ABSTRACT

First of all, by asking forgiveness from Allah SWT, here I try to reveal the signs of Allah SWT regarding paradise and hell before and after the sun and sky are rolled up, based on photons, quarks and the molecular structure of nucleic acids or deoxyribonucleic acid (DNA).

In the Qur'an found several verses that are the key to unlocking the secrets of paradise and hell before and after the sun and sky are rolled up, namely the following verses:

"And they do not glorify Allah with proper exaltation, even though the whole earth is in His hands on the Day of Resurrection and the skys are rolled up with His right hand. Glory be to God and exalted is He from what they associate. (Az Zumar: 39: 67)

"When the sun is rolled up, (At Takwiir: 81:1)

"And when the stars fall, (At Takwiir: 81: 2)

"The Day of Resurrection is near. (An Najm: 53: 57)

"On the day the earth will be replaced with another earth and sky, and they will all gather before the presence of Allah, the One, the Most Mighty. (Ibrahim: 14:48)

"And hasten to forgiveness from your Lord and to Paradise, whose breadth is as wide as the skys and the earth, which is prepared for those who are pious." (Ali 'Imran: 3:133)

"And why don't they think about themselves? Allah did not make the skys and the earth and what is between them except with the truth and at an appointed time. And indeed most of the people really deny meeting their Lord. (Ar Ruum: 30:8)

"It is He who has made the earth a bed for you and the sky a roof, and He sends down water from the sky, then He produces with it all the fruit as sustenance for you; therefore do not establish partners with Allah, while you know. Al Baqarah : 2:22)

"They are for them the paradise of 'Adn, beneath which rivers flow; in that paradise they are adorned with gold bracelets and they wear green clothes of fine silk and thick silk, while they sit reclining on beautiful couches. the best reward, and a beautiful resting place; (Al Kahf: 18: 31)

"And give good tidings to those who believe and do good, that for them there are provided gardens with rivers flowing in them. Every time they are given sustenance of fruit in those paradises, they say: "This is what was given to them. us first." They were given similar fruits and for them were pure wives and they remained in them (Al-Baqarah: 2:25)

"Indeed, those who have sinned are eternally in the punishment of Hell. (Az Zukhruf: 43: 74)

"So when I have perfected the event, and have breathed into it my spirit, then submit to it prostrating yourself. (Al Hijr: 15: 29)

In an effort to unmask paradise and hell before and after the sun and sky rolled, I based on photons, quarks and deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis that paradise and hell before and after the sun and sky are rolled up are the same, but the earth, sun and sky change, viewed from the point of view of photons, quarks and deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interactions.

QUARK

If we want to know quarks, then we consider one of the hydrogen atoms which is the building block of the human body, animals, plants and fruits and inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. Then if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with gluons.

SKY ROLLS

Now, we are still concentrating on uncovering the secrets contained behind the verse: *"...the sky is rolled up with His right hand... (Az Zumar: 39: 67)*

Apparently, the sky can be rolled up, where is the sky really?

The answer is

Hidden behind the verse: **"It is He who made the earth a bed for you and the sky a roof... (Al Baqarah: 2: 22)**

It turns out, *"...the sky as a roof...(Al Baqarah: 2:22)* describes a room where *"...the earth is a stretch... (Al Baqarah: 2:22)*

That is, the earth is in the room, or in other words, the sky is the place where the earth lies.

So in the room called the sky, lay the earth.

So is the sun. The sun lies in a room called the sky.

The sun, the planets including the earth, the moon and the stars are spread out in a space called the sky.

Or it could be said, the sky is a mat on which to spread it, the sun, the planets including the earth, the moon and the stars.

Now, because *"...the sky is rolled up with His right hand...(Az Zumar: 39: 67)* then, the sun, the planets including the earth, the moon and the stars, are also rolled up. Just like rolling a mat in which there is the sun, the planets include the earth, the moon and the stars.

SUN AND SKY COLLECTED, PARADISE AND HELL TRANSPORTED TO OTHER EARTH AND SKY

Well, now, we continue to unravel the secret that is hidden behind the verse: *"On the day the earth will be replaced with another earth and sky... (Ibrahim: 14: 48)*

Apparently, after *"...the sky is rolled up...(Az Zumar: 39: 67)* and *"...the sun is rolled up, (At Takwiir: 81: 1)*, the planets including the earth and the moon will die.

Because, *"...the sun is rolled up, (At Takwiir: 81: 1)* then, the earth dies. What is on earth, everything dies. The earth's gravity is lost, what is above the earth and on the earth's surface, everything collides with each other. The dead Earth will float around aimlessly, and can collide with other planets that are also dead.

Well, because the room where the sun lies is rolled up, the sun dies. Or in other words, because the sun has run out of hydrogen atoms and helium atoms, the sun dies.

Now *"...my spirit...(Al Hijr: 15:29)* which is in paradise and in hell, when *"...the sun is rolled up, (At Takwiir: 81:1)* and the room where the sun is spread out, rolled up, then paradise and hell must be transferred to another earth and sky.

Why paradise and hell *"... my spirit... (Al Hijr: 15: 29)* must be transferred to another earth and sky?

The answer is

It is hidden in the secret behind the verse: *"... for them provided paradises flowing rivers in it... they are eternal in it (Al Baqarah: 2: 25) "... those who have sinned eternally in the punishment of Hell (Az Zukhruf: 43: 74)*

It turns out that *"... my spirit... (Al Hijr: 15: 29)* which is in heaven and hell, *"...they are eternal in it (Al Baqarah: 2: 25)*

Now, because *"...my spirit...(Al Hijr: 15: 29)* which is in heaven and hell is eternal, then heaven and hell must be moved to *"...another earth and sky...(Ibrahim : 14:48)*, which has not yet been rolled up.

Because, in *"...the other earth and the sky...(Ibrahim: 14:48)* in the other, there are hydrogen atoms, carbon atoms, oxygen atoms and nitrogen atoms for survival *"...My spirit...(Al Hijr: 15:29)* that is in paradise and hell.

Now, the secret has been revealed in the verse: *"On the day the earth will be replaced with another earth and sky... (Ibrahim: 14: 48)*

That is, because *"...the sky is rolled up...(Az Zumar: 39: 67)* and *"...the sun is rolled up, (At Takwiir: 81: 1)* then the planets including the earth and the moon will die.

So, the earth and the sky must be *"...replaced with another earth and sky...(Ibrahim: 14:48)*.

CONCLUSION

Based on the description above, we can conclude that the secrets contained behind the verse: *"...the sky is rolled up with His right hand... (Az Zumar: 39: 67)*

Apparently, the sky can be rolled up, where is the sky really?

The answer is

Hidden behind the verse: **"It is He who made the earth a bed for you and the sky a roof... (Al Baqarah: 2: 22)**

Why paradise and hell "*... my spirit... (Al Hijr: 15: 29)* must be transferred to another earth and sky?
