ABSTRACT

Before the author writes about why the followers of Jesus think that God is in the sky, the writer first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of why followers of Jesus think God is in the sky, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about why followers of Jesus think God is in the sky, namely the following verses:

"... when Allah said: "O Jesus, indeed I will take your life and raise you to Me and cleanse you from those who disbelieve, and make those who follow you above those who disbelieve until the Day of the Day of Resurrection. Then to Me is your return, then I will judge between you about things that you always disagree with." (Ali 'Imran: 3:55)

"And because of their saying: "Indeed we have killed the Messiah, Jesus son of Mary, Allah's Apostle", even though they did not kill him and did not crucify him, but those who were likened to Jesus for them true in doubt about who was killed. They have no confidence about who was killed, except following mere suspicion, they are not sure that the one they killed was Isa. (An Nisaa ': 4: 157)

"But Allah has raised Jesus to Him. And Allah is Mighty, Most Wise. (An Nisa': 4: 158)

"There is none of the People of the Book, but will believe in him before his death. And on the Day of Resurrection Jesus will be a witness against them. (An Nisa': 4: 159)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"Indeed, for example, Jesus in the sight of Allah, is like Adam. Allah created Adam from clay, then Allah said to him: "Be", so he was. (Ali 'Imran : 3:59)

The Messiah, the son of Mary, was only an Apostle, in fact several messengers had passed before him, and his mother was a very righteous man, both of whom used to eat food. Watch how We explain to them the signs of power, then watch how they turn away. (Al Maa'idah: 5:75)

"When the followers of Jesus said: "O Jesus son of Mary, can your Lord send down food from the sky to us?" Jesus replied: "Fear Allah if you are true believers." (Al Maa'idah: 5:5) 112)

"They said: "We want to eat the dish and so that our hearts will be at peace and so that we can be sure that you have told us the truth, and we are the ones who witness the dish." (Al Maa'idah: 5:113)

"Isa son of Maryam prayed: "Our Lord, may we send down a dish from the sky to be a feast for us, those who are with us and those who come after us, and be a sign for Your power; give us sustenance, and You are the most important provider of sustenance." (Al Maa'idah: 5:114)

Allah said: "Indeed I will send down this dish to you, whoever disbelieves among you after, then verily I will punish him with a torment that I have never inflicted on any of mankind." (Al

Maa'idah: 5:115)

"And Mary, who kept her honor, then We breathed into her a spirit from Us, and We made her and her child a great sign to the worlds. (Al Anbiyaa': 21: 91)

"And Maryam, the daughter of Imran, who kept her honor, so We breathed into her womb some of Our spirits, and she confirmed the words of her Lord and His Books, and she was one of the obedient. (At Tahrir: 66:12)

"And verily We brought the Book to Moses, and We followed after him with apostles, and We gave evidences of truth to Jesus the son of Mary and We strengthened him with the Holy Spirit. Does every messenger come to you with something that not according to your desires and you are arrogant; then you deny some people and kill some people? (Al Baqarah: 2: 87)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourselves (Al Hijr: 15: 29)

In an effort to open the veil of Allah's secret about why followers of Jesus think God is in the sky, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes the hypothesis that Jesus followers think God is in the sky, because they do not understand the real God, based on Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

WHY FOLLOWERS OF JESUS AND SOME PEOPLE THINK GOD IS IN THE SKY AND REQUEST FOOD FROM THE SKY

Now, we are still concentrating on uncovering the secret hidden behind the verse: *"... the followers of Jesus said: "O Jesus son of Mary, can your Lord send down food from the sky to us?" Jesus replied: "Fear Allah if you are true believers." (Al Maa'idah: 5:112)*

Apparently, Allah has declared *"...can your Lord send down food from the sky to us?... (Al Maa'idah: 5:112)*

Now the question arises,

Why did Allah declare *"...can your Lord send down food from the sky to us?... (Al Maa'idah: 5:112)?*

Well, the answer is hidden in the secret behind the verse: *"Isa son of Maryam prayed: "Our Lord, may we send down a dish from the sky to be a feast for us... (Al Maa'idah: 5:114)*

It turns out that Jesus, the son of Mary, thought that God was in the sky *"Our Lord, may we send down a dish from the sky... (Al Maa'idah: 5: 114)*

Why did Isa son of Maryam think that God is in the sky?

Because "Allah said: *"Indeed I will bring down the dish to you... (Al Maa'idah: 5:115)*

Well, here, most people, including Isa son of Maryam think, because *"... the dish... (Al Maa'idah: 5: 115)* was sent down *"... from the sky... (Al Maa'idah: 5: 112)*, then the Lord who gave the food is in the sky.

Now, this is a mistake in thinking, equating the existence of God and where the food comes from.

When in fact, *"...your Lord sends down food from the sky...(Al Maa'idah: 5:112)* refers to the falling of rain water.

So actually, because it rarely rains in the areas around Palestine, Jordan, Egypt and Saudi Arabia, then the rain will make the land fertile and can be planted with various kinds of fruits, vegetables, which are desired by humans. When it is time to pick fruits and vegetables, at that time *"...became a feast for... those who were with us and who came after us... (Al Maa'idah: 5: 114)*

This is actually, the secret in the form of *"...a dish from the sky...(Al Maa'idah: 5: 112)*, namely the rain that falls.

Now, because until now, most of Jesus' followers think that God is in the sky, so the distance between God and humans is very far.

This is contrary to the true existence of Allah, *"... We breathed into her womb a portion of Our spirit... (At Tahrir: 66:12)"... We strengthened it with the Holy Spirit... (Al Baqarah: 2 : 87)*. Where is *"...Our spirit...(At Tahrir: 66:12)* or *"...Allah's spirit...(At Tahrir: 66:12)* or *"...The Holy Spirit...(Al Baqarah: 2:87)* is built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Now with, *"...Our spirit...(At Tahrir: 66:12)* or *"...the spirit of Allah...(At Tahrir: 66:12)* or *"...The Holy Spirit...(Al Baqarah: 2:87)* in the body of Mary and the body of Jesus, shows that God is near in the body of Mary and the body of Jesus.

So, if the followers of Jesus still believe that God is in the skys and not in the human body, then their thinking is contrary to *"...Our spirit...(At Tahrir: 66:12)* or *"...Allah's spirit...(At Tahrir: 66:12)* or *"...The Holy Spirit...(Al Baqarah: 2:87)* which is in the body of Mary and the body of Jesus and in the body of all humans living in this world. In fact, most of Jesus' followers think that God incarnated into Jesus. This means that here God is in the body of Jesus. The only thing that is wrong in the conception of God becoming Jesus is that it is not God who has become Jesus but *"...Our spirit...(At Tahrir: 66:12)* or *"...Allah's spirit...(At Tahrir: 66:12)* or *"...The Holy Spirit...(Al Baqarah: 2:87)* which *"...is breathed into...(At Tahrir: 66:12)* the body of Jesus.

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: *"... the followers of Jesus said: "O Jesus son of Mary, can your Lord send down food from the sky to us?" Jesus replied: "Fear Allah if you are true believers." (Al Maa'idah: 5:112)*

Apparently, Allah has declared "*...can your Lord send down food from the sky to us?...(Al Maa'idah: 5:112)*

Now the question arises,

Why did Allah declare "*...can your Lord send down food from the sky to us?...(Al Maa'idah: 5:112)*?

Well, the answer is hidden in the secret behind the verse: "*Isa son of Maryam prayed: "Our Lord, may we send down a dish from the sky to be a feast for us... (Al Maa'idah: 5:114)*

It turns out that Jesus, the son of Mary, thought that God was in the sky "*Our Lord, may we send down a dish from the sky... (Al Maa'idah: 5: 114)*

Why did Isa son of Maryam think that God is in the sky?

Because "Allah said: "*Indeed I will bring down the dish to you... (Al Maa'idah: 5:115)*

Well, here, most people, including Isa son of Maryam think, because "*... the dish... (Al Maa'idah: 5: 115)* was sent down "*... from the sky... (Al Maa'idah: 5: 112)*, then the Lord who gave the food is in the sky.

Now, this is a mistake in thinking, equating the existence of God and where the food comes from.

When in fact, "*...your Lord sends down food from the sky...(Al Maa'idah: 5:112)* refers to the falling of rain water.

So actually, because it rarely rains in the areas around Palestine, Jordan, Egypt and Saudi Arabia, then the rain will make the land fertile and can be planted with various kinds of fruits, vegetables, which are desired by humans. When it is time to pick fruits and vegetables, at that time "*...became a feast for... those who were with us and who came after us... (Al Maa'idah: 5: 114)*

This is actually, the secret in the form of "*...a dish from the sky...(Al Maa'idah: 5: 112)*, namely the rain that falls.

Now, because until now, most of Jesus' followers think that God is in the sky, so the distance between God and humans is very far.

This is contrary to the true existence of Allah, "*... We breathed into her womb a portion of Our spirit... (At Tahrir: 66:12)"... We strengthened it with the Holy Spirit... (Al Baqarah: 2 : 87)*. Where is "*...Our spirit...(At Tahrir: 66:12)* or "*...Allah's spirit...(At Tahrir: 66:12)* or "*...The Holy Spirit...(Al Baqarah: 2:87)* is built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

Now with, "*...Our spirit...(At Tahrir: 66:12)* or "*...the spirit of Allah...(At Tahrir: 66:12)* or "*...The Holy Spirit...(Al Baqarah: 2:87)* in the body of Mary and the body of Jesus, shows that God is near in the body of Mary and the body of Jesus.

So, if the followers of Jesus still believe that God is in the sky and not in the human body, then their thinking is contrary to "*...Our spirit...(At Tahrir: 66:12)* or "*...Allah's spirit...(At Tahrir: 66:12)* or "*...The Holy Spirit...(Al Baqarah: 2:87)* which is in the body of Mary and the body of Jesus and in the body of all humans living in this world. In fact, most of Jesus' followers think that God incarnated into Jesus. This means that here God is in the body of Jesus. The only thing that is wrong in the conception of God becoming Jesus is that it is not God who has become Jesus but "*...Our*

spirit...(At Tahrim: 66:12) or "...Allah's spirit...(At Tahrim: 66:12) or"...The Holy Spirit...(Al Baqarah: 2:87) which "...is breathed into...(At Tahrim: 66:12) the body of Jesus.
