ABSTRACT

Before I write down the problem of why angels, when they meet humans, do not want to eat human food, I first ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret of why angels, when they meet humans, do not want to eat human food from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about why angels, when meeting humans, do not want to eat human food, namely the following verses:

"... We made the apostle an angel, ... a man ... (Al An'aam: 6: 9)

*"And indeed Our messengers have come to Ibrahim with good news, they say:
"Congratulations." Ibrahim replied: "Congratulations", then not long after that Ibrahim served roasted calf meat. (Hud: 11:69)*

"So when he saw that their hands did not touch him, Ibrahim looked at their deeds strange, and was afraid of them. The angel said: "Do not be afraid, indeed we are the ones sent to the people of Lut." (Hud: 11: 70)

"And his wife stood up and she smiled, so We gave her good news about Isaac and from Isaac Ya'qub. (Hud: 11:71)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"And We put before them a wall and behind them a wall, and We covered them so that they could not see. (Yaasiin: 36: 9)

"Allah is the light of the heavens and the earth...Light upon light (An Nuur: 24:35)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

In an attempt to unmask Allah's secret about why angels, when they meet humans, do not want to eat human food, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the angel hypothesis when meeting humans is only to convey the revelation of Allah seen from the basic point of Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

HUMANS LOOK AT ANGELS, FROM HUMAN ANGLE, THAT NEED TO EAT

Now, we are still trying to focus our minds to reveal the secret hidden behind the verse: *"... We made the apostle an angel, ... a man... (Al An'aam: 6: 9)*

It turns out that angels are ordinary human beings of the male type. When angels meet humans, humans do not know whether they are angels or humans.

Angels speak to humans in a language that is understood by humans they meet *"...Our messengers have come to Abraham with good news, they say: "Congratulations." Ibrahim replied: "Congratulations" ... (Hud: 11: 69)*

The language used by the Angels is the language understood by Prophet Ibrahim *"..they say: "Congratulations." Ibrahim replied: "Congratulations" ... (Hud: 11: 69)*

Prophet Ibrahim saw the angel as a man who needed to be served food *"... not long after that Ibrahim served roasted calf meat. (Hud: 11:69)*

But what Prophet Ibrahim did not know about his guests were angels, messengers of Allah, whose purpose was to come to Prophet Ibrahim to convey *"...Our messengers have come to Abraham with good news... (Hud: 11:69)*

Where the glad tidings conveyed by these angels are *"...We gave him the good news about Isaac and from Isaac Ya'qub. (Hud: 11:71)*

PROPHET IBRAHIM, CANNOT DIFFERENT, WHICH ANGELS AND HUMANS

Now, let's unveil the secret behind the verse: *"... not long after that Ibrahim served roasted calf meat. (Hud: 11:69)*

It turns out that here it is clearly seen, that it is true that Prophet Ibrahim with his eyes could not distinguish which ones were angels and which were humans. *"...Ibrahim served roasted veal. (Hud: 11:69)*

Well, by being served *"...roasted calf meat. (Hud: 11:69)* by Prophet Ibrahim, proves that Prophet Ibrahim did not know that his guests were angels.

Now the question is

Why did Prophet Ibrahim not know that his guests were angels?

The answer is that there is a secret hidden behind the verse: *"... We made the apostle an angel, ... a man ... (Al An'aam: 6: 9) m*

Well, because the messengers were angels who were men, Prophet Ibrahim considered his guests to be ordinary people.

Prophet Ibrahim saw his guests who had to be respected, so it was necessary to be treated to *"...roasted calf meat. (Hud: 11:69)*

When his guests did not eat, then Prophet Ibrahim felt *"...looking at their actions strange... (Hud: 11: 70)*

That is, there has never been a human being invited or coming to the house of Prophet Ibrahim, who refused to eat *"...roasted calf meat. (Hud: 11:69)*

This is proof that the human eye cannot distinguish which one is an angel and which one is a human.

Or in other words, an angel, a man equal to a human, a man *"... We made the apostle an angel, ... a man ... (Al An'aam: 6: 9)*

ANGELS COME, TO PRESENT THE NEWS, NOT TO EAT

Now, it's been revealed, why *"...their hands don't touch...(Hud: 11:70) "...roasted calf meat. (Hud: 11:69)*

Because, the task of the angels is *"... to bring good news... (Hud: 11: 69)"... about Isaac and from Isaac Ya'qub. (Hud: 11:71)* , not to eat *"...roasted calf. (Hud: 11:69)*
