## ABSTRACT

First of all, by asking forgiveness from Allah SWT here the author tries to reveal the signs of Allah SWT's greatness regarding Allah's secret about is it true, most people believe, humans speak in the hereafter, in paradise and in hell, as humans who have bodies speak in this world today, based on photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (DNA)

In the Qur'an found several verses to reveal the secret about is it true, most people believe, humans speak in the hereafter, in paradise and in hell, as humans who have bodies speak in this world today, namely the verses:

*"Read your book, it is enough for yourself at this time as a reckoning against you." (Al Israa ': 17:14)*

*"Did We not make the earth (a place) to gather, (Al Mursalaat: 77: 25) the living and the dead? (Al Mursalaat: 77: 26)*

*"On the day the earth will be replaced with another earth and sky, and they will all gather before the presence of Allah, the One, the Most Mighty. (Ibrahim: 14:48)*

*"And the earth shone brightly with the light of its Lord; and books were given and prophets and witnesses were brought and judged between them with justice, while they were not harmed. (Az Zumar: 39: 69)*

*"like the condition of the people of Noah, 'Aad, Thamud and those who came after them. And Allah does not want to do injustice to His servants. (Al Mu'min: 40: 31)*

*"O my people, indeed I fear for you the torment of the day of calling (Al Mu'min: 40: 32)*

*"And between them there is a boundary; and above A'raaf there are people who know each of the two groups by their signs. And they call out to the people of Paradise: "Salaamun 'alaikum." They have not yet entered it, while they want it immediately (Al A'raaf: 7: 46)*

*"And the inhabitants of Paradise will cry out to the dwellers of Hell: "Indeed, we have indeed obtained what our Lord promised us. So have you received correctly what your Lord promised?" They replied: "That's right." Then a caller announced between the two groups: "The curse of Allah is upon the wrongdoers, (Al A'raaf: 7:7) 44)*

*"Allah is the light of the skys and the earth....Light upon light (in layers), Allah guides to His light whom He wills...(An Nuur: 24:35)*

*"... We are closer to him than his jugular vein, (Qaf: 50:16)*

*"The angels and spirit ascended (facing) to God in a day whose measure was fifty thousand years. (Al Ma'aarij: 70: 4)*

*"... We made the apostle an angel, of course We made him a male... (Al An'aam: 6: 9)*

***"He arranges affairs from the skys to the earth, then it rises to Him in one day whose level is a thousand years according to your reckoning (As Sajdah: 32: 5)***

***"So when I have perfected the event, and have breathed into it My spirit, then submit to it prostrating yourselves (Al Hijr: 15: 29)***

In an effort to open the veil about Allah's secret about is it true, most people believe, humans speak in the hereafter, in paradise and in hell, as humans who have bodies speak in this world today, the author bases on photons, quarks and deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here the author proposes the hypothesis that humans speak in the hereafter, in paradise and in hell, using frequency vibration with speed of light **109 502 073 292.0968** km per second, based on photons, quarks and deoxyribonucleic acid.

## **PHOTON**

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

## **QUARK**

If we want to know quarks, then we consider one of the hydrogen atoms that is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **IS IT TRUE, MOST PEOPLE BELIEVE, HUMANS SPEAK ON THE AFTER DAY, IN PARADISE AND IN HELL, AS HUMANS WITH A BODY SPEAK IN THE WORLD NOW**

Now, we still continue to concentrate on revealing the secret behind the verse: ***"...the inhabitants of paradise cry out to the inhabitants of hell: "Indeed, we have truly obtained what our God promised us. So have you got right what your God promised?" They replied: "Yes"...(Al A'raaf: 7:44)***

Apparently, here Allah has declared ***"... the inhabitants of paradise cry out to the inhabitants of hell... (Al A'raaf: 7: 44)***

Now, the question arises,

What exactly is meant by Allah, "*... the inhabitants of paradise cry out to the inhabitants of hell... (Al A'raaf: 7: 44) ?*

Well, the answer is

Hidden in the secret behind the verse: "*... I... have breathed into it my spirit... (Al Hijr: 15: 29)*

Well, it turns out now, where the real inhabitants of paradise and hell are "*... my spirit... (Al Hijr: 15: 29)* or "*... Allah's spirit... (Al Hijr: 15: 29)*

Now, "*... my spirit... (Al Hijr: 15: 29)* or "*... Allah's spirit... (Al Hijr: 15: 29)* is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen. Where "*... my spirit... (Al Hijr: 15: 29)* or "*... Allah's spirit... (Al Hijr: 15: 29)* comes out of humans who have died.

After Allah commanded: "*Read your book, it is enough for yourself at this time as a judgment against you.*" (Al Israa ': 17:14) then Allah decides, "*... my spirit... (Al Hijr: 15: 29)* or "*... Allah's spirit... (Al Hijr: 15: 29)* enter paradise, then "*... my spirit... (Al Hijr: 15: 29)* or "*... Allah's spirit... (Al Hijr: 15: 29)* enter paradise, and become inhabitants of paradise. Likewise, if Allah decides, "*... my spirit... (Al Hijr: 15: 29)* or "*... Allah's spirit... (Al Hijr: 15: 29)* goes to hell, then "*... my spirit... (Al Hijr: 15: 29)* or "*... Allah's spirit... (Al Hijr: 15: 29)* enter hell, and become the inhabitants of hell.

So, "*...the inhabitants of paradise cry out to the inhabitants of hell...(Al A'raaf: 7:44)* refers to "*... my spirit... (Al Hijr: 15: 29)* or "*... Allah's spirit... (Al Hijr: 15: 29)* who is in paradise speaks with "*... my spirit... (Al Hijr: 15: 29)* or "*... Allah's spirit... (Al Hijr: 15: 29)* that is in hell by using the speed of light 109 502 073 292.0968 km per second "*... a day whose content is a thousand years according to your calculations (As Sajdah: 32: 5)*

Or in other words, "*... the inhabitants of paradise cry out to the inhabitants of hell... (Al A'raaf: 7: 44)* using the communication between "*... my spirit... (Al Hijr: 15: 29)* or "*... Allah's spirit... (Al Hijr: 15: 29)* using the speed of light 109 502 073 292.0968 km per second.

This is actually, Allah's secret, about "*... my spirit... (Al Hijr: 15: 29)* or "*... Allah's spirit... (Al Hijr: 15: 29)* when they "*... cry out...(Al A'raaf: 7:44)* uses the speed of light 109 502 073 292.0968 km per second

So, it's not like what most people in the world think, that "*... the inhabitants of paradise call out to the inhabitants of hell... (Al A'raaf: 7: 44)* by using a voice that comes out of the mouth like a human who lives in the world with his mouth and body.

## CONCLUSION

Based on the description above, we can conclude that the secret behind the verse: "*...the inhabitants of paradise cry out to the inhabitants of hell: "Indeed, we have truly obtained what our God promised us. So have you got right what your God promised?" They replied: "Yes"...(Al A'raaf: 7:44)*

Apparently, here Allah has declared "*... the inhabitants of paradise cry out to the inhabitants of hell... (Al A'raaf: 7: 44)*

Now, the question arises,

What exactly is meant by Allah, "*... the inhabitants of paradise cry out to the inhabitants of hell... (Al*

*A'raaf: 7: 44) ?*

Well, the answer is

Hidden in the secret behind the verse: *"... I... have breathed into it my spirit... (Al Hija: 15: 29)*

Well, it turns out now, where the real inhabitants of paradise and hell are *"... my spirit... (Al Hija: 15: 29)* or *"... Allah's spirit... (Al Hija: 15: 29)*

Now, *"... my spirit... (Al Hija: 15: 29)* or *"... Allah's spirit... (Al Hija: 15: 29)* is made up of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen. Where *"... my spirit... (Al Hija: 15: 29)* or *"... Allah's spirit... (Al Hija: 15: 29)* comes out of humans who have died.

After Allah commanded: *"Read your book, it is enough for yourself at this time as a judgment against you."* (Al Israa ': 17:14) then Allah decides, *"... my spirit... (Al Hija: 15: 29)* or *"... Allah's spirit... (Al Hija: 15: 29)* enter paradise, then *"... my spirit... (Al Hija: 15: 29)* or *"... Allah's spirit... (Al Hija: 15: 29)* enter paradise, and become inhabitants of paradise. Likewise, if Allah decides, *"... my spirit... (Al Hija: 15: 29)* or *"... Allah's spirit... (Al Hija: 15: 29)* goes to hell, then *"... my spirit... (Al Hija: 15: 29)* or *"... Allah's spirit... (Al Hija: 15: 29)* enter hell, and become the inhabitants of hell.

So, *"...the inhabitants of paradise cry out to the inhabitants of hell...(Al A'raaf: 7:44)* refers to *"... my spirit... (Al Hija: 15: 29)* or *"... Allah's spirit... (Al Hija: 15: 29)* who is in paradise speaks with *"... my spirit... (Al Hija: 15: 29)* or *"... Allah's spirit... (Al Hija: 15: 29)* that is in hell by using the speed of light 109 502 073 292.0968 km per second *"... a day whose content is a thousand years according to your calculations (As Sajdah: 32: 5)*

Or in other words, *"... the inhabitants of paradise cry out to the inhabitants of hell... (Al A'raaf: 7: 44)* using the communication between *"... my spirit... (Al Hija: 15: 29)* or *"... Allah's spirit... (Al Hija: 15: 29)* using the speed of light 109 502 073 292.0968 km per second.

This is actually, Allah's secret, about *"... my spirit... (Al Hija: 15: 29)* or *"... Allah's spirit... (Al Hija: 15: 29)* when they *"... cry out...(Al A'raaf: 7:44)* uses the speed of light 109 502 073 292.0968 km per second

So, it's not like what most people in the world think, that *"... the inhabitants of paradise call out to the inhabitants of hell... (Al A'raaf: 7: 44)* by using a voice that comes out of the mouth like a human who lives in the world with his mouth and body.
