ABSTRACT

Before the author writes the problem of why paradise and hell exist on earth, if the earth dies, then paradise and hell must be moved to another earth, first the author asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret of why paradise and hell exist on earth, if the earth dies, then paradise and hell must be moved to another earth, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about why paradise and hell exist on earth, if the earth dies, then paradise and hell must be moved to another earth, namely the following verses:

"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)

"And verily We have created man from an essence of clay. (Al Mu'minuun: 23:12)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts; you are very little grateful. (As Sajdah: 32: 9)

"And if We made the apostle an angel, We would certainly have made him a man and, of course, We would have doubted about them what they doubted about themselves." (Al An'aam: 6:9)

"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill and let them believe in Me, so that they will always be in truth.(Al Baqarah: 2:186)

"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)

"He arranges affairs from the heavens to the earth, then they ascend to Him in one day whose measure is a thousand years according to your reckoning (As Sajdah: 32: 5)

"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)

"Who has created the seven skys in layers. You do not see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Wise, All-Knowing. (Al Baqarah: 2:115)

"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)

"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)

"And if We wish, We have indeed made in your place on earth angels that have been passed down from generation to generation. (Az Zukhruf: 43:60)

"When the sun is rolled up (At Takwiir: 81: 1)

"On the day the earth will be replaced with another earth and sky, and they will all gather before the presence of Allah, the One, the Most Mighty. (Ibrahim: 14:48)

"And hasten to forgiveness from your Lord and to Paradise, whose breadth is as wide as the skys and the earth, which is prepared for those who are pious." (Ali 'Imran: 3:133)

"It is Allah who sent down the book with truth and balance. And do you know that the Day of Resurrection may be near? (Ash Shuura: 42:17)

"And We made before them a wall and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)

In an effort to open the veil of Allah's secret about why paradise and hell exist on earth, if the earth dies, then paradise and hell must be moved to another earth, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes the hypothesis that paradise and hell exist on earth, if the earth dies, heaven and hell must be moved to another earth, based on Deoxyribonucleic acid (DNA).

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers.

This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% carbon atoms, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in the atmosphere.

WHY PARADISE AND HELL ARE ON EARTH, IF EARTH DIES, THEN PARADISE AND HELL SHOULD BE MOVED TO ANOTHER EARTH

Now, we are still focusing our minds on uncovering the secrets contained behind the verses: *"... the earth is replaced with another earth and (another) sky... (Ibrahim: 14: 48) "... a paradise that is the breadth is as wide as the skys and the earth...(Ali 'Imran: 3: 133)"When the sun is rolled up (At Takwiir: 81:1)"...do you know, maybe the Day of Resurrection is near? (Ash Shuura: 42:17)*

It turns out that Allah has declared *"... the earth is replaced with another earth and (another) sky... (Ibrahim: 14: 48)*

Now the question arises,

Why did Allah declare *"...the earth is replaced with another earth and (another) sky...(Ibrahim: 14:48)?*

The answer is hidden in the secret behind the verse: *"When the sun is rolled up (At Takwiir: 81: 1)*

Well, it turns out, *"When the sun is rolled up (At Takwiir: 81: 1)*, the earth will die. If the earth dies, then paradise and hell will die.

Well, because on earth there is heaven and hell, *"When the sun is rolled up (At Takwiir: 81: 1)*, then *"... the earth is replaced with another earth and (another) sky... (Ibrahim: 14: 48)*

Now the question again is,

Why is heaven and hell on earth?

The answer is in the secret behind the verse: *"... the paradise are as wide as the skys and the earth... (Ali 'Imran: 3: 133)"... they all gathered to face the presence of Allah... (Ibrahim: 14: 48)*

Well, it turns out, the area of paradise is *"...as wide as the skys and the earth...(Ali 'Imran: 3: 133)*. Where actually, what is called the sky is the expanse of the room above which there is the earth. So, actually, the area of paradise is *"...as wide as the earth...(Ali 'Imran: 3: 133)*. Or in other words, paradise is on earth.

Besides that, *"When the sun is rolled up (At Takwiir: 81: 1)*, then *"... the earth is replaced with another earth and (another) sky... (Ibrahim: 14: 48)*

Now, when the earth has been *"...replaced with another earth...(Ibrahim: 14:48)* then in *"...another*

earth...(Ibrahim: 14:48)"...my spirit. ..(Shaad: 38:72) or "...Allah's spirit...(Shaad: 38:72) "...all of them are gathered to face Allah's presence...(Ibrahim: 14:48)

So, now it is revealed, that actually paradise and hell exist on earth.

Now, the question arises again,

If it is true that paradise and hell exist on earth, why can't humans see paradise and hell?

The answer is in the secret behind the verse: *"... We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)*

Well, because the human eye is closed from the front and from behind, so it can't see.

Or in other words, because the human eye can only see light in the electromagnetic spectrum region between 430 and 740 nanometers. If there is light in the electromagnetic spectrum below 430 nanometers and light in the electromagnetic spectrum above 740 nanometers, the human eye cannot see the light.

So, because paradise and hell exist in the electromagnetic spectrum below 430 nanometers and above 740 nanometers, the light in paradise and hell is invisible to the human eye.

Besides that, because *"...my spirit. ..(Shaad: 38:72) or "...Allah's spirit...(Shaad: 38:72)* is a building of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, it cannot be seen by the human eye.

"...my spirit. ..(Shaad: 38:72) or "...Allah's spirit...(Shaad: 38:72) will live in paradise and in hell until the age of **10 00000000 00000000 00000000 00000000 00000000 00000000 00000000 00000000 00000000 00000000** years.

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verses: *"... the earth is replaced with another earth and (another) sky... (Ibrahim: 14: 48) "... a paradise that is the breadth is as wide as the skys and the earth...(Ali 'Imran: 3: 133)"When the sun is rolled up (At Takwiir: 81:1)"...do you know, maybe the Day of Resurrection is near? (Ash Shuura: 42:17)*

It turns out that Allah has declared *"... the earth is replaced with another earth and (another) sky... (Ibrahim: 14: 48)*

Now the question arises,

Why did Allah declare *"...the earth is replaced with another earth and (another) sky...(Ibrahim: 14:48)?*

The answer is hidden in the secret behind the verse: *"When the sun is rolled up (At Takwiir: 81: 1)*

Well, it turns out, *"When the sun is rolled up (At Takwiir: 81: 1)*, the earth will die. If the earth dies, then paradise and hell will die.

Well, because on earth there is heaven and hell, *"When the sun is rolled up (At Takwiir: 81: 1)*, then *"... the earth is replaced with another earth and (another) sky... (Ibrahim: 14: 48)*

Now the question again is,
