ABSTRACT

Before the author writes down the problem of why Allah spoke directly only to Moses, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of why Allah spoke directly only to Moses, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about why Allah spoke directly only to Moses, namely the following verses:

"That is part of the news and news of the land that We tell you about; among those lands some traces of it are still found and some have been destroyed. (Huud: 11:100)

said: "O my Lord, judge justly. And our Lord is the Most Gracious, the Most Gracious, whose help is asked for in what you say." (Al Anbiyaa': 21:112)

"Indeed We see your face looking up to the sky, then We will turn you to the Qibla that you like. Turn your face towards the Grand Mosque. And wherever you are, turn your face towards it. And indeed those who were given the Book do know, that turning to the Grand Mosque is true from their Lord, and Allah is never unaware of what they do.(Al Baqarah: 2:144)

"And verily this Qur'an was truly revealed by the Lord of the worlds, (Asy Syu'araa ': 2: 192) "he was brought down by the Spirit of Amin, (Asy Syu'araa': 2: 193)" into your hearts so that you become one of those who warn, (Ash Syu'araa': 2: 194)

"And when Moses came for an appointed time and the Lord had spoken to him, Moses said: "My Lord, show me that I may see You." The Lord said: "You will never be able to see Me, but look at the hill, then if it stays where it is you will surely see me." When his Lord appeared to the mountain, he made the mountain crumble and Moses fell unconscious. So when Moses regained consciousness, he said: "Glory be to him. You, I repent to You and I am the first to believe." (Al A'raaf: 7:143)

"And the apostles We did tell you about them before, and the apostles We did not tell you about them. And Allah spoke to Moses directly. (An Nisaa ': 4: 164)

Allah said: "O Moses, verily I have chosen you and other humans to carry My message and to speak directly with Me, therefore hold fast to what I have given you and be among those who are grateful." (Al A'raaf: 7:144)

"Then We revealed to Moses: "Strike the sea with your stick." So the sea was divided and each part was like a great mountain. (Ash Syu'araa': 26: 63)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"When I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself." (Al Hijr: 15:29)

"So when I have perfected the program and breathed into it my spirit; then you must prostrate to him." (Shaad: 38:72)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight, and heart; you are very little grateful." (As Sajdah: 32: 9)

"And We put before them a wall and behind them a wall, and We covered them so that they could not see. (Yaasiin: 36: 9)

In an effort to open the veil of Allah's secret about why Allah spoke directly only to Moses, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes the hypothesis that Allah spoke directly only to Moses, because Moses questioned the true Allah's form, based on Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

UNLOCKING ALLAH'S SECRETS, WHY ALLAH TALKED DIRECTLY ONLY TO MOSES

Now, we are still concentrating on uncovering the secret hidden behind the verse: *"...said Moses: "O my Lord, show me so that I can see You... (Al A'raaf: 7: 143)". ..God has spoken to Moses directly (An Nisaa ': 4: 164) " God said: "O Moses, indeed I chose you ... to speak directly with me ..." (Al A'raaf: 7: 144)*

Apparently, here Allah declared *"...said Moses: "O my Lord, show me so that I can see You... (Al A'raaf: 7: 143)*

Now, with Moses asking Allah, *"... My Lord, show me so that I can see You... (Al A'raaf: 7: 143)* showing the existence and Allah's form was questioned by Moses.

Never before have other Prophets and Apostles questioned the existence and Allah's form, as Moses questioned.

Because Moses questioned the existence and form of Allah, finally Allah openly showed Allah's

true form, “...look at that hill...(Al A'raaf: 7: 143). Where actually “...the hill...(Al A'raaf : 7: 143) is “...my spirit...(Al Hijr : 15: 29) or “...Allah's spirit...(Al Hijr: 15: 29) are hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, which are the source of life for humans, animals, plants and are also the building of the seven heavens and all that is in them.

Allah's form is not only in the form of “...my spirit...(Al Hijr : 15: 29) or “...Allah's spirit...(Al Hijr: 15: 29) but also in the form of Allah's energy and Allah's particles “...When his Lord appeared to the mountain, he made the mountain crumble... (Al A'raaf: 7: 143)

Well, it turns out that Allah has clearly revealed to Moses that Allah's form is composed of Allah's energy, Allah's particles “...the mountain crumble...(Al A'raaf: 7:143) and “...my spirit...(Al Hijr : 15: 29) or “...Allah's spirit...(Al Hijr: 15: 29) ”...look at that hill...(Al A'raaf : 7:143).

So, actually, because Moses questioned the existence and Allah's form, which the other Prophets and Apostles never questioned, then” Allah said: “O Moses, verily I choose you...and to speak directly with Me. ..(Al A'raaf : 7:144)

Well, this is Allah's secret, why Allah chose Moses “...to speak directly with me...(Al A'raaf: 7: 144)

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: “...said Moses: “O my Lord, show me so that I can see You... (Al A'raaf: 7: 143)”. ..God has spoken to Moses directly (An Nisaa ' : 4: 164) ” God said: “O Moses, indeed I chose you ... to speak directly with me ...” (Al A'raaf: 7: 144)

Apparently, here Allah declared “...said Moses: “O my Lord, show me so that I can see You... (Al A'raaf: 7: 143)

Now, with Moses asking Allah, “... My Lord, show me so that I can see You... (Al A'raaf: 7: 143) showing the existence and Allah's form was questioned by Moses.

Never before have other Prophets and Apostles questioned the existence and Allah's form, as Moses questioned.

Because Moses questioned the existence and form of Allah, finally Allah openly showed Allah's true form, “...look at that hill...(Al A'raaf: 7: 143). Where actually “...the hill...(Al A'raaf : 7: 143) is “...my spirit...(Al Hijr : 15: 29) or “...Allah's spirit...(Al Hijr: 15: 29) are hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, which are the source of life for humans, animals, plants and are also the building of the seven heavens and all that is in them.

Allah's form is not only in the form of “...my spirit...(Al Hijr : 15: 29) or “...Allah's spirit...(Al Hijr: 15: 29) but also in the form of Allah's energy and Allah's particles “...When his Lord appeared to the mountain, he made the mountain crumble... (Al A'raaf: 7: 143)

Well, it turns out that Allah has clearly revealed to Moses that Allah's form is composed of Allah's energy, Allah's particles “...the mountain crumble...(Al A'raaf: 7:143) and “...my spirit...(Al Hijr : 15: 29) or “...Allah's spirit...(Al Hijr: 15: 29) ”...look at that hill...(Al A'raaf : 7:143).

So, actually, because Moses questioned the existence and Allah's form, which the other Prophets and Apostles never questioned, then” Allah said: “O Moses, verily I choose you...and to speak directly with Me. ..(Al A'raaf : 7:144)

Well, this is Allah's secret, why Allah chose Moses *"...to speak directly with me...(Al A'raaf: 7: 144)*
