**ABSTRACT**

Before I write down the problem of my spirit in hell, having no thoughts, to feel, I first ask forgiveness from Allah SWT. Here I am trying to open the veil that covers the real secret of my spirit in hell, having no thoughts, to feel, from the point of view of the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

There are several verses that are Allah's secret unlocking tool about my spirit in hell, having no mind, to feel, namely the following verses:

*"And whoever disobeys Allah and His Messenger and violates His provisions, Allah will surely put him in the fire of hell while he is eternally in it; and for him is a humiliating torment. (An Nisaa ' : 4: 14)*

*"And as for those who are wicked, their place is Hell. Every time they want to get out of it, they are returned to it and it is said to them: "Taste the torment of hell, which you used to deny." (As Sajdah: 32:20)*

*"And say: "The truth comes from your Lord; then whoever wants let him believe, and whoever wants let him disbelieve." Indeed, We have prepared for the wrongdoers a hell, whose turbulence surrounds them. And if they ask for a drink, they will surely be given to drink with water like boiling iron. which scorches the face. It is the worst drink and the worst resting place. (Al Kahf: 18: 29)*

*"They have sleeping mats from the fire of hell and over them are blankets. Thus We give recompense to the wrongdoers, (Al A'raaf: 7: 41)*

*"Their faces will be burned by the fire of hell, and they will be in hell in a state of disfigurement. (Al Mu'minuun: 23:104)*

*"And when they argue in hell, then the weak say to those who are arrogant: "Indeed we are your followers, so can you spare us some of the punishment of the fire of hell?" (Al Mu' min : 40:47)*

*"Indeed, the hell fires sparks as big and as high as palaces. (Al Mursalaat: 77: 32)*

*Allah said: "Enter all of you into hell with the jinn and humans who went before you. Every time a people enter, he curses his friend; so that when they all entered, those who entered later among them said to those who entered earlier: "Our Lord, they have led us astray, so bring upon them a double torment from hell." Allah said: "Each one gets a double, but you do not know." (Al A'raaf : 7:38)*

*"And verily We made for Hell most of the jinn and humans, they have hearts, but they do not use to understand and they have eyes they do not use to see, and they have ears they do not use to hear. They are like cattle, they are even more misguided. They are the ones who are negligent. (Al A'raaf: 7:179)*

*"And if We had willed, We would have given every soul guidance, but the word has remained from Me: "Indeed, I will fill the Hell with jinns and humans together." (As Sajdah: 32:13)*

*"As for those who deviate from the truth, they will become firewood for the Hellfire. (Al Jin: 72:15)*

*"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourselves (Al Hijr: 15:29)*

In an effort to unmask Allah's secret about my soul in hell, having no thoughts, to feel, I use the basis of deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here I put forward the hypothesis that my spirit is in hell, has no mind, to feel because my spirit does not have a function like in the human brain, when my spirit is still in the body of people still living on earth, seen from the basic point of Deoxyribonucleic acid (DNA)

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that form a double helix and which contains polynucleotide macromolecules arranged in repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine(A), Cytocine(C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 atom oxygen and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms. 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **MY SPIRIT DOES NOT HAVE A COMPLEX MIND, AS IT WAS IN THE BODY OF PEOPLE LIVING ON EARTH**

Now, we are still trying to concentrate on revealing the secret hidden behind the verse: *"And when they argue in hell, then the weak say to those who are proud: "Indeed, we are your followers. , then can you spare us some of the punishment of the fire of hell?" (Al Mu'min: 40: 47)*

Apparently, the dialogue between *"...the weak say to those who are arrogant...(Al Mu'min: 40: 47)* describes the dialogue and talk between atoms, without using the mind, as when it was still in the mind. bodies of living people in the world.

Why do they have dialogue using dialogue between atoms with certain frequency vibrations?

The answer is

Hidden behind the secret of the verse: *"...he is eternal in it...(An Nisaa' : 4: 14)* meaning, my spirit will continue to exist in hell until the hydrogen atoms, carbon atoms, oxygen atoms, nitrogen atoms, disappeared from my spirit, after reaching the age of 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years from now

Well, as long as my spirit and its atoms are eternally in hell.

So, it means here, my spirit doesn't need to have a mind to feel, whether it's heat, cold, pain, hunger,

everything that concerns the mind, has no function.

Hell”...*throwing sparks as big and tall as palaces. (Al Mursalaat: 77: 32)* it has no effect on my spirit.

Because hellfire the fuel is hydrogen, which is taken from my spirit. Hellfire with my same spirit, built from hydrogen atoms.

## THAT WILL FEEL HOT, HUMANS WHO STILL LIVE ON EARTH

So then, we will reveal the secret behind the verse: *"Their faces are burned by the fire of hell, and they are in hell in a state of disability. (Al Mu'minuun: 23: 104)*

Apparently, the picture *"Their faces are burned by hell fire...they are in a disabled state. (Al Mu'minuun: 23:104)* is a picture according to humans on earth who are still alive. Because if a human face is burned on earth, then the face is immediately disabled .

But, in hell, where my spirit is a hydrogen atom, a carbon atom, a nitrogen atom and an oxygen atom, it has no effect, because the thoughts in my spirit have no function anymore. Whatever befalls my spirit body, my spirit mind doesn't know it and doesn't feel it.

Well, this is the secret behind the verse: *"Their faces are burned by the fire of hell, and they are in hell in a state of disfigurement. (Al Mu'minuun: 23: 104)*

That is, to my spirit, hot, not hot, flawed and not defective, has no effect. Because my spirit will live for 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years from now.

## CONCLUSION

Based on the description above, we can conclude that the secret hidden behind the verse: *"And when they argue in hell, then the weak say to those who are proud: "Indeed, we are your followers. , then can you spare us some of the punishment of the fire of hell?" (Al Mu'min: 40: 47)*

Apparently, the dialogue between *"...the weak say to those who are arrogant...(Al Mu'min: 40: 47)* describes the dialogue and talk between atoms, without using the mind, as when it was still in the mind. bodies of living people in the world.

Why do they have dialogue using dialogue between atoms with certain frequency vibrations?

The answer is

Hidden behind the secret of the verse: *"...he is eternal in it...(An Nisaa' : 4: 14)* meaning, my spirit will continue to exist in hell until the hydrogen atoms, carbon atoms, oxygen atoms, nitrogen atoms, disappeared from my spirit, after reaching the age of 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years from now

Well, as long as my spirit and its atoms are eternally in hell.

So, it means here, my spirit doesn't need to have a mind to feel, whether it's heat, cold, pain, hunger, everything that concerns the mind, has no function.

Hell”...*throwing sparks as big and tall as palaces. (Al Mursalaat: 77: 32)* it has no effect on my spirit.

Because hellfire the fuel is hydrogen, which is taken from my spirit. Hellfire with my same spirit, built from hydrogen atoms.

So then, we will reveal the secret behind the verse: *"Their faces are burned by the fire of hell, and they are in hell in a state of disability. (Al Mu'minuun: 23: 104)*

Apparently, the picture *"Their faces are burned by hell fire...they are in a disabled state. (Al Mu'minuun: 23:104)* is a picture according to humans on earth who are still alive. Because if a human face is burned on earth, then the face is immediately disabled .

But, in hell, where my spirit is a hydrogen atom, a carbon atom, a nitrogen atom and an oxygen atom, it has no effect, because the thoughts in my spirit have no function anymore. Whatever befalls my spirit body, my spirit mind doesn't know it and doesn't feel it.

Well, this is the secret behind the verse: *"Their faces are burned by the fire of hell, and they are in hell in a state of disfigurement. (Al Mu'minuun: 23: 104)*

That is, to my spirit, hot, not hot, flawed and not defective, has no effect. Because my spirit will live for 10 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 000000000 years from now.
