UNLOCKING ALLAH'S SECRETS, WITH WHAT EVIDENCE,
HUMAN THINKING, THE DEVIL IS IN THE HUMAN BODY

ABSTRACT

Before I write down the problem, with what evidence, humans think, the devil is in the human body, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret about, with what evidence, humans think, the devil is in the human body, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret revealer about, with what evidence, humans think, the devil is in the human body, namely the verses:

Allah said: "O devil, what is preventing you from prostrating to what I have created with My two hands. Are you proud or are you one of the

"The devil said: "I am better than him, because You created me from fire, while you created him from clay." (Shaad: 38: 76)

"He (the devil) said: "Explain to me, is this the person you have honored over me? Indeed, if You give me respite until the Day of Resurrection, I will surely lead astray their descendants, except for a small part." (Al Israa ': 17: 62)

"And summon those whom you can afford among them with your invitation, and deploy against them your cavalry and your foot soldiers and associate with them in wealth and children and make a promise to them. And the devil has promised them nothing but deception (Al Israa ': 17: 64)

"From the evil of the devil who used to hide (An-Naas: 114:4)

"Who whispers into the chests of men (An-Naas: 114: 5)

"from the jinn and mankind (An-Naas: 114:6)

"So when I have perfected the scene and I breathed into him My spirit; then you should fall down prostrating to him." (Shaad: 38:72)

"So Satan whispered evil thoughts to both of them to show them what was covered from them, namely their nakedness and Satan said: "Your Lord did not forbid you from approaching this tree, but so that you both would not become angels or become eternal people (in Paradise)." (Al A'raaf: 7:20)

"And when We said to the angels: "Prostrate to Adam, then bow down to them except Satan. He is of the jinn group, so he disobeys the command of his Lord. Should you take him and his descendants as leaders other than Me, while they is your enemy? How bad is the devil as a substitute for the wrongdoers. (Al Kahf: 18: 50)

"Say: "I take refuge in the Lord of mankind. (An-Naas: 114:1)

In an effort to unmask Allah's secret about, with what evidence, humans think, the devil is in the human body, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis of the devil's mind that affects the human mind, viewed from the basic point of Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

FROM THE ATOM WHAT, IS THE DEVIL CREATED ACTUALLY

Now, we are still concentrating on revealing the secrets that are stored in the verse: *"The devil says: "I am better than him, because You created me from fire, while you created him from clay." (Shaad: 38: 76)*

It turns out, the devil, thinks himself, that Allah has *"...created me from fire...(Shaad: 38: 76)*

Apparently, what makes fire is a mixture of carbon atoms and hydrogen atoms.

That is, there is no difference between devil and humans, because the human body contains hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms. Meanwhile, the devil's body contains hydrogen atoms and carbon atoms.

DEVIL IS THE SAME AS HUMANS

Now, let's unveil the secret behind the verse: *"...The devil. He is from the jinn group... (Al Kahf: 18: 50)*

As it turns out, the devil and the jinn are the same. So, humans, jinn and devil are the same.

Why are jinn, devil and humans the same?

The answer is

Hidden in the secret behind the verse: *"The devil said: "I am better than him, because You created me from fire, while you created him from clay." (Shaad: 38: 76)*

As it turned out, humans were created from "...from the ground." (Shaad: 38:76) while the devil was created from "...from fire...(Shaad: 38:76)

Now, it is clear now that the soil contains carbon atoms, hydrogen atoms, oxygen atoms and nitrogen atoms. Also in fire contains hydrogen atoms and carbon atoms.

So, actually fire and earth are the same, each containing hydrogen atoms and carbon atoms.

WHAT IS THE DEVIL WHISPERING INTO A HUMAN CHEST

Well, we continue to unravel the secret behind the verse: *"that whispers into the human chest (An-Naas: 114: 5)*

Apparently, what is meant by *"...the human chest (An-Naas: 114: 5)* is the human mind.

So, the devil whispers into the human mind.

Why is the devil able to whisper into the human mind?

The answer is

It is hidden in a secret in the verse: *"...Push out whom you can afford among them with your invitation, and mobilize against them your cavalry and your foot soldiers and associate with them in wealth and children and make a promise to them...(Al Israa' : 17:64)*

Apparently, indeed the devil is a kind of human, who has strength, power and finances.

So, this kind of human devil, easily influences the human mind, seduces humans, with position and finances.

Now, it has been revealed, the secret hidden behind the verse: *"The devil says: "I am better than him, because You created me from fire, while you created him from clay." (Shaad: 38: 76)" who whispered into human breast (An-Naas: 114:5)*

That is, devil and humans are one kind, created from carbon atoms, hydrogen atoms, oxygen atoms and nitrogen atoms. Because of this, devil easily influence people's minds, with position and finances.

CONCLUSION

Based on the description above, we can conclude that the verse: *"The devil says: "I am better than him, because You created me from fire, while you created him from clay." (Shaad: 38: 76)*

It turns out, the devil, thinks himself, that Allah has *"...created me from fire...(Shaad: 38: 76)*

Apparently, what makes fire is a mixture of carbon atoms and hydrogen atoms.

That is, there is no difference between devil and humans, because the human body contains hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms. Meanwhile, the devil's body contains hydrogen atoms and carbon atoms.

Now, let's unveil the secret behind the verse: *"...The devil. He is from the jinn group... (Al Kahf: 18: 50)*

As it turns out, the devil and the jinn are the same. So, humans, jinn and devil are the same.

Why are jinn, devil and humans the same?

The answer is

Hidden in the secret behind the verse: *"The devil said: "I am better than him, because You created me from fire, while you created him from clay." (Shaad: 38: 76)*

As it turned out, humans were created from "...from the ground." (Shaad: 38:76) while the devil was created from "...from fire...(Shaad: 38:76)

Now, it is clear now that the soil contains carbon atoms, hydrogen atoms, oxygen atoms and nitrogen atoms. Also in fire contains hydrogen atoms and carbon atoms.

So, actually fire and earth are the same, each containing hydrogen atoms and carbon atoms.

Well, we continue to unravel the secret behind the verse: *"that whispers into the human chest (An-Naas: 114: 5)*

Apparently, what is meant by *"...the human chest (An-Naas: 114: 5)* is the human mind.

So, the devil whispers into the human mind.

Why is the devil able to whisper into the human mind?

The answer is

It is hidden in a secret in the verse: *"...Push out whom you can afford among them with your invitation, and mobilize against them your cavalry and your foot soldiers and associate with them in wealth and children and make a promise to them...(Al Israa' : 17:64)*

Apparently, indeed the devil is a kind of human, who has strength, power and finances.

So, this kind of human devil, easily influences the human mind, seduces humans, with position and finances.

Now, it has been revealed, the secret hidden behind the verse: *"The devil says: "I am better than him, because You created me from fire, while you created him from clay." (Shaad: 38: 76)" who whispered into human breast (An-Naas: 114:5)*

That is, devil and humans are one kind, created from carbon atoms, hydrogen atoms, oxygen atoms and nitrogen atoms. Because of this, devil easily influence people's minds, with position and finances.
