**ABSTRACT**

Before the author writes down the problem why some people believe, "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) comes out from a dead human body, floating around, entering the house, first the author begs forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of why some people believe, "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) comes out from a dead human body, floating around, entering the house, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secrets about why some people believe, "...my spirit...(Shaad : 38: 72) or "...Allah's spirit...(Shaad : 38: 72) comes out from a dead human body, floating around, entering the house, namely the following verses:

*"Allah...the light of the Skys and the earth...a light upon a light...(An Nuur : 24: 35)*

*"Then when I have perfected what happened and I have breathed on him my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected what happened, and have breathed into him My spirit, then submit to him with prostration (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And if We had made the apostle an angel, We would have made him a male and, surely We would have doubted about them what they doubted about themselves (Al An'aam: 6: 9)*

*"And it is not possible for any human being that Allah spoke with him except by means of revelation or behind a veil or by sending a messenger and then revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Asy Shuura : 42: 51)*

*"And when My servants ask you about Me, then, that I am near. I grant the request of the one who prays when he asks Me, then let them fulfill (all My commandments) and let them believe in Me Ku, so that they are always in the truth (Al Baqarah: 2: 186)*

*"those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "O our Lord, you did not create this in vain, Glory be to You, so protect us from the torment of hell. (Ali 'Imran : 3: 191)*

*"He is the First and the Last, the Zhahir and the Inner; and He is All-Knowing of all things. (Al Hadiid: 57: 3)*

*"God did not create and resurrect you except as one soul. Verily, Allah is All-Hearing, All-Seeing. (Luqman: 31: 28)*

*"and when the spirits are brought together (At Takwiir: 81: 7)*

*"Read your book, suffice yourself at this time as a reckoning for you." (Al Israa' : 17: 14)*

*"And We made before them a wall and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36: 9)*

*"God holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul for which He has ordained death and He releases the other soul until the appointed time. Indeed, in that there are signs of Allah's power for people who think .(Az Zumar : 39: 42)*

*"And indeed We have created man from an extract from the ground. (Al Mu'minuun: 23: 12)*

*"He is Allah, who made everything on earth for you and He willed the heavens, then made seven skys. And He is All-Knower of all things. (Al Baqarah: 2: 29)*

*"Who has created the seven skys in layers. You never see in the creation of God the Most Gracious something that is not balanced. So look again and again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"The seven skys, the earth and all that is in them glorify Allah. And nothing but glorifies Him with praise, but you all do not understand their tasbih. Surely He is Most Forbearing, Most Forgiving. (Al Israa' : 17 :44)*

*"And the trumpet is blown, so suddenly they came out quickly from their graves to their Lord. (Yaasiin : 36: 51)*

*"Paradise 'Adn which they enter into, beneath which rivers flow, in that paradise they will find whatever they desire... (An Nahl: 16: 31)*

*"When two angels record their deeds, one sits on the right and the other sits on the left. (Qaf: 50: 17)*

*"And everything they have done is recorded in the record books (Al Qamar: 54: 52)*

*"And hasten to forgiveness from your Lord and to a paradise whose breadth as the heavens and the earth is reserved for those who fear Allah, (Ali 'Imran: 3: 133)*

*"Read your book, suffice yourself at this time as a reckoning for you." (Al Israa' : 17: 14)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

In an effort to uncover Allah's secret veil about why some people believe, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* comes out from a dead human body, floating around, entering the house, the authors use the basic deoxyribonucleic acid or deoxyribonucleic acid or nucleic acid molecular structure.

## **HYPOTHESIS**

Here the author proposes a hypothesis that some people believe, *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* comes out from a dead human body, floating around, entering the house, even though *"...my spirit...(Shaad : 38: 72)* or *"...Allah's spirit...(Shaad : 38: 72)* has already entered into paradise or into hell, because paradise has been opened, and hell has been opened, based on Deoxyribonucleic acid (DNA)

## PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

## QUARK

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the building element of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

## DEOXYRIBONUCLEATED ACID (DNA)

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 atom of phosphorus, 4 atoms of oxygen and 2 atoms of hydrogen. A 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## WHY DO SOME PEOPLE BELIEVE, ALLAH'S SPIRIT WHICH COMES OUT FROM THE HUMAN BODY DEAD, FLOWS AROUND, ENTERS THE HOUSE

Now, we are still concentrating on dismantling the secret contained behind the verse: *"...they came out quickly from their graves...(Yaasiin : 36: 51)"...spirits are reunited (At Takwiir : 81: 7)*

Apparently, here Allah has declared *"...they came out quickly from their graves...(Yaasiin : 36: 51)"...spirits are reunited (At Takwiir : 81: 7)*

Well, the question arises,

What exactly *"...they came out quickly from their graves...(Yaasiin : 36: 51) ?*

Well, the answer is hidden in the secret behind the verse: *"...I have...breathed into him my spirit...(Al Hijr : 15: 29)*

Apparently, what *"...they came out quickly from their graves...(Yaasiin : 36: 51)* was *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)*

So, in fact, what *"...they came out quickly from their graves...(Yaasiin : 36: 51)* is *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)*

Now, another question arises,

What is it, *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)* which *"...they came out quickly from their graves...(Yaasiin : 36: 51) ?*

Well, because the human body is made up of hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and in the human body there are **70 000000000 000000000 000000000** atoms, then actually what is called the human body is a collection of hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms.

Well, this is the real secret of Allah, "*... my spirit... (Al Hijr : 15: 29)* or "*... Allah's spirit... (Al Hijr : 15: 29)* which "*...they came out quickly from their graves...(Yaasiin : 36: 51)*

That is, a collection of hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms that make up "*... my spirit... (Al Hijr : 15: 29)* or "*... Allah's spirit... (Al Hijr : 15: 29)* who "*...came out quickly from their graves...(Yaasiin : 36: 51)*

Now the question arises again, how long "*... my spirit... (Al Hijr : 15: 29)* or "*... Allah's spirit... (Al Hijr : 15: 29)*"... comes out... from their grave...(Yaasiin : 36: 51) ?

Well, "*... my spirit... (Al Hijr : 15: 29)* or "*... Allah's spirit... (Al Hijr : 15: 29)*"... comes out... from their grave...(Yaasiin : 36: 51) after 30 days.

Now, another question,

How did "*... my spirit... (Al Hijr : 15: 29)* or "*... Allah's spirit... (Al Hijr : 15: 29)*"... comes out... from their grave...(Yaasiin : 36: 51) ?

The answer is hidden in the secret behind the verse: "*...the spirits are brought together (At Takwiir: 81: 7)*

Well, the meaning "*...the spirits are brought together (At Takwiir: 81: 7)* is "*... my spirit... (Al Hijr : 15: 29)* or "*... Allah's spirit... (Al Hijr : 15: 29)* reunited with **70 000000000 000000000 000000000** hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms, which have come out of dead human bodies.

So, now, another question arises,

Is "*... my spirit... (Al Hijr : 15: 29)* or "*... Allah's spirit... (Al Hijr : 15: 29)* meets again with the body, like the body when humans were still living in this world. ?

Well, the answer is, what is called the human body is a collection of hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms, the number of which is **70 000000000 000000000 000000000** atoms. It is these atoms that make up the blood, flesh and bones that make up the human body when humans are still alive on earth.

So, Allah's secret is now revealed, that actually "*...the spirits are brought together (At Takwiir: 81: 7)* are "*... my spirit... (Al Hijr : 15: 29)* or "*... Allah's spirit... (Al Hijr : 15: 29)* reunited with **70 000000000 000000000 000000000** hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms, which have come out of dead human bodies.

For this reason, humans who are still alive with their bodies in the world cannot see "*... my spirit... (Al Hijr : 15: 29)* or "*... Allah's spirit... (Al Hijr : 15: 29)* who have met again with **70 000000000 000000000 000000000** hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms, which come out of the bodies of dead humans.

Why humans who are still alive with their bodies in the world cannot see "*... my spirit... (Al Hijr : 15:*

29) or "... Allah's spirit... (Al Hijr : 15: 29) that has come out of the human body who died?

The answer is because the human eye can only see light in the region of the electromagnetic spectrum between 430 and 740 nanometers. If there is a ray of light that is in the electromagnetic spectrum area below 430 nanometers and light that is in the electromagnetic spectrum area above 740 nanometers, then the human eye cannot see the light. Where the light is called unseen "*... We made a wall in front of them and behind them a wall, and We covered them so they couldn't see.*" (Yaasiin: 36: 9)

Now, why do some people until now believe, "... my spirit... (Al Hijr : 15: 29) or "... Allah's spirit... (Al Hijr : 15: 29) that has left the body dead humans floating into the house?

Well, the answer is hidden in the secret behind the verse: "*...the spirits are brought together (At Takwiir: 81: 7)*

It means, "... my spirit... (Al Hijr : 15: 29) or "... Allah's spirit... (Al Hijr : 15: 29) that has come out of the body of a dead human is reunited with **70 000000000 000000000 000000000** hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms, which also come out of the human body that died, await the decision of Allah.

Where Allah's decision is in the form of an order "*Read your book, be sufficient for yourself at this time as a reckoning for you*" (Al Israa ' : 17: 14)

So, if Allah's decision is good, then "... my spirit... (Al Hijr : 15: 29) or "... Allah's spirit... (Al Hijr : 15: 29) will enter heaven. But if Allah's decision is bad, then "... my spirit... (Al Hijr : 15: 29) or "... Allah's spirit... (Al Hijr : 15: 29) goes to hell.

Now, are there hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms, which come out of the dead human body, which do not enter into the building body "... my spirit... (Al Hijr : 15: 29) or "... Allah's spirit... (Al Hijr : 15: 29) ?

Well, the answer is in the secret behind the verse: "*...I have...breathed into him my spirit...(Al Hijr : 15: 29)*

Well, "... my spirit... (Al Hijr : 15: 29) or "... Allah's spirit... (Al Hijr : 15: 29) which "...is blown into the human body...(Al Hijr: 15: 29) is in the brain and in the blood.

This means that hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms as well as other atoms, which are outside the blood and outside the brain, such as those in the flesh, bones and other organs of the body, leave the body and gather, some of which rise to the atmosphere, such as nitrogen atoms and hydrogen atoms, some are inhaled by plants, such as carbon atoms, some are inhaled by humans and animals, such as oxygen atoms.

Now, nitrogen atoms and hydrogen atoms, which come out of the flesh, bones and organs of these dead humans, gather in the atmosphere and some enter houses, tall buildings.

So, in fact, what some people consider and believe is that the spirit or "... my spirit... (Al Hijr : 15: 29) or "... Allah's spirit... (Al Hijr : 15: 29) which going back into houses, tall buildings, every day, or once a week, or every Friday, that is an incorrect belief.

Because "... my spirit... (Al Hijr : 15: 29) or "... Allah's spirit... (Al Hijr : 15: 29) which "...is blown into the human body...(Al Hijr : 15: 29) which is in the brain and in the blood, and has come out of the body of a dead human, and after being told "*Read your book...(Al Israa' : 17: 14)*, then "... my spirit...

*(Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)*, some are decided by Allah to go to paradise and some are decided by Allah to go to hell.

## CONCLUSION

The conclusions that can be drawn from the explanation above are the secret contained behind the verse: *"...they came out quickly from their graves...(Yaasiin : 36: 51)"...spirits are reunited (At Takwiir : 81: 7)*

Apparently, here Allah has declared *"...they came out quickly from their graves...(Yaasiin : 36: 51)"...spirits are reunited (At Takwiir : 81: 7)*

Well, the question arises,

What exactly *"...they came out quickly from their graves...(Yaasiin : 36: 51)* ?

Well, the answer is hidden in the secret behind the verse: *"...I have...breathed into him my spirit...(Al Hijr : 15: 29)*

Apparently, what *"...they came out quickly from their graves...(Yaasiin : 36: 51)* was *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)*

So, in fact, what *"...they came out quickly from their graves...(Yaasiin : 36: 51)* is *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)*

Now, another question arises,

What is it, *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)* which *"...they came out quickly from their graves...(Yaasiin : 36: 51)* ?

Well, because the human body is made up of hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and in the human body there are **70 000000000 000000000 000000000** atoms, then actually what is called the human body is a collection of hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms.

Well, this is the real secret of Allah, *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)* which *"...they came out quickly from their graves...(Yaasiin : 36: 51)*

That is, a collection of hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms that make up *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)* who *"...came out quickly from their graves...(Yaasiin : 36: 51)*

Now the question arises again, how long *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)"... comes out... from their grave...(Yaasiin : 36: 51)* ?

Well, *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)"... comes out... from their grave...(Yaasiin : 36: 51)* after 30 days.

Now, another question,

How did *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)"... comes out... from their grave...(Yaasiin : 36: 51)* ?

The answer is hidden in the secret behind the verse: *"...the spirits are brought together (At Takwîr: 81: 7)*

Well, the meaning *"...the spirits are brought together (At Takwîr: 81: 7)* is *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)* reunited with **70 000000000 000000000 000000000** hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms, which have come out of dead human bodies.

So, now, another question arises,

Is *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)* meets again with the body, like the body when humans were still living in this world. ?

Well, the answer is, what is called the human body is a collection of hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms, the number of which is **70 000000000 000000000 000000000** atoms. It is these atoms that make up the blood, flesh and bones that make up the human body when humans are still alive on earth.

So, Allah's secret is now revealed, that actually *"...the spirits are brought together (At Takwîr: 81: 7)* are *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)* reunited with **70 000000000 000000000 000000000** hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms, which have come out of dead human bodies.

For this reason, humans who are still alive with their bodies in the world cannot see *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)* who have met again with **70 000000000 000000000 000000000** hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms, which come out of the bodies of dead humans.

Why humans who are still alive with their bodies in the world cannot see *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)* that has come out of the human body who died?

The answer is because the human eye can only see light in the region of the electromagnetic spectrum between 430 and 740 nanometers. If there is a ray of light that is in the electromagnetic spectrum area below 430 nanometers and light that is in the electromagnetic spectrum area above 740 nanometers, then the human eye cannot see the light. Where the light is called unseen *"... We made a wall in front of them and behind them a wall, and We covered them so they couldn't see." (Yaasiin: 36: 9)*

Now, why do some people until now believe, *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)* that has left the body dead humans floating into the house?

Well, the answer is hidden in the secret behind the verse: *"...the spirits are brought together (At Takwîr: 81: 7)*

It means, *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)* that has come out of the body of a dead human is reunited with **70 000000000 000000000 000000000** hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms, which also come out of the human body that died, await the decision of Allah.

Where Allah's decision is in the form of an order *"Read your book, be sufficient for yourself at this time as a reckoning for you" (Al Israa ' : 17: 14)*

So, if Allah's decision is good, then *"... my spirit... (Al Hijr : 15: 29)* or *"... Allah's spirit... (Al Hijr : 15: 29)*

29) will enter heaven. But if Allah's decision is bad, then "... *my spirit...* (Al Hijr : 15: 29) or "... *Allah's spirit...* (Al Hijr : 15: 29) goes to hell.

Now, are there hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms and other atoms, which come out of the dead human body, which do not enter into the building body "... *my spirit...* (Al Hijr : 15: 29) or "... *Allah's spirit...* (Al Hijr : 15: 29) ?

Well, the answer is in the secret behind the verse: "...*I have...breathed into him my spirit...*(Al Hijr : 15: 29)

Well, "... *my spirit...* (Al Hijr : 15: 29) or "... *Allah's spirit...* (Al Hijr : 15: 29) which "...*is blown into the human body...*( Al Hijr: 15: 29) is in the brain and in the blood.

This means that hydrogen atoms, oxygen atoms, carbon atoms and nitrogen atoms as well as other atoms, which are outside the blood and outside the brain, such as those in the flesh, bones and other organs of the body, leave the body and gather, some of which rise to the atmosphere, such as nitrogen atoms and hydrogen atoms, some are inhaled by plants, such as carbon atoms, some are inhaled by humans and animals, such as oxygen atoms.

Now, nitrogen atoms and hydrogen atoms, which come out of the flesh, bones and organs of these dead humans, gather in the atmosphere and some enter houses, tall buildings.

So, in fact, what some people consider and believe is that the spirit or "... *my spirit...* (Al Hijr : 15: 29) or "... *Allah's spirit...* (Al Hijr : 15: 29) which going back into houses, tall buildings, every day, or once a week, or every Friday, that is an incorrect belief.

Because "... *my spirit...* (Al Hijr : 15: 29) or "... *Allah's spirit...* (Al Hijr : 15: 29) which "...*is blown into the human body...*(Al Hijr : 15: 29) which is in the brain and in the blood, and has come out of the body of a dead human, and after being told "*Read your book...*(Al Israa' : 17: 14), then "... *my spirit...* (Al Hijr : 15: 29) or "... *Allah's spirit...* (Al Hijr : 15: 29), some are decided by Allah to go to paradise and some are decided by Allah to go to hell.
