ABSTRACT

First of all, by asking forgiveness from Allah SWT here I try to reveal the signs of Allah SWT's greatness regarding political parties based on Islam, under secular law sources, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

In the Qur'an there are verses that are the key to unlocking secrets about political parties based on Islam, under the source of secular law, namely the following verses:

"Read in the name of your Lord who created. Who made man from a clot of blood. Read it, and your Lord is most noble. Who teaches with a pen. Teaches man what he does not know" (Al 'Alaq, 1-5).

"O people who are covered: Wake up and give warning. Magnify your Lord, clean your clothes, stay away from evil deeds, do not give, because you want to get more. And be patient to fulfill the command of your Lord" (Al-Muddatstsir, 1- 7)

"So do what you have been commanded and turn away from the polytheists" (Al-Hijr, 94).

"And warn your closest relatives" (Ash-Syu'ra, 214).

"...And those who are weak, both men, women and children who all pray: O our Lord, get us out of this land (Mecca) whose inhabitants are unjust ..." (An-Nisa , 75).

"...Indeed a mosque that was founded on the basis of piety (Quba mosque), from the first day onwards is more worthy for you to pray in it..." (At-Taubah, 108).

In an effort to unmask political parties based on Islam, under secular law sources, based on deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

HYPOTHESIS

Here I propose the hypothesis that political parties based on Islam, under the source of secular law are the same as secular political parties, not exemplified by the Prophet Muhammad saw, based on Deoxyribonucleic acid (DNA).

DEOXYRIBONUCLEIC ACID (DNA)

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains

1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

WHAT IS LEGAL SOURCES

So now, what is a source of law?

The answer is

The highest source of law in a country, which gives direction and path to morals, behavior, views of life and laws that must be carried out by all people.

WHAT IS SECULAR LAW RESOURCES

Now, if the source of law in one country is not taken from the source of religious law, in this case Islam, then the source of the law of that state is the source of secular law.

So, the source of secular law is the source of the law of a country which is not based on the basis of religious law, in this case Islam.

Now, if there are political parties, whose Articles of Association are based on Islam, what is Allah's point of view?

The answer is

Hidden in the secret of the verse: *"...turn away from the polytheists" (Al-Hijr, 94)*

ARE MUSYRIK PEOPLE THE SAME AS SEULAR PEOPLE?

Now, even though the people who hold government and political parties based on Islam are not *"..polytheists" (Al-Hijr, 94)*, but secular people.

However, secular people are actually Muslims or non-Muslims who have no desire and no purpose in their lives to make Islamic laws become laws in the state.

Meanwhile, polytheists believe in something other than Allah.

So, actually polytheists are the same as secular people.

Because polytheists believe in something other than Allah, while secular people believe in beliefs, thoughts and teachings that do not understand, thoughts and teachings of Islam.

THE PROPHET MUHAMMAD SAW DOES NOT GIVE AN EXAMPLE TO PARTICIPATE IN COUNTRIES THAT USE SECURE LAW RESOURCES

Now, let's unveil the secret behind the verse: *"...do what you have been commanded and turn away from the polytheists" (Al-Hijr, 94)*.

Apparently, clearly and clearly, Allah has declared to the Prophet Muhammad saw *"...turn away from the polytheists" (Al-Hijr, 94)*

Here, the Prophet Muhammad saw after three years of being appointed as a Prophet, was ordered

expressly and clearly *"...turn away from the polytheists" (Al-Hijr, 94)*

So, the Prophet Muhammad saw ordered by Allah to get out of a government that uses secular sources of law.

That is, turning away from the source of the law made by *"...the polytheists" (Al-Hijr, 94)*

POLITICAL PARTIES BASED ON ISLAM MUST BE OUTSIDE THE SYSTEM

Now, the secret behind the verse has been revealed: *"So do what you have been commanded and turn away from the polytheists" (Al-Hijr, 94)*

That is, because the source of one state is taken from secular sources of law, political parties based on Islam are commanded by Allah *"...turn away from the polytheists" (Al-Hijr, 94)*

Because polytheists are the same as secular people.

Now, to carry out what Allah has commanded *"O people who are shrouded: Wake up and warn. Magnify your Lord..." (Al-Muddatstsir, 1-7) "And warn your closest relatives"(Ash- shu'ra, 214).*

The Prophet Muhammad saw had set an example by being outside the system of the Quraysh polytheists. The Prophet Muhammad saw was not involved and not together with the leadership group and the Quraysh polytheists.

Because of that, the Prophet Muhammad was able to foster people and *"...relatives...closest" (Asy-Syu'ra, 214)* to become people who believe in the Islamic creed and are submissive.

CONCLUSION

Based on the description above, we can conclude that The highest source of law in a country, which gives direction and path to morals, behavior, views of life and laws that must be carried out by all people.

Now, if the source of law in one country is not taken from the source of religious law, in this case Islam, then the source of the law of that state is the source of secular law.

So, the source of secular law is the source of the law of a country which is not based on the basis of religious law, in this case Islam.

Now, if there are political parties, whose Articles of Association are based on Islam, what is Allah's point of view?

The answer is

Hidden in the secret of the verse: *"...turn away from the polytheists" (Al-Hijr, 94)*

Now, even though the people who hold government and political parties based on Islam are not *".. polytheists" (Al-Hijr, 94)*, but secular people.

However, secular people are actually Muslims or non-Muslims who have no desire and no purpose in their lives to make Islamic laws become laws in the state.

Meanwhile, polytheists believe in something other than Allah.

So, actually polytheists are the same as secular people.

Because polytheists believe in something other than Allah, while secular people believe in beliefs, thoughts and teachings that do not understand, thoughts and teachings of Islam.

Now, let's unveil the secret behind the verse: *"...do what you have been commanded and turn away from the polytheists" (Al-Hijr, 94).*

Apparently, clearly and clearly, Allah has declared to the Prophet Muhammad saw *"...turn away from the polytheists" (Al-Hijr, 94)*

Here, the Prophet Muhammad saw after three years of being appointed as a Prophet, was ordered expressly and clearly *"...turn away from the polytheists" (Al-Hijr, 94)*

So, the Prophet Muhammad saw ordered by Allah to get out of a government that uses secular sources of law.

That is, turning away from the source of the law made by *"...the polytheists" (Al-Hijr, 94)*

Now, the secret behind the verse has been revealed: *"So do what you have been commanded and turn away from the polytheists" (Al-Hijr, 94)*

That is, because the source of one state is taken from secular sources of law, political parties based on Islam are commanded by Allah *"...turn away from the polytheists" (Al-Hijr, 94)*

Because polytheists are the same as secular people.

Now, to carry out what Allah has commanded *"O people who are shrouded: Wake up and warn. Magnify your Lord..." (Al-Muddatstsir, 1-7) "And warn your closest relatives"(Ash- shu'ra, 214).*

The Prophet Muhammad saw had set an example by being outside the system of the Quraysh polytheists. The Prophet Muhammad saw was not involved and not together with the leadership group and the Quraysh polytheists.

Because of that, the Prophet Muhammad was able to foster people and *"...relatives...closest" (Asy-Syu'ra, 214)* to become people who believe in the Islamic creed and are submissive.
