ABSTRACT

Before I write down the problem, for what reason, the angel asked in the grave, first I ask forgiveness from Allah SWT. Here I try to unmask the secrets about, for what reason, angels ask in the grave, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret revealer about, for what reason, angels ask in the grave, namely the following verse:

"When I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15:29)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"... We made the apostle an angel... a man... (Al An'aam: 6: 9)

"Say: "The angel of death entrusted to you will kill you, then only to your Lord you will be returned." (As Sajdah: 32:11)

"What if the angels took their lives while beating their faces and their backs? (Muhammad: 47: 27)

"By the one who plucks out loudly (An Naazi'aat: 79:1)

"and who plucks gently (An Naazi'aat: 79: 2)

"When your Lord reveals to the angels: "Indeed I am with you, then strengthen those who have believed." Later I will strike fear into the hearts of the disbelievers, then cut off their heads and cut off every tip of their finger. (Al Anfaal: 8:12)

"That is because indeed they oppose Allah and His Messenger; and whoever opposes Allah and His Messenger, then indeed Allah is severe in torment. (Al Anfaal: 8:13)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are the signs of Allah's power for a people who think (Az Zumar : 39: 42)

"And if We wish, We have indeed made in your place on earth angels that have been passed down from generation to generation. (Az Zukhruf: 43:60)

"and who descends from the sky quickly (An Naazi'aat: 79:3)

"When you say to the believers: "Is it not enough for you Allah to help you with three thousand angels who have been sent down?" (Ali 'Imran: 3:124)

"Then who is more unjust than one who invents a lie against Allah or denies His verses? Such people will have their share set apart in the Book; until when Our messengers come to them to

take their life, Our messenger asked: "Where do you usually worship besides Allah?" The polytheists replied: "Those idols have all disappeared from us," and they admitted to themselves that they were disbelievers. (Al A'raaf: 7:37)

"Indeed, those who were killed by the angels in a state of persecuting themselves, the angels asked: "What state are you in?" They replied: "We are the oppressed in the land." The angels said: "Isn't Allah's earth? wide, so that you can emigrate in that earth?" For those people the place of Hell is Hell, and Hell is the worst place to return to, (An Nisaa ': 4: 97)

In trying to unmask, for what reason, angels ask in the grave, I based on photons, quarks and deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose a hypothesis because angels are male, so angels cannot ask questions in the grave, from the point of view of photons, quarks and Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms which is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

HOW DO ANGELS TAKE HUMAN LIFE

Now, we are still trying to focus our minds to reveal the secrets that are hidden behind the verse: *"What if the angels take their lives while beating their faces and their backs? (Muhammad: 47: 27)*

Apparently, the angels in an attempt to *"...take their lives...(Muhammad: 47:27)* by *"...beating their faces and their backs? (Muhammad: 47:27) "...pulls out loudly (An Naazi'aat: 79:1) "... pulls out gently (An Naazi'aat: 79:2)*

Now the question arises

Why when angels take human lives by "...*beating their faces and their backs?* (Muhammad: 47: 27) "...*pulling loudly* (An Naazi'aat: 79: 1) "...*pulling gently* (An Naazi'aat: 79: 2)?

The answer is

Hidden in the secret behind the verse: "... *We made the apostle an angel... a man...* (Al An'aam: 6: 9)

Well, because "...*angel...a man...*(Al An'aam: 6:9) , then when angels take the lives of humans, it is done as humans take the lives of other humans.

Why do angels take the lives of humans as humans take the lives of other humans?

The answer is

It is hidden in a secret hidden behind the verse: "*When your Lord reveals to the angels: "Indeed I am with you, then strengthen those who have believed."... Cut off their heads and cut off every tip of their finger* (Al Anfaal: 8:12)

Well, when Allah revealed to the angels "...*cut off their heads and cut off each of their fingertips* (Al Anfaal: 8:12) was when the Battle of Badr occurred in the 2nd year of hijrah.

So, it is clearly seen that because angels are men, when angels want to take a human's life, it is done as humans do to other humans.

HOW ANGELS ASK HUMANS WHO DIE IN THE GRAVES

Now, let's unveil the secret that is hidden behind the verse: "...*so that when Our messengers came to them to take their lives, Our messengers asked: "Where do you usually worship besides Allah?" The polytheists replied: "The idols have all disappeared from us,"* (Al A'raaf: 7: 37)

Apparently, because "...*angel...a man...*(Al An'aam: 6: 9), then when an angel takes someone's life, it's like a human taking another human's life.

Now, when that man is dead, and buried,

When did the angel ask in the grave?

The answer is

Hidden in the secret behind the verse: "...*an angel...a man...*(Al An'aam: 6: 9)

Now, because the angel is a man, the angel cannot enter the grave.

So, when can the angels ask the dead man?

The answer is

After 30 days the dead person is in the grave, after that it just comes out "... *my spirit...* (Al Hijr: 15: 29)

Well, when "... *my spirit...* (Al Hijr: 15: 29) has come out of the body of the dead man, then the angel can ask "... *my spirit...* (Al Hijr: 15: 29) "...*Where do you usually worship besides Allah?" ...*(Al A'raaf : 7: 37) then "... *my spirit...* (Al Hijr : 15: 29) "...*answered: "The idols have all disappeared from us,"* ..(Al

A'raaf: 7:37)

The angel asked "... *my spirit...* (*Al Hijr: 15: 29*) through sound vibrations with a certain frequency, which can be understood by the angel and by "... *my spirit...* (*Al Hijr: 15: 29*)

Now it has been revealed, the secret hidden behind the verse: "... *until when Our messengers come to them to take their lives, Our messengers ask: "Where do you usually worship besides Allah?" The polytheists replied: "The idols have all disappeared from us,"* (*Al A'raaf: 7: 37*)

That is, the angels do not ask questions in the grave to the dead, but wait until "... *my spirit...* (*Al Hijr: 15: 29*) comes out of the body of the dead person.

CONCLUSION

Based on the description above, we can conclude that the secrets that are hidden behind the verse: "*What if the angels take their lives while beating their faces and their backs?* (*Muhammad: 47: 27*)

Apparently, the angels in an attempt to "...*take their lives...*(*Muhammad: 47:27*) by "...*beating their faces and their backs?* (*Muhammad: 47:27*) "...*pulls out loudly* (*An Naazi'aat: 79:1*) "... *pulls out gently* (*An Naazi'aat: 79:2*)

Now the question arises

Why when angels take human lives by "...*beating their faces and their backs?* (*Muhammad: 47: 27*) "...*pulling loudly* (*An Naazi'aat: 79: 1*) "...*pulling gently* (*An Naazi'aat: 79: 2*)?

The answer is

Hidden in the secret behind the verse: "... *We made the apostle an angel... a man...* (*Al An'aam: 6: 9*)

Well, because "...*angel...a man...*(*Al An'aam: 6:9*) , then when angels take the lives of humans, it is done as humans take the lives of other humans.

Why do angels take the lives of humans as humans take the lives of other humans?

The answer is

It is hidden in a secret hidden behind the verse: "*When your Lord reveals to the angels: "Indeed I am with you, then strengthen those who have believed."*... *Cut off their heads and cut off every tip of their finger* (*Al Anfaal: 8:12*)
