ABSTRACT

Before the author writes the problem of why Allah only focuses on the earth, even though in the near sky there are **100 000000000** galaxies, each galaxy consists of **150 100 000** stars, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of why Allah only focuses on the earth, even though in the near sky there are **100 000000000** galaxies, each galaxy consists of **150 100 000** stars, based on Deoxyribonucleic acid (DNA)

There are several verses that reveal Allah's secret about why Allah only focuses on the earth, even though in the near sky there are **100 000000000** galaxies, each galaxy consists of **150 100 000** stars, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"Read in the name of your Lord Who created (Al 'Alaq: 96: 1) "He has created man from a clot of blood. (Al 'Alaq: 96: 2) "The one who teaches by means of kalam (Al 'Alaq: 96: 4)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when they ask Me, then let them fulfill (all My commands) and let them believe in - Me, that they may always be in the truth (Al Baqarah: 2: 186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"And when We said to the angels: "Prostrate to Adam," then they bow down except Satan; he is reluctant and arrogant and is one of the disbelievers. (Al Baqarah: 2:34)

"He arranges affairs from the skys to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"Indeed, We have adorned the heavens near the stars, and We have made the stars casters of the devil, and We have prepared for them the torment of a fiery hell. (Al Mulk: 67: 5)

"And We did not create the heavens and the earth and everything between them by playing around (Al Anbiyaa': 21:16)

"So He made it seven heavens in two periods. He revealed in each sky its affairs. And We adorn the near sky with bright stars and We take care of it as well as possible. Such is the provision of the Mighty, All-Knowing. (Fushshilat :41:12)

"Verily your Lord is Allah Who created the heavens and the earth in six days, then He resided above the Throne. He closed the night to the day which followed quickly, and the sun, moon and stars submit to His command. Remember, creating and ruling is only Allah's right. Glory be to Allah, Lord of the worlds. (Al A'raaf: 7: 54)

"Allah created the heavens and the earth with rights. Verily in that are the signs of Allah's power for the believers (Al 'Ankabuut: 29: 44)

"O mankind, indeed We created you from a male and a female and made you into nations and tribes so that you may know one another. Verily, the most honorable among you in the sight of Allah is the one who is most pious among you. Verily, Allah is All-Knowing, All-Knowing.(Al Hujuraat: 49:13)

"Did We not make the earth gathered together, (Al Mursalaat: 77: 25)

"the living and the dead (Al Mursalaat: 77:26)

"And We made a wall before them and behind them a wall, and We covered them so that they

could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about why Allah only focuses on the earth around him, even though in the near sky there are **100 000000000** galaxies, each galaxy consists of **150 100 000** stars, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author puts forward the hypothesis that God only focuses on the earth around him, even though in the near sky there are **100 000000000** galaxies, each galaxy consists of **150 100 000** stars, because on earth humans live while in other galaxies live stars, based on Deoxyribonucleic acid (DNA)

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

WHY ALLAH ONLY FOCUSING ON THE EARTH AND SURROUNDING ONLY, WHEN IN THE NEAR SKY THERE ARE 100 000000000 GALAXY AND EACH GALAXY THERE ARE 150 100 000 STARS

Now, we are still concentrating on uncovering the secrets contained behind the verses: "*...He made the seven skys in two times...(Fushshilat: 41:12)"... We adorn the sky that is close to the stars -stars ... (Fushshilat: 41: 12) "... We did not create the heavens and the earth and everything between them by playing around (Al Anbiyaa ': 21: 16) "... We created you from a man and a woman and made you into nations and tribes... (Al Hujuraat: 49:13)*

Apparently, Allah has declared "... *We created the skys and the earth ... (Al Anbiyaa ' : 21:16)* and on earth "... *We created you from a male and a female and made you into nations and tribes... (Al Hujuraat: 49:13)*

Well, for this reason, why Allah only focuses on "...*the earth...(Al Anbiyaa': 21:16)* just. Because on this earth there is a paradise and a place for human development. In "...*the earth (where) gathers, (Al Mursalaat: 77: 25)*" *the living and the dead (Al Mursalaat: 77: 26)*

Meanwhile, in other galaxies that have **150 10 000 000 000 000 000 000** stars, Allah only "...*revealing in every skys his affairs...(Fushshilat: 41:12)*

Well, in other galaxies, until now only the stars have lived and died, growing until they reach the number of **150 10 000 000 000 000 000 000** stars. Where the stars have received revelations from Allah to regulate "...*their affairs...(Fushshilat: 41:12)*

This is the secret of Allah that is still not widely understood by most people on this earth.

The number of stars in the "...*skys near...(Fushshilat : 41:12)* is more than the number of humans on this earth.

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: "...*He made the seven skys in two times...(Fushshilat: 41:12)*" "...*We adorn the sky that is close to the stars -stars ... (Fushshilat: 41: 12)*" "... *We did not create the heavens and the earth and everything between them by playing around (Al Anbiyaa ' : 21: 16)*" "... *We created you from a man and a woman and made you into nations and tribes... (Al Hujuraat: 49:13)*

Apparently, Allah has declared "... *We created the skys and the earth ... (Al Anbiyaa ' : 21:16)* and on earth "... *We created you from a male and a female and made you into nations and tribes... (Al Hujuraat: 49:13)*

Well, for this reason, why Allah only focuses on "...*the earth...(Al Anbiyaa': 21:16)* just. Because on this earth there is a paradise and a place for human development. In "...*the earth (where) gathers, (Al Mursalaat: 77: 25)*" *the living and the dead (Al Mursalaat: 77: 26)*

Meanwhile, in other galaxies that have **150 10 000 000 000 000 000 000** stars, Allah only "...*revealing in every skys his affairs...(Fushshilat: 41:12)*

Well, in other galaxies, until now only the stars have lived and died, growing until they reach the number of **150 10 000 000 000 000 000 000** stars. Where the stars have received revelations from Allah to regulate "...*their affairs...(Fushshilat: 41:12)*

This is the secret of Allah that is still not widely understood by most people on this earth.

The number of stars in the "...*skys near...(Fushshilat : 41:12)* is more than the number of humans on this earth.
