE, PARADISE HAS BEEN OPENED, PEOPLE WHO LIVE IN PARADISE ARE APPROVED BY ALLAH

Those who followed the hijrah and those who welcomed them in Medina, where they were *"The former, the first from the emigrants and the Ansar... Allah was pleased with them and they were pleased with Allah and Allah provided for them." for them are paradises in which rivers flow forever... (At Taubah: 9: 100)*

Well, including *"... those who follow them well, Allah is pleased with them and they are pleased with Allah and Allah has provided for them gardens where rivers flow forever... (At Taubah: 9:100)*

Up to people today, *"...those who follow them well...(At Taubah: 9: 100)* when that person dies, then Allah decides *"Read your book, it is enough for yourself at this time as a rebuke to you." (Al Israa ': 17: 14)*

If Allah's decision, that person enters paradise, then that person will gather with *"The former again, first of all from the emigrants and the Ansar ... (At Taubah: 9: 100)*

They gather in *"Paradise 'Adn which they enter, rivers flow beneath, in which they find whatever they want... (An Nahl: 16: 31)*

ENTER HELL, HELL IS ALREADY ON, PEOPLE WHO LIVE IN HELL, HUMANS AND JINN

Likewise, Allah said to other people, *"Read your book, it is enough for yourself at this time as a reckoning against you." (Al Israa ': 17: 14)*

Well, if Allah's decision, the person goes to hell, then *"Allah says: "Enter all of you into hell with the jinn and humans who have gone before you ... (Al A'raaf: 7: 38)* and *" Verily, I will fill the Hell with jinn and humans together." (As Sajdah: 32:13)*

Where, *"Their faces are burned by the fire of hell, and they are in that hell disfigured. (Al Mu'minun: 23:104)*

Why do they go to hell?

The answer is hidden in the secret behind the verse: *"...they have hearts, but they don't use them to understand and they have eyes they don't use to see, and they have ears they don't use to hear. They are like cattle, they are even more misguided. They are the ones who are negligent. (Al A'raaf: 7:179)*

THE SPIRIT OF ALLAH THAT COMES FROM THE DEATH, WHO WILL BE JUDGED

Where, what will be judged is *"...my spirit...(Shaad: 38:72)* which comes out of the body of the dead.

Because, *"... My spirit... (Shaad: 38: 72)* this is what Allah *"... perfected and breathed into His spirit and He made for you hearing, sight and heart... (As Sajdah: 32 :9)*

So, *"... My spirit... (Shaad: 38: 72)* is what is the source of life and what shapes humans to be perfect.

CONCLUSION

Based on the description above, we can conclude that the secrets that are hidden behind the verse: *"And We said: "O Adam, dwell in this paradise for you and your wife... (Al Baqarah: 2: 35)*

It turns out that paradise already exists and already has its inhabitants. Adam and his wife, the first humans to live in paradise.

From the time Adam and his wife came out of paradise, the new inhabitants of paradise entered. *"Enter you into paradise, you and your wives will be rejoiced." (Az Zukhruf: 43:70)*

After Allah decreed His punishment *"Read your book, it is enough for yourself at this time as a judgment against you." (Al Israa ': 17: 14)*

Here, Allah immediately decides whether this person will go to paradise or go to hell.

Those who followed the hijrah and those who welcomed them in Medina, where they were *"The former, the first from the emigrants and the Ansar... Allah was pleased with them and they were pleased with Allah and Allah has provided for them." for them are paradises in which rivers flow forever.... (At Taubah: 9: 100)*

Well, including *"... those who follow them well, Allah is pleased with them and they are pleased with Allah and Allah has provided for them gardens where rivers flow forever... (At Taubah: 9:100)*

Up to people today, *"...those who follow them well...(At Taubah: 9: 100)* when that person dies, then Allah decides *"Read your book, it is enough for yourself at this time as a rebuke to you." (Al Israa ': 17: 14)*

If Allah's decision, that person enters paradise, then that person will gather with *"The former again, first of all from the emigrants and the Ansar ... (At Taubah: 9: 100)*

They gather in *"Paradise 'Adn which they enter, rivers flow beneath, in which they find whatever they want... (An Nahl: 16: 31)*

Likewise, Allah said to other people, *"Read your book, it is enough for yourself at this time as a reckoning against you." (Al Israa ': 17: 14)*

Well, if Allah's decision, the person goes to hell, then *"Allah says: "Enter all of you into hell with the jinn and humans who have gone before you ... (Al A'raaf: 7: 38)* and *" Verily, I will fill the Hell with jinn and humans together." (As Sajdah: 32:13)*

Where, *"Their faces are burned by the fire of hell, and they are in that hell disfigured. (Al Mu'minun: 23:104)*

Why do they go to hell?

The answer is hidden in the secret behind the verse: *"...they have hearts, but they don't use them to understand and they have eyes they don't use to see, and they have ears they don't use to hear. They are like cattle, they are even more misguided. They are the ones who are negligent. (Al A'raaf: 7:179)*

Where, what will be judged is *"...my spirit...(Shaad: 38:72)* which comes out of the body of the dead.

Because, *"... My spirit... (Shaad: 38: 72)* this is what Allah *"... perfected and breathed into His spirit and He made for you hearing, sight and heart... (As Sajdah: 32 :9)*

So, *"... My spirit... (Shaad: 38: 72)* is what is the source of life and what shapes humans to be perfect.
