**ABSTRACT**

The author asks forgiveness from Allah SWT before continuing to reveal the secrets contained in the verse concerning the reason for what actually, humans think of themselves as Allah, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

Where the signs of Allah's greatness regarding the real reason, humans consider themselves as Allah, namely the verses:

*"Did We not make the earth (a place) to gather, (Al Mursalaat: 77: 25) "the living and the dead (Al Mursalaat: 77: 26)*

*"Allah... the light of the heavens and the earth... the light upon the light... (An Nuur: 24: 35)*

*"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And Mary, who has kept her honor, then We breathed into her a spirit from Us and We made her and her child a great sign for the worlds. (Al Anbiyaa ': 21: 91)*

*"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)*

*"And among the signs of His power is the establishment of the heavens and the earth by His command. Then when He calls you once from the earth, you immediately come out (Ar Ruum: 30: 25)*

*"On the day they come out of the grave quickly as if they went quickly to idols (Al Ma'aarij: 70: 43)*

*"Read your book, it is enough for yourself at this time as a remembrance against you." (Al Israa ': 17: 14)*

*"And said Pharaoh: "O ruler of my people, I do not know a god for you but me. So burn clay for me, O Haman, then build me a high building so that I can go up to see the Lord Moses, and I truly believe that he is one of the liars." (Al-Qasash: 28:38)*

*"... so We bring out because of the rain various kinds of fruit. That is how We raise the dead..." (Al A'raaf: 7: 57)*

In an effort to open the veil of the greatness of Allah SWT regarding the real reason, humans think of themselves as Allah, the author uses the basic molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

## **HYPOTHESES**

Here the author puts forward the hypothesis that humans consider themselves to be Allah, because in humans there is "*...Allah's spirit... (Shaad: 38: 72)*", based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere. These atoms are the raw materials for the manufacture of humans, animals, fungi, amoeba, plants, bacteria and archaea.

## **WHAT REALLY IS THE REASON, HUMANS CONSIDER THEMSELVES ALLAH, THE ANCESTORS CONSIDERED AS ALLAH, NEED TO BE WORSHED**

Now, we are still focusing our minds on uncovering the secrets contained behind the verses: "*...He perfected and breathed into it His spirit...(As Sajdah: 32:9)*" "*...Our spirit... incarnated...a perfect human. (Mary: 19:17)*

Apparently, here Allah has clearly declared "*... Allah perfects and breathes into it His spirit... (As Sajdah: 32: 9)*

Well, here is the secret, why humans think of themselves as Allah. Why do humans worship their ancestors? Why are statues worshiped? Why are stones worshiped?

This is the key to the cause, namely because "*... Allah... breathed into it His spirit... (As Sajdah: 32: 9)*

This is where the error, humans do not understand the real Allah.

"*...His spirit...(As Sajdah: 32:9)* or "*...Allah's spirit... (Shaad: 38: 72)* which is breathed into by Allah to humans and to every living creature and to objects , is a loan from Allah, does not belong to humans, does not belong to living things nor to things.

How about the kings in Egypt from the dynasty of Pharaoh who considered themselves to be Allah "*And said Pharaoh: "O ruler of my people, I do not know a god for you but me ... (Al Qashash: 28: 38)*

Why did Pharaoh say that he was Allah?

Because, inside Pharaoh there was *"...Allah's spirit... (Shaad: 38: 72)* which was breathed by Allah to Pharaoh through the *"... (his mothers's) womb... (Al Anbiyaa': 21: 91)*

So, for this reason, why Pharaoh and some humans considered themselves to be Allah.

This is because they do not understand and do not know about the real Allah.

Likewise, humans worship their ancestors, because in the bodies of their ancestors there is *"...Allah's spirit... (Shaad: 38: 72)*

In fact, *"...the spirit of Allah...(As Sajdah: 32: 9)* is built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

All of that, because humans do not understand the real Allah.

## CONCLUSION

From what is described above, it can be concluded that the secrets contained behind the verses:*"...He perfected and breathed into it His spirit...(As Sajdah: 32:9)"...Our spirit... incarnated...a perfect human. (Mary: 19:17)*

Apparently, here Allah has clearly declared *"... Allah perfects and breathes into it His spirit... (As Sajdah: 32: 9)*

Well, here is the secret, why humans think of themselves as Allah. Why do humans worship their ancestors? Why are statues worshiped? Why are stones worshiped?

This is the key to the cause, namely because *"... Allah... breathed into it His spirit... (As Sajdah: 32: 9)*

This is where the error, humans do not understand the real Allah.

*"...His spirit...(As Sajdah: 32:9)* or *"...Allah's spirit... (Shaad: 38: 72)* which is breathed into by Allah to humans and to every living creature and to objects , is a loan from Allah, does not belong to humans, does not belong to living things nor to things.

How about the kings in Egypt from the dynasty of Pharaoh who considered themselves to be Allah *"And said Pharaoh: "O ruler of my people, I do not know a god for you but me ... (Al Qashash: 28: 38)*

Why did Pharaoh say that he was Allah?

Because, inside Pharaoh there was *"...Allah's spirit... (Shaad: 38: 72)* which was breathed by Allah to Pharaoh through the *"... (his mothers's) womb... (Al Anbiyaa': 21: 91)*

So, for this reason, why Pharaoh and some humans considered themselves to be Allah.

This is because they do not understand and do not know about the real Allah.

Likewise, humans worship their ancestors, because in the bodies of their ancestors there is *"...Allah's spirit... (Shaad: 38: 72)*

In fact, "...*the spirit of Allah...*(*As Sajdah: 32: 9*) is built with hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms.

All of that, because humans do not understand the real Allah.
