ABSTRACT

Before I write down the problem without Allah creating humans, Allah will not be known throughout the seven skys and their contents, first I ask forgiveness from Allah SWT. Here I try to open the veil that covers the secret that without Allah creating man, Allah would not be known throughout the seven skys and their contents, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that become Allah's secret unlocking tool about without Allah creating man, Allah will not be known throughout the seven skys and their contents, namely the following verses:

*"Allah... the light of the skys and the earth... the light upon the light... (An Nuur: 24: 35)*

*"Those who remember Allah while standing or sitting or lying down and they think about the creation of the heavens and the earth: "Our Lord, You did not create this in vain, Glory be to You, so protect us from the torment of Hell. (Ali 'Imran: 3:191)*

*"And verily We have created man from an essence from clay. (Al Mu'minuun: 23:12)*

*"So when I have perfected the event and have breathed into it my spirit; then you should fall down prostrating to him." (Shaad: 38: 72)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself (Al Hijr: 15: 29)*

*"Then He perfected and breathed into it His spirit and He made for you hearing, sight and heart; you are very little grateful. (As Sajdah: 32: 9)*

*"And if We made the apostle an angel, We would certainly have made him a man and, of course We would have doubted about them what they doubted about themselves (Al An'aam: 6:9)*

*"And it is not possible for any human being that Allah can speak with him except by means of revelation or behind a veil or by sending a messenger and then it is revealed to him with His permission what He wills. Verily, He is Most High, Most Wise. (Ash Shuura: 42: 51)*

*"And verily We have created man and know what his heart whispers, and We are nearer to him than his jugular vein." (Qaf: 50:16)*

*"And when My servants ask you about Me, then, that I am near. I grant the supplication of those who pray when he asks Me, then let them fulfill and let them believe in Me, so that they will always be in truth.(Al Baqarah: 2:186)*

*"He is the First and the Last, the Outward and the Inward; and He is All-Knowing of all things. (Al Hadid: 57:3)*

*"He arranges affairs from the heavens to the earth, then they ascend to Him in one day whose*

*measure is a thousand years according to your reckoning (As Sajdah: 32: 5)*

*"Angels and spirits ascend to God in a day whose measure is fifty thousand years." (Al Ma'aarij: 70:4)*

*"Who has created the seven skys in layers. You never see in the creation of the Most Gracious God anything that is not balanced. So look over and over again, do you see anything that is not balanced? (Al Mulk: 67: 3)*

*"And to Allah belongs the east and the west, so wherever you turn there is the face of Allah. Verily Allah is All-Encompassing, All-Knowing. (Al Baqarah: 2:115)*

*"Angels and spirits descend with the permission of their Lord to manage all affairs (Al Qadr: 97: 4)*

*"And they ask you about the spirit. Say: "The spirit belongs to my Lord, and knowledge is not given to you but a little." (Al Israa ': 17: 85)*

*"And there is no power of the devil over them, but only that We may distinguish those who believe in the existence of the Hereafter from those who doubt about it. And your Lord is the Preserver of all things. (Saba': 34:21)*

*"And if We wish, We have indeed made in your place on earth angels that have been passed down from generation to generation. (Az Zukhruf: 43:60)*

*"And He taught Adam all the names, then presented them to the angels and said: "Name me the names of these things if you are true, those who are true!" (Al Baqarah: 2:31)*

*Allah said: "O Adam, tell them the names of these things." So after he told them the names of these objects, Allah said: "Have I not told you that I know the secrets of the heavens and the earth and know what they are. what you give birth to and what do you hide?" (Al Baqarah: 2:33)*

*"Those who were earlier, were first from the emigrants and the Ansar and those who followed them well, Allah is pleased with them and they are pleased with Allah and Allah has provided for them paradises where rivers flow in them. forever. They will abide in it. That is a great victory. (At Taubah : 9: 100)*

*"They replied: "Glory be to You, we know nothing but what You have taught us; Verily, You are All-Knowing, All-Wise (Al Baqarah: 2:32)*

*Allah said: "What prevented you from prostrating when I commanded you?" The devil replied "I am better than him: You created me from fire while You created him from clay." (Al A'raaf: 7:12)*

*"And We made a wall before them and behind them a wall, and We covered them so that they could not see." (Yaasiin: 36:9)*

In an effort to open the veil of Allah's secret about without Allah creating man, Allah would not be known throughout the seven skys and their contents, I used the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here I put forward the hypothesis that without Allah creating man, Allah would not be known in all the seven heavens and their contents, because man was given a brain with more thoughts than any other creature of Allah, based on Deoxyribonucleic acid (DNA)

## PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## QUARK

If we want to know quarks, then we consider one of the hydrogen atoms that are the building blocks of the human body, animals, plants and fruits as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## DEOXYRIBONUCLIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. A 5-carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20% atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

## WHY ALLAH CREATED HUMANS

Now, we are still concentrating on uncovering the secrets contained behind the verses: *"Who created the seven skys in layers... (Al Mulk: 67: 3)"... We have created man from an essence of land. (Al Mu'minuun: 23:12)"...I breathed on him my spirit...(Shaad: 38:72)"...He taught Adam all the names...(Al Baqarah: 2:31 )" Allah said: "O Adam, tell them the names of these things." So... he told them the names of the objects... (Al Baqarah: 2: 33)*

Apparently, Allah's secret was revealed here, why did Allah last created Adam, after Allah created angels, jinn, satans and devils?

The answer is

Hidden in the secret behind the verse: *"... He taught Adam all the names... (Al Baqarah: 2: 31)" Allah said: "O Adam, tell them the names of these things." So... he told them the names of the objects... (Al Baqarah: 2: 33)*

Now, by creating Adam, it will be known throughout the seven skys and their contents, that there is only one Allah, namely Allah.

This is the origin of Tawhid. Without the creation of Adam by Allah, there would be no known Tawheed.

## **UNTIL THIS SECOND, ONLY HUMANS ARE MADE IN BALANCE WITH ALLAH IN ALL THE SEVEN SKYS AND ALL THAT CONTENTS**

So, for what reason did Allah make Adam "...balanced...(Al Mulk: 67: 3)?

The answer is,

Hidden in the secret behind the verse: "... He taught Adam all the names... (Al Baqarah: 2: 31)

Well, with Allah has "...taught Adam all the names...(Al Baqarah: 2: 31), proves that Allah gave Adam a brain and a mind.

Where the ability of Adam's brain and mind is used by Adam well, and is above the ability of the brains and minds of angels, jinn, satans and devils "... He... put... to the Angels and said: "Name me those things if you really are true people!" (Al Baqarah: 2:31)" They replied: "Glory be to You, we know nothing but what You have taught us... (Al Baqarah: 2:32)

Well, here Allah has proven, that Adam has advantages in terms of how to think and provide an explanation of Allah "Who has created the seven skys in layers ... (Al Mulk: 67: 3) compared to angels, jinn, satans and devils .

Satan and the devil, who are the jinn group, their brains and minds are used to magnify themselves only"... Answering the devil "I am better than him: You created me from fire while you created him from clay." (Al A'raaf : 7:12), not used to study the creation of "...the seven skys in layers...(Al Mulk: 67:3)

Adam has been given by Allah, brains and minds more than all of Allah's creatures, more than angels, jinn, satans and devils.

Armed with this brain and mind, Allah has made Adam as "... balanced... (Al Mulk: 67: 3) with Allah "... Allah is pleased with them and they are pleased with Allah... (At Taubah : 9: 100)

## **WITHOUT ALLAH CREATING ADAM, THEN ALLAH WOULD NOT BE KNOWN IN ALL THE SEVEN SKYS AND ALL THEIR CONTENTS**

Now, until this moment, with the creation of Adam and all humans on this earth, then God became known and known throughout the seven heavens and their contents.

Because, indeed, with the creation of Adam, it was to make Adam and all of Adam's descendants a mirror for Allah, and to make all humans "...balanced... (Al Mulk: 67: 3) with Allah "...Allah is pleased with them and they are pleased with Allah... (At Taubah: 9: 100)

To know Allah deeply, study all of humanity.

Or in other words, to know Allah deeply, study Allah's energy, Allah's particles and "...my spirit... (Shaad : 38: 72)

## **CONCLUSION**

Based on the description above, we can conclude that the secrets contained behind the verses: "Who created the seven skys in layers... (Al Mulk: 67: 3)"... We have created man from an essence of land. (Al Mu'minuun: 23:12)"...I breathed on him my spirit...(Shaad: 38:72)"...He taught Adam all the names...(Al Baqarah: 2:31 )" Allah said: "O Adam, tell them the names of these things." So... he told them the names of the objects... (Al Baqarah: 2: 33)

Apparently, Allah's secret was revealed here, why did Allah last created Adam, after Allah created angels, jinn, satans and devils?

The answer is

Hidden in the secret behind the verse: **"... He taught Adam all the names... (Al Baqarah: 2: 31)" Allah said: "O Adam, tell them the names of these things." So... he told them the names of the objects... (Al Baqarah: 2: 33)**

Now, by creating Adam, it will be known throughout the seven skys and their contents, that there is only one Allah, namely Allah.

This is the origin of Tawhid. Without the creation of Adam by Allah, there would be no known Tawheed.

So, for what reason did Allah make Adam **"...balanced...(Al Mulk: 67: 3)?**

The answer is,

Hidden in the secret behind the verse: **"... He taught Adam all the names... (Al Baqarah: 2: 31)**

Well, with Allah has **"...taught Adam all the names...(Al Baqarah: 2: 31)**, proves that Allah gave Adam a brain and a mind.

Where the ability of Adam's brain and mind is used by Adam well, and is above the ability of the brains and minds of angels, jinn, satans and devils **"... He... put... to the Angels and said: "Name me those things if you really are true people!" (Al Baqarah: 2:31)" They replied: "Glory be to You, we know nothing but what You have taught us... (Al Baqarah: 2:32)**

Well, here Allah has proven, that Adam has advantages in terms of how to think and provide an explanation of Allah **"Who has created the seven skys in layers ... (Al Mulk: 67: 3)** compared to angels, jinn, satans and devils .

Satan and the devil, who are the jinn group, their brains and minds are used to magnify themselves only **"... Answering the devil "I am better than him: You created me from fire while you created him from clay." (Al A'raaf : 7:12)**, not used to study the creation of **"...the seven skys in layers...(Al Mulk: 67:3)**

Adam has been given by Allah, brains and minds more than all of Allah's creatures, more than angels, jinn, satans and devils.

Armed with this brain and mind, Allah has made Adam as **"... balanced... (Al Mulk: 67: 3)** with Allah **"... Allah is pleased with them and they are pleased with Allah... (At Taubah : 9: 100)**

Now, until this moment, with the creation of Adam and all humans on this earth, then God became known and known throughout the seven heavens and their contents.

Because, indeed, with the creation of Adam, it was to make Adam and all of Adam's descendants a mirror for Allah, and to make all humans **"...balanced... (Al Mulk: 67: 3)** with Allah **"...Allah is pleased with them and they are pleased with Allah... (At Taubah: 9: 100)**

To know Allah deeply, study all of humanity.

Or in other words, to know Allah deeply, study Allah's energy, Allah's particles and "*...my spirit...*"  
(*Shaad : 38: 72*)
