**ABSTRACT**

Before the author writes down the problem of why hidayah or guidance must be sought and asked from Allah, hidayah or guidance does not come by itself, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of why hidayah or guidance must be sought and asked from Allah, hidayah or guidance does not come by itself, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that open Allah's secrets about why hidayah or guidance must be sought and asked from Allah, hidayah or guidance does not come by itself, namely the following verses:

*"Show us the straight path (Al-Faatihah: 1:6)*

*"Allah calls to Darussalam and guides whom He wills to the straight path (Yunus: 10:25)*

*"If they keep turning away, then indeed the obligation that is imposed on you is only to convey it clearly (An Nahl: 16:82)*

*"Indeed those who do not believe in the signs of Allah, Allah will not guide them and for them a painful torment. (An Nahl: 16:104)*

*"Whoever acts according to guidance, then indeed he is doing it for himself; and whoever goes astray, then indeed he has gone astray for himself. And a sinner cannot bear the sins of another, and We will not punish until We send an apostle. (Al Israa': 17:15)*

*"But it is God Who created me, for verily He will guide me." (Az Zukhruf: 43:27)*

*"And indeed We have bestowed on Ibrahim the guidance of the truth before (Moses) and We knew it. (Al Anbiyaa ': 21: 51)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill and let them believe in Me, so that they will always be in truth. (Al Baqarah: 2:186)*

*"He arranges affairs from the heavens to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)*

*"Who has created the seven heavens in layers. You do not see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Wise, All-Knowing. (Al Baqarah: 2:115)*

*"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)*

*"And when Moses came for an appointed time and the Lord had spoken to him, Moses said, "My Lord, show me that I may see You." The Lord said: "You will never be able to see Me, but look at the mountain, then if it stays where it is you will surely see me." When his Lord appeared to the mountain, he made the mountain crumble and Moses fell unconscious. So when Moses regained consciousness, he said: "Glory be to him. You, I repent to You and I am the first to believe." (Al A'raaf: 7:143)*

*"And thus We showed Abraham the signs of majesty in the heavens and the earth and that he might be of those who believe. (Al An'aam: 6:75)*

*"When the night was dark, he saw a star he said: "This is my Lord", but when the star set he said: "I do not like the sinking." (Al An'aam: 6: 76)*

*"Then when he saw the moon rising he said: "This is my Lord." But after the moon had set, he said: "If my Lord had not guided me, I would have been one of those who went astray." (Al An'aam: 6:77)*

*"Then when he saw the sun rising, he said: "This is my Lord, this is greater." So when the sun was setting, he said: "O my people, indeed I am free from what you associate with. (Al An'aam: 6:78)*

*"When his Lord said to him: "Submit obediently!" Ibrahim replied: "I submit obediently to the Lord of the worlds". (Al Baqarah: 2:131)*

*"And when Abraham said to his father, Aazar, "Do you have to make idols as gods? Verily I see you and your people in clear error." (Al An'aam: 6:74)*

In an effort to open the veil of Allah's secret about why hidayah or guidance must be sought and asked from Allah, hidayah or guidance does not come by itself, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here the author proposes the hypothesis that hidayah or guidance must be sought and asked of Allah, like the youth of Abraham and the youth of Moses seeking Allah, before being appointed as a prophet, because by understanding the true Allah, Allah will give "...guidance...(Al Israa': 17:15), based on Deoxyribonucleic acid (DNA)

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

## WHY HIDAYAH OR GUIDANCE SHOULD BE SEEK AND ASKED OF ALLAH, HIDAYAH OR GUIDANCE DO NOT COME BY ITS OWN

Well now, we are still concentrating on uncovering the secrets contained behind the verses: *"Show us the straight path (Al Faatihah: 1:6)"... We showed Abraham the signs of greatness in the skys and the earth... (Al An'aam : 6: 75) "...said Moses: "O my Lord, show me so that I can see You"...(Al A'raaf : 7: 143) "... God Who created me ... He will guide me (Az Zukhruf: 43: 27) "... those who do not believe in Allah's verses, Allah will not guide them... (An Nahl: 16:104 )*

Here Allah has declared *"... We showed Abraham the signs of majesty in the skys and the earth... (Al An'aam: 6: 75) "... God Who created me... He will guide me (Az. Zukhruf : 43: 27) "... said Moses: " O my Lord, show me so that I can see You" ... (Al A'raaf: 7: 143)*

Well, it turns out, Allah *"...will give hidayah...(Az Zukhruf: 43:27) or"..."guidance...(An Nahl: 16:104)* to humans, if humans themselves seek and ask *"...hidayah...(Az Zukhruf: 43:27) or"..."guidance...(An Nahl: 16:104)* to Allah *"Show us the straight path (Al Faatihah: 1:6)*

So, ask Allah *"...hidayah...(Az Zukhruf: 43:27) or"..."guidance...(An Nahl: 16:104)* to *"... the straight path (Al Faatihah: 1:6)*

Now the question arises,

Why *"...hidayah...(Az Zukhruf: 43:27) or"..."guidance...(An Nahl: 16:104)* must be sought and asked of Allah?

The answer is in the secret behind the verse: *"... those who do not believe in Allah's verses, Allah will not guide them... (An Nahl: 16:104)*

Now, if people do not want to seek Allah and do not want to understand Allah, then *"... Allah will not guide them... (An Nahl: 16:104)*

So, humans will get *"...hidayah...(Az Zukhruf: 43:27) or"..."guidance...(An Nahl: 16:104)* when people want to seek Allah and want to understand Allah.

As did the youth of Ibrahim and the youth of Moses. *"...Ibrahim saw a star he said: "This is my*

*Lord"...(Al An'aam: 6:76)"...he saw the moon rising he said: " This is my Lord"...(Al An'aam: 6:77)"...he saw the sun rising, he said: "This is my Lord...(Al An'aam: 6:78)*

It turns out, "...stars...(Al An'aam: 6: 76)"...moon...(Al An'aam: 6: 77)"...sun...(Al An' am: 6:78) is not Allah. Finally," *when his Lord said to him: "Submit obediently!" Ibrahim replied: "I submit obediently to the Lord of the worlds". (Al Baqarah: 2:131)*

Well, here the youth of Abraham is looking for Allah, finally he finds Allah and understands the real Allah. "... *God Who created me... He will guide me (Az Zukhruf: 43: 27)*

Likewise with the young Moses, who is looking for Allah "...said Moses: "*O my Lord, show me so that I can see You...(Al A'raaf: 7:143)*

Well, here the young Moses tried to seek Allah and understand Allah, who finally met Allah in the form of "...Allah's spirit...(As Sajdah: 32:9) which is inside"...mountains...(Al A'raaf: 7:143) and the energy of Allah "...when his Lord appeared to the mountain, he made the mountain crumble...(Al A'raaf: 7:143)

So, actually, for humans to meet Allah, seek Allah and understand Allah is very easy, why?

Because "...Allah...blows into (the human body) His spirit...(As Sajdah: 32:9) "...and Allah is closer to (human) than his jugular vein" (Qaf: 50: 16)

Not like most people think that humans will meet Allah when humans have died.

Well, because "... Allah is closer to (humans) than the jugular vein" (Qaf: 50:16), then at any time humans can immediately ask Allah for "...hidayah...(Az Zukhruf: 43:27) or"...guidance...(An Nahl: 16:104)

Because humans ask Allah directly for "...hidayah...(Az Zukhruf: 43:27) or"...guidance...(An Nahl: 16:104) , then Allah "...hidayah...(Az Zukhruf: 43:27) or"...guidance...(An Nahl: 16:104) to humans.

## CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: "*Show us the straight path (Al Faatihah: 1:6)"... We showed Abraham the signs of greatness in the skys and the earth.. (Al An'aam : 6: 75) "...said Moses: "O my Lord, show me so that I can see You"...(Al A'raaf: 7: 143) "... God Who created me ... He will guide me (Az Zukhruf: 43: 27) "... those who do not believe in Allah's verses, Allah will not guide them... (An Nahl: 16:104 )*

Here Allah has declared "... *We showed Abraham the signs of majesty in the skys and the earth... (Al An'aam: 6: 75) "... God Who created me... He will guide me (Az. Zukhruf : 43: 27) "... said Moses: " O my Lord, show me so that I can see You" ... (Al A'raaf: 7: 143)*

Well, it turns out, Allah "...will give hidayah...(Az Zukhruf: 43:27) or"...guidance...(An Nahl: 16:104) to humans, if humans themselves seek and ask "...hidayah...(Az Zukhruf: 43:27) or"...guidance...(An Nahl: 16:104) to Allah "*Show us the straight path (Al Faatihah: 1:6)*

So, ask Allah "...hidayah...(Az Zukhruf: 43:27) or"...guidance...(An Nahl: 16:104) to "... the straight path (Al Faatihah: 1:6)

Now the question arises,

Why *"...hidayah...(Az Zukhruf: 43:27)* or *"...guidance...(An Nahl: 16:104)* must be sought and asked of Allah?

The answer is in the secret behind the verse: *"... those who do not believe in Allah's verses, Allah will not guide them... (An Nahl: 16:104)*

Now, if people do not want to seek Allah and do not want to understand Allah, then *"... Allah will not guide them... (An Nahl: 16:104)*

So, humans will get *"...hidayah...(Az Zukhruf: 43:27)* or *"...guidance...(An Nahl: 16:104)* when people want to seek Allah and want to understand Allah.

As did the youth of Ibrahim and the youth of Moses. *"...Ibrahim saw a star he said: "This is my Lord"...(Al An'aam: 6:76)"...he saw the moon rising he said: " This is my Lord"...(Al An'aam: 6:77)"...he saw the sun rising, he said: "This is my Lord...(Al An'aam: 6:78)*

It turns out, *"...stars...(Al An'aam: 6: 76)"...moon...(Al An'aam: 6: 77)"...sun...(Al An' am: 6:78)* is not Allah. Finally, *" when his Lord said to him: "Submit obediently!" Ibrahim replied: "I submit obediently to the Lord of the worlds". (Al Baqarah: 2:131)*

Well, here the youth of Abraham is looking for Allah, finally he finds Allah and understands the real Allah. *"... God Who created me... He will guide me (Az Zukhruf: 43: 27)*

Likewise with the young Moses, who is looking for Allah *"...said Moses: "O my Lord, show me so that I can see You...(Al A'raaf: 7:143)*

Well, here the young Moses tried to seek Allah and understand Allah, who finally met Allah in the form of *"...Allah's spirit...(As Sajdah: 32:9)* which is inside *"...mountains...(Al A'raaf : 7:143)* and the energy of Allah *"...when his Lord appeared to the mountain, he made the mountain crumble...(Al A'raaf: 7:143)*

So, actually, for humans to meet Allah, seek Allah and understand Allah is very easy, why?

Because *"...Allah...blows into (the human body) His spirit...(As Sajdah: 32:9) "...and Allah is closer to (human) than his jugular vein" (Qaf: 50: 16)*

Not like most people think that humans will meet Allah when humans have died.

Well, because *"... Allah is closer to (humans) than the jugular vein" (Qaf: 50:16)*, then at any time humans can immediately ask Allah for *"...hidayah...(Az Zukhruf: 43:27)* or *"...guidance...(An Nahl: 16:104)*

Because humans ask Allah directly for *"...hidayah...(Az Zukhruf: 43:27)* or *"...guidance...(An Nahl: 16:104)* , then Allah *"...hidayah...(Az Zukhruf: 43:27)* or *"...guidance...(An Nahl: 16:104)* to humans.
