ABSTRACT

Before I write down the problem, for what reason, Allah divides prayer times based on seeing the sun, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret, for what reason, Allah divides prayer times based on seeing the sun, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about for what reason, Allah divides prayer times based on seeing the sun, namely the verses:

"The angels and Gabriel ascended to God in a day the measure of which was fifty thousand years (Al Ma'aarij: 70: 4)

"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)

"Establish prayer from after the sun has slipped until the darkness of the night and dawn. Verily the dawn prayer is witnessed (Al Israa ': 17: 78)

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"Allah is the light of the skys and the earth...Light upon light...(An Nuur: 24: 35)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)

"Have you not seen that Allah has subjected to you what is in the heavens and what is in the earth and has perfected for you His blessings both outwardly and inwardly. And among mankind there are those who dispute about Allah without knowledge or guidance and without an enlightening Book. (Luqman: 31:20)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"The seven skys, the earth and all that is in them glorify Allah. And there is nothing but glorify Him by praising Him, but you all do not understand their prayer beads. Verily He is Most Forbearing, Most Forgiving (Al Israa ': 17: 44)

"Then He perfected and breathed into it His spirit and He made for you hearing and sight and hearts; you are very grateful. (As Sajdah: 32: 9)

In an effort to open the veil of Allah's secret about for what reason, Allah divides prayer times based on seeing the sun, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose a hypothesis that Allah divides prayer times based on seeing the sun through "*... my spirit... (Al Hijr: 15: 29)* ", viewed from the basic point of Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

TIME IS ILLUSION

Now, we are still trying to focus our minds in order to reveal the secret hidden behind the verse: "*...wherever you turn there is the face of Allah... (Al Baqarah: 2: 115)*

Well, it turns out that here Allah has described to humans, that time is actually just an illusion. It means that time doesn't exist.

Why is that time an illusion?

The answer is

Kept in a secret hidden behind the verse: "*... a day whose levels are fifty thousand years (Al Ma'aarij: 70: 4)*

Well, 1 day according to Allah is equal to 50 000 years according to human calculations.

So, actually, that time does not exist, because of that "*...wherever you turn there is the face of Allah... (Al Baqarah: 2:115)*

This proves that the earth rotates on its axis.

THE EARTH ROTATS ON ITS AXIS, SURROUNDING THE SUN

Now, because the earth rotates on its axis and revolves around the sun, Allah declares "*Establish prayer from after the sun has slipped until the darkness of the night and dawn... (Al Israa ': 17: 78)*

So, the five daily prayers are determined by the rotation of the earth on its axis and around the sun.

When the earth turns towards the sun, the morning prayer begins. Then the earth continues to rotate on its axis until the sun is behind the earth, the dhuhur prayer and the Asr prayer are performed. Now, after the sun is not visible, because the earth continues to rotate on its axis, the Maghrib prayer begins with the Isha prayer.

This is what is called that time is an illusion.

MY SPIRIT THAT BRINGS ALLAH'S LIGHT, THAT IS THE TIMELINE OF PRAYER

Now, let's unpack the secret behind the verse: *"Allah is the light of the skys and the earth...Light upon light...(An Nuur: 24: 35)*

Well, *"Allah is the light of the skys and the earth... (An Nuur: 24: 35)* which is the benchmark for prayer times.

Why *"Allah is the light of the skys and the earth... (An Nuur: 24: 35)* which is the benchmark for prayer times?

The answer is

Hidden in the secret behind the verse: *"... I... have blown into it my spirit... (Al Hijr: 15: 29)*

That is, the prayer time is determined by *"... my spirit... (Al Hijr: 15: 29)* because in *"... my spirit... (Al Hijr: 15: 29)* contains hydrogen atoms, nitrogen atoms, carbon atoms, oxygen atoms. Where is the hydrogen atom which is the source of life for the sun, which gives birth to *"Allah, the light of the skys and the earth... (An Nuur: 24: 35)*

Or in other words, *"... my spirit... (Al Hijr: 15: 29)* is the basis for the emergence of a standard time for establishing prayer.

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: *"...wherever you turn there is the face of Allah... (Al Baqarah: 2: 115)*

Well, it turns out that here Allah has described to humans, that time is actually just an illusion. It means that time doesn't exist.
