ABSTRACT

Before the author writes the problem of why most people still believe in the Jews who consider themselves chosen by Jahve, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that conceals the secret of why most humans still believe in the Jews who consider themselves chosen by Jahve, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that reveal Allah's secret about why most people still believe in the Jews who consider themselves chosen by Jahve, namely the following verses:

"Allah is the light of the skys and the earth...Light upon light...(An Nuur: 24:35)

"And when you said: "O Moses, we will not believe in you until we see Allah in the light, so the lightning strikes you while you are witnessing it." (Al Baqarah: 2:55)

"Life is nothing but our life in this world, we die and we live and will never be raised again (Al Mu'minuun: 23: 37)

"And verily We have given the Children of Israel the Book, power and prophethood and We have given them good sustenance and We have preferred them over other human beings (Al Jaatsiyah: 45:16)

Allah said: "O Moses, indeed I chose you and other humans to carry My message and to speak directly with Me, therefore hold fast to what I have given you and be among those who are grateful." (Al A'raaf: 7:144)

"When Yusuf said to his father: "O my father, verily I dreamed of seeing eleven stars, the sun and the moon; I saw all of them prostrate to me." (Joseph: 12:4)

"They replied: "We will continue to worship this calf image, until Moses returns to us." (Thaahaa: 20: 91)

"And when Moses said to his people: "O my people, you have wronged yourselves because you made calves, then repent to the Lord who made you and kill yourself. That is better for you in the sight of God who made you; then Allah will accept your repentance. Verily, He is the Most Accepting of repentance, the Most Merciful." (Al-Baqarah: 2:54)

"And We took the Children of Israel across the sea, so when they came to a people who continued to worship their idols, the Children of Israel said: "O Moses. make for us a god as they have several gods." Musa replied: "Indeed you are a people who do not know." (Al A'raaf: 7:138)

In an effort to unmask Allah's secret about why most people still believe in the Jews who consider themselves chosen by Jahve, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author hypothesizes that most people still believe in Jews who think they were chosen by Jahve, when in fact these Jews are only making their own life history, based on Deoxyribonucleic acid (DNA).

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

IS IT TRUE, JEWS FROM YA'KUB'S DESCENDANTS CHOSEN BY JAHVE, THAT MAKES JEWS UNTIL NOW FEEL WHAT THEY DO IS RIGHT

Now, we are still concentrating on uncovering the secrets hidden behind the verse: "*...We crossed the Children of Israel across the sea...(Al A'raaf: 7:138)"...you said: "O Musa , we will not believe in you until we see Allah clearly ... (Al Baqarah: 2: 55) "... We prefer them over other humans (Al Jaatsiyah: 45: 16)*

Here Allah declares "*... We crossed the Children of Israel across the sea... (Al A'raaf: 7:138)*

So, who exactly are "*... the Children of Israel... (Al A'raaf: 7:138)*?"

The answer is hidden in the secret behind the verse: "*...Yusuf said to his father: "O my father, I actually dreamed of seeing eleven stars, the sun and the moon; I saw all of them prostrate to me." (Joseph: 12:4)*

Well, from the descendants of the Prophet Ya'kub, "*...father... (Yusuf: 12: 4)* of Joseph is called "*... the Children of Israel... (Al A'raaf: 7: 138)*

Where the grandchildren of the Prophet Ya'kub lived in Egypt, including Moses.

In Egypt, the grandchildren of Prophet Ya'kub were suppressed and oppressed by Pharaoh.

Well, it is estimated that between the years 1391 - 1336 BC, after Moses was appointed as a prophet, led the Jews of the descendants of the Prophet Jacob out of Egypt to the Canaan area or now part of the Palestinian area.

Because the Jews were oppressed and oppressed by Pharaoh in Egypt, then *"... Allah took the Children of Israel across the sea... (Al A'raaf: 7:138)*

Then, Allah declared *"...We prefer them over other human beings (Al Jaatsiyah: 45:16)*

Now, for this reason, the Jews until now felt that they were superior to other humans, even considering themselves as the choice of Jahve.

Now, what happened to this son of the Prophet Ya'kub, just recently, rescued from the clutches of Pharaoh, had started to act by saying *"O Moses, make for us a god as they have several gods." Musa replied: "Surely you are a people who do not know." (Al A'raaf: 7:138)*

Why did these Jews ask Moses to be made *"...a god...(Al A'raaf: 7:138)?*

The answer is hidden in the secret behind the verse: *"We will continue to worship this calf, until Moses returns to us." (Thaahaa: 20: 91) "... you have wronged yourself because you have made the calf (as worship) ... (Al Baqarah: 2: 54)*

Well, it turns out that in the minds of the Jews who have been saved from the grip of Pharaoh, still do not believe in Allah, or according to the Jews do not believe in Jahve, they still believe in *"...the calf (as worship). ..(Al Baqarah : 2:54)*

Then again, these Jews are not half-hearted when they have disobeyed, as they did after being released from the grip of Pharaoh *"... " O Moses, we will not believe in you until we see Allah clearly... (Al Baqarah : 2:55)*

What was the result of their request, Allah showed the form of Allah in the form of Allah's energy and Allah's particles *"... because of that you were struck by thunderbolt... (Al Baqarah: 2:55)*

Well, *"...thunderbolt...(Al Baqarah: 2:55)* this is the form of Allah that arises because of Allah's energy and Allah's particles.

However, because these Jews do not understand about the real Allah, or about Jahve, as the Jews call it, then *"...the thunderbolt...(Al Baqarah: 2:55)* is considered a punishment from Allah. Therefore these Jews, until now very afraid of Allah or Jahve according to the call of the Jews, finally, it is forbidden to say the word Jahve, must be exchanged with the word Adonaj which means Venerable or Lord.

This is the result of the Jews not understanding the real Allah, or not understanding the real Jahve, as the Jews call them. Or in other words, the result of the ignorance of the Jews, who still considered the people chosen by Jahve.

In fact, these Jews are people who like to disobey Allah or Jahve, as the Jews call them.

CONCLUSION

Based on the description above, we can conclude that the secrets hidden behind the verse: *"...We*

crossed the Children of Israel across the sea...(Al A'raaf: 7:138)"...you said: "O Musa , we will not believe in you until we see Allah clearly ... (Al Baqarah: 2: 55) "... We prefer them over other humans (Al Jaatsiyah: 45: 16)
