ABSTRACT

Before I write down the problem on what basis, Allah knows all human conditions, before humans are born into the world, I first ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about on what basis, Allah knows the entire human condition, before humans were born into the world, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that serve as tools for revealing Allah's secrets about on what basis, Allah knows the entire human condition, before man is born into the world, namely the verses:

"And verily We have created man from an essence from the ground. (Al Mu'minuun: 23:12)

"Then We made the essence of semen in a solid place. (Al Mu'minuun: 23:13)

"So when I have perfected the event and I have breathed into it My spirit; then you should fall down prostrating to it." (Shaad : 38:72)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourselves (Al Hijr: 15: 29)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"Then He perfected and breathed into it His spirit and He made for you hearing, sight and hearts you have little gratitude. (As Sajdah: 32: 9)

"...Indeed the Messiah, Jesus the son of Mary, is the messenger of Allah and His words which He conveyed to Mary, and a spirit from Him... (An Nisaa ': 4:171)

"O mankind, if you are in doubt about the resurrection, then indeed We have created you from clay, then from a drop of semen, then from a clot of blood, then from a lump of flesh which is perfect and imperfect, so that We may explain it to you and determine in the womb, what We will until a predetermined time, then We bring you out as babies, then you come to maturity, and some of you are passed away and some of you have extended their life to senility, so that he will no longer know anything that is wrong. he knew before. And you see the earth is dry, then when We send down water on it, the earth lives and is fertile and grows all kinds of beautiful plants. (Al Hajj: 22: 5)

"Didn't We create you from despicable water (Al Mursalaat: 77:20)

"Then We made the essence of semen in a solid place. (Al Mu'minuun: 23:13)

"And does man not notice that We created him from a drop of water, then suddenly he becomes a real challenger (Yaasiin: 36: 77)

"His companion said to him while he was conversing with him: "Do you disbelieve in the one who created you from clay, then from a drop of semen, then He made you a perfect man? (Al Kahf: 18: 37)

"And Maryam, the daughter of Imran, who kept her honor, so We breathed into her a portion of Our spirit, and she confirmed the words of her Lord and His Books, and she was one of the obedient. (At Tahrir: 66:12)

In an effort to open the veil of Allah's secret regarding on what basis, Allah knows the entire human condition, before humans were born into the world, I used the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESES

Here the author proposes the hypothesis that Allah knows all human conditions, before humans were born into the world, through Deoxyribonucleic acid (DNA) which is in the body of the father and mother, seen from the basic point of Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

As for if we want to know quarks, then we look at one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects.

Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

HOW ACTUALLY, ALLAH KNEW THE ENTIRE CONDITION OF HUMAN BEFORE HUMAN BEING BORN IN THE WORLD

Now, we are still concentrating on trying to uncover the secret hidden behind the verse: *"...He perfected and breathed into it His spirit and He made for you hearing, sight and heart... (As Sajdah: 32: 9)*

Apparently, Allah has clearly and clearly revealed to humans, that Allah knows the entire human

condition, before the human was born into the world.

How can Allah know the whole condition of humans, even though humans have not been born into the world?

The answer is

Hidden in the secret behind the verse: "... *We have created man from an essence from the ground. (Al Mu'minuun: 23:12)* "... *We made the essence of semen in a solid place. (Al Mu'minuun: 23:13)* "...*I perfected the scene and I breathed into him My spirit...(Shaad: 38:72)*

Well, apparently, when Allah first created Adam in paradise, he took "...*the essence of the earth. (Al Mu'minuun: 23:12)* then "...*(made) the essence of semen in a solid place. (Al Mu'minuun: 23:13)* "...*and I breathed into him my spirit... (Shaad : 38:72)*

So, in fact, from the first time Allah created Adam in paradise, Allah had breathed "...*My spirit... (Shaad: 38:72)* then "...*My spirit...(Shaad: 38:72)* "...*make...hear, sight and heart...(As Sajdah: 32: 9)*

Or in other words, "...*my spirit...(Shaad : 38: 72)* through Deoxyribonucleic acid (DNA) "...*make...hear, sight and heart...(As Sajdah : 32:9)* and become a perfect human.

MY SPIRIT BECOME A DNA BUILDING, ANYTHING IN THE HUMAN BODY, STORED IN MY SPIRIT THROUGH DNA

Well, now it's been revealed, how does Allah actually know the whole condition of humans, even though humans have not been born into the world?

Here, it is clear, Allah knows the entire human condition before the human was born into the world, because of the existence of "... *my spirit... (Shaad: 38: 72)* which is the building of Deoxyribonucleic acid (DNA)

Through the DNA that is in the bodies of Adam and his wife, Allah has seen and knows the actual condition of all of Adam's descendants before they were born into the world.

Or in other words, "... *my spirit... (Shaad: 38: 72)* which is the building block of DNA provides information to Allah regarding the actual condition of the descendants of Adam before they were born into the world.

Now, it has been revealed, why Allah knows the real condition of humans, before humans are born second.

With Allah blowing "...*My spirit...(Shaad: 38:72)* into Adam's body, then "...*My spirit...(Shaad: 38:72)* became the DNA building in Adam's body, then Allah with it is easy to know how the actual condition of the descendants of Adam, before they were born into the world.

SO ALSO WITH OUR CHILDREN, BEFORE OUR CHILDREN WERE BORN IN THE WORLD, ALLAH ALREADY KNEW ACTUALLY HOW OUR CHILDREN SHOULD BE IF BORN INTO THE WORLD

Now, through "...*My spirit...(Shaad: 38:72)* which is the building block of DNA in the human body, then Allah easily knows the real situation about humans who have not yet been born.

WE CAN ALSO KNOW HOW OUR CHILDREN ARE ACTUALLY CONDITION BEFORE BORN THROUGH THE DNA IN OUR BODY

We are grateful to Allah, who has given the knowledge of "...*my spirit...*(*Shaad: 38:72*) which is the building block of DNA in the human body, so that we are given knowledge of how exactly the condition of our children will be when they are born into the world. .

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: "...*He perfected and breathed into it His spirit and He made for you hearing, sight and heart...* (*As Sajdah: 32: 9*)

Apparently, Allah has clearly and clearly revealed to humans, that Allah knows the entire human condition, before the human was born into the world.

How can Allah know the whole condition of humans, even though humans have not been born into the world?

The answer is

Hidden in the secret behind the verse: "... *We have created man from an essence from the ground.* (*Al Mu'minuun: 23:12*) "... *We made the essence of semen in a solid place.* (*Al Mu'minuun: 23:13*) "...*I perfected the scene and I breathed into him My spirit...*(*Shaad: 38:72*)

Well, apparently, when Allah first created Adam in paradise, he took "...*the essence of the earth.* (*Al Mu'minuun: 23:12*) then "...*(made) the essence of semen in a solid place.* (*Al Mu'minuun: 23:13*) "...*and I breathed into him my spirit...* (*Shaad : 38:72*)

So, in fact, from the first time Allah created Adam in paradise, Allah had breathed "...*My spirit...*(*Shaad: 38:72*) then "...*My spirit...*(*Shaad: 38:72*) "...*make...hear, sight and heart...*(*As Sajdah: 32: 9*)

Or in other words, "...*my spirit...*(*Shaad : 38: 72*) through Deoxyribonucleic acid (DNA) "...*make...hear, sight and heart...*(*As Sajdah : 32:9*) and become a perfect human.

Well, now it's been revealed, how does Allah actually know the whole condition of humans, even though humans have not been born into the world?

Here, it is clear, Allah knows the entire human condition before the human was born into the world, because of the existence of "... *my spirit...* (*Shaad: 38: 72*) which is the building of Deoxyribonucleic acid (DNA)

Through the DNA that is in the bodies of Adam and his wife, Allah has seen and knows the actual condition of all of Adam's descendants before they were born into the world.

Or in other words, "... *my spirit...* (*Shaad: 38: 72*) which is the building block of DNA provides information to Allah regarding the actual condition of the descendants of Adam before they were born into the world.

Now, it has been revealed, why Allah knows the real condition of humans, before humans are born second.

With Allah blowing "...*My spirit...*(*Shaad: 38:72*) into Adam's body, then "...*My spirit...*(*Shaad: 38:72*)

became the DNA building in Adam's body, then Allah with it is easy to know how the actual condition of the descendants of Adam, before they were born into the world.

Now, through “...*My spirit...*(*Shaad: 38:72*) which is the building block of DNA in the human body, then Allah easily knows the real situation about humans who have not yet been born.

We are grateful to Allah, who has given the knowledge of “...*my spirit...*(*Shaad: 38:72*) which is the building block of DNA in the human body, so that we are given knowledge of how exactly the condition of our children will be when they are born into the world. .
