ABSTRACT

Before the author writes down the problem for what reason, Sufi people and some humans, to meet Allah, by emptying themselves, cutting off their relationship with their surroundings, the author first asks forgiveness from Allah SWT. Here the author tries to open the veil that covers the secret for what reason, Sufi people and some humans, to meet Allah, by emptying themselves, disconnected from their surroundings, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that serve as tools for revealing Allah's secrets regarding what reasons, Sufi people and some humans, to meet Allah, by emptying themselves, disconnected from their surroundings, namely the verses:

"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)

"Allah is the light of the heavens and the earth...Light upon light...(An Nuur: 24: 35)

"So when I have perfected the event, and have breathed into it My spirit, then submit to it prostrating yourselves (Al Hijr: 15: 29)

"...Isa, the son of Mary, is the messenger of Allah and His words which He conveyed to Mary, and a spirit from Him... (An Nisaa ': 4: 171)

"Allah holds the soul when it dies and the soul that has not died in its sleep; so He holds the soul which He has appointed death and He releases another soul until the appointed time. Verily in that are signs of Allah's power for a people who think (Az Zumar : 39: 42)

"Have you not seen that Allah has subjected to you what is in the heavens and what is in the earth and has perfected for you His favors outwardly and inwardly. And among mankind there are those who dispute about Allah without knowledge or guidance and without an enlightening Book. (Luqman: 31:20)

"And indeed We have revealed to Moses: "Go you with My servants at night, then make for them a dry road in the sea, you do not have to worry about being overtaken and do not have to be afraid." (Thaaha: 20:77)

"And when We parted the sea for you, then We saved you and We drowned you and your followers while you yourselves witnessed. (Al Baqarah: 2:50)

"The people of Moses said: "We were oppressed before you came to us and after you came. Moses replied: "Hopefully Allah will destroy your enemies and make you vicegerents on earth, then Allah will see how you do (Al A'raaf: 7: 129)

"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)

"The seven skys, the earth and all that is in it glorify Allah. And there is nothing but glorify Him by praising Him, but you all do not understand their prayer beads. Indeed, He is Most Forbearing, Most Forgiving (Al Israa': 17: 17). 44)

"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)

"So he put a veil from them; then We sent our spirit to him, and he appeared before him a perfect human being. (Maryam: 19:17)

"Then He perfected and breathed into it His spirit and He made for you hearings and sights and hearts; you are a little grateful. (As Sajdah: 32: 9)

In an effort to open the veil of Allah's secret regarding what reason, Sufi people and some humans, to meet Allah, by emptying themselves, disconnected from their surroundings, the author uses the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here the author proposes the hypothesis of Sufi people and some humans, to meet Allah, by emptying themselves, disconnecting from their surroundings, in this trance state humans meet Allah, based on Deoxyribonucleic acid (DNA)

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

SUFI PEOPLE AND SOME HUMANS TO MEET ALLAH THROUGH EMPTYING THEMSELVES, DISCONNECTION WITH THE SURROUNDINGS, OR BY MEDITATION

Now, we still continue to focus our minds to reveal the secret hidden behind the verse: *"Those who remember Allah while standing or sitting or lying down...think about the creation of the skys and the earth...(Ali 'Imran: 3: 191)"...We are closer to him than his jugular vein (Qaaf: 50:16)"...I breathed into him my spirit...(Shaad: 38:72)*

Apparently, here Allah has declared that in order to meet and understand about Allah, humans *"...while standing or sitting or lying down...thinking about the creation of the skys and the earth...(Ali 'Imran: 3:191)*

Well, by *"...thinking about the creation of the skys and the earth...(Ali 'Imran: 3: 191)* humans will meet and will understand the real Allah.

However, Sufis and some humans, take a path, empty themselves, cut off their relationship with

their surroundings, or what is called a trance.

Well, in this trance state, according to Sufis and some humans, humans will meet Allah.

That is, when the mind is no longer able to control the body, the mind is empty, in an unconscious state, well, when the mind is empty, according to the opinion of Sufis and some humans, Allah comes and humans can meet Allah.

Now, here, Sufis and some humans, who go into a trance or empty themselves, or through meditation, prepare to meet Allah.

In fact, in fact, Allah is with Allah's energy, Allah's particles and *"... my spirit... (Shaad: 38: 72)* or *"...Allah's spirit...(Shaad: 38:72)* is already in the human body.

So, actually, Allah is already in the human body, but most people don't understand. Because humans do not understand this, they are taken like Sufis and some people take the path of emptying themselves, meditating, creating a trance state, so that they cut off their connection with their surroundings.

CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: *"Those who remember Allah while standing or sitting or lying down...think about the creation of the skys and the earth...(Ali 'Imran: 3: 191)"...We are closer to him than his jugular vein (Qaaf: 50:16)"...I breathed into him my spirit...(Shaad: 38:72)*

Apparently, here Allah has declared that in order to meet and understand about Allah, humans *"...while standing or sitting or lying down...thinking about the creation of the skys and the earth...(Ali 'Imran: 3:191)*

Well, by *"...thinking about the creation of the skys and the earth...(Ali 'Imran: 3: 191)* humans will meet and will understand the real Allah.

However, Sufis and some humans, take a path, empty themselves, cut off their relationship with their surroundings, or what is called a trance.

Well, in this trance state, according to Sufis and some humans, humans will meet Allah.

That is, when the mind is no longer able to control the body, the mind is empty, in an unconscious state, well, when the mind is empty, according to the opinion of Sufis and some humans, Allah comes and humans can meet Allah.

Now, here, Sufis and some humans, who go into a trance or empty themselves, or through meditation, prepare to meet Allah.

In fact, in fact, Allah is with Allah's energy, Allah's particles and *"... my spirit... (Shaad: 38: 72)* or *"...Allah's spirit...(Shaad: 38:72)* is already in the human body.

So, actually, Allah is already in the human body, but most people don't understand. Because humans do not understand this, they are taken like Sufis and some people take the path of emptying themselves, meditating, creating a trance state, so that they cut off their connection with their surroundings.
