**ABSTRACT**

First of all, by asking forgiveness from Allah SWT, here I try to reveal the signs of Allah SWT's greatness regarding the Prophet Muhammad is the Apostle, Prophet, Head of State and Leader of the Armed Forces, based on the molecular structure of nucleic acid or deoxyribonucleic acid (DNA).

In the Qur'an there are verses that are the key to unlocking secrets about the Prophet Muhammad, namely the Apostle, Prophet, Head of State and Leaders of the Armed Forces, namely the following verses:

*"Just as your Lord told you to go and your homes with the truth, when in fact some of the believers do not like it, (Al Anfaal: 8: 5)*

*"Indeed Allah has helped you in the battle of Badr, even though you are weak people. Therefore fear Allah, that you may give thanks to Him. (Ali 'Imran: 3:123)*

*"So fight in the way of Allah, you are not burdened but with your own obligations. Inflammate the spirit of the believers. Hopefully Allah will reject the attacks of those who disbelieve. Allah is very strong and very severe in torment. (An Nisaa ': 4 : 84)*

*"The day We hit them with a heavy blow. Indeed, We are the givers of recompense. (Ad Dukhaan: 44:16)*

*"The group will surely be defeated and they will retreat to the rear (Al-Qamar: 54: 45).*

*"Know that whatever you can get as spoils of war, then one-fifth is for Allah, the Messenger, the Apostle's relatives, the orphans, the poor and ibnussabil, if you believe in Allah and in what We have sent down to the slaves. We are on the day of Furqaan, that is, the day the two armies meet, and Allah has power over all things (Al Anfaal: 8: 41)*

*"And, when you depart in the morning from your family will place the believers in several places to fight. And Allah is All-Hearing, All-Knowing, (Ali 'Imran: 3: 121)*

*And why when calamity befalls you, even though you have inflicted a double defeat on your enemies, you say: "Where did this come from?" Say: "That's from yourself." Verily Allah has power over all things. (Ali 'Imran: 3:165)*

*"Those who obey the commands of Allah and His Messenger after they have been injured. For those who do good among them and who are pious there is a great reward. (Ali 'Imran: 3: 172)*

*"Those who obey the commands of Allah and His Messenger after they have been injured. For those who do good among them and who are pious there is a great reward. (Ali 'Imran: 3: 172)*

*"Those (who obey Allah and the Messenger) to whom there are those who say: "Indeed, mankind has gathered an army to attack you, so be afraid of them", so these words increase their faith and they say: "Enough is enough. Allah is our Helper and Allah is the Best Protector." (Ali 'Imran: 3: 173)*

*"So they returned with favors and bounties from Allah, they did not get any disaster, they followed the pleasure of Allah. And Allah has a great bounty. (Ali 'Imran: 3: 174)*

In an effort to open the veil about the Prophet Muhammad is the Apostle, Prophet, Head of State and Leaders of the Armed Forces based on deoxyribonucleic acid or deoxyribonucleic acid or the molecular structure of nucleic acids.

## **HYPOTHESIS**

Here I propose the hypothesis that the Prophet Muhammad was an Apostle, Prophet, Head of State and Leader of the Armed Forces based on photons, quarks and Deoxyribonucleic acid (DNA).

## **DEOXYRIBONUCLEIC ACID (DNA)**

DNA is a repository of genetic information that has a double structure that forms a double helix and which contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide is composed of folate, a 5 carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytocine (C) and Thymine (T).

Guanine (G) is composed of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytocine (C) contains 4 carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 phosphorus atom, 4 oxygen atoms and 2 hydrogen atoms. The 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

## **THERE WAS NO PROPHETS BEFORE, LIKE THE PROPHET MUHAMMAD, AS THE APOSTLE, PROPHET AND HEAD OF STATE**

Now, we are still concentrating on digging the hidden secret behind the verse: *"Just as your Lord told you to go and your house with the truth, when in fact some of the believers do not like it, (Al Anfaal: 8: 5)*

Apparently, before the Prophet Muhammad was ordered to fight at Badr in the 2nd year H *"As your Lord told you to go and your home with the truth ... (Al Anfaal: 8: 5)*, a year before, in 1 H, the Prophet Muhammad had established an Islamic State in Medina, as well as the first Islamic State in the world.

The first step of the Prophet Muhammad, after the Islamic State in Medina was established was to enter into a pact between the Muslims (the Khazraj tribe, the Aus tribe and the emigrants) and the Jews (the Qainuqa tribe, Bani Nadhir, and Bani Quraizhah) who existed and settled in Yathrib or Medina. .

This pact was used as the Constitution of the first Islamic State in Medina. Where the Prophet Muhammad is directly as the highest Head of State in the Islamic state in Medina.

## **PROPHET MUHAMMAD AS THE APOSTLE, LEADER OF THE ARMY**

Now, after the Islamic State in Medina with the treaty pact made into the Constitution of the Islamic State, the Prophet Muhammad was ordered by Allah *"As your Lord told you to go and your homes with the truth, when in fact some of the believers do not like it, (Al Anfaal: 8:5)*

It turns out that the command in the verse *(Al Anfaal: 8: 5)* is an order to go to Badr, in the year 2 H.

*"That group will definitely be defeated and they will retreat back (Al-Qamar: 54: 45)*

Where *"The group ... (Al-Qamar: 54: 45)* is the Quraysh.

Prophet Muhammad led the battle of Badr with a force of 313 Muslim soldiers, two horses and 70 camels against the Quraysh with 1000 soldiers, 300 horses and 700 camels.

In this battle of Badr Allah answered the prayer of the Messenger of Allah and his followers *"That group will surely be defeated and they will retreat backwards" (Al-Qamar: 54: 45).*

The warlord Quraish Syaibah was killed by Hamzah bin 'Abdul Muttalib, Walid was killed by Ali bin Abu Talib, Utbah injured Ubaidah bin al-Harith but finally Utbah was killed by Hamzah and Ali.

Prophet Muhammad as the Leader of the Muslim Armed Forces won the victory in this battle of Badr.

Then, in the 3rd year H, Allah declared *"...you depart in the morning from your family to place the believers in several places to fight...(Ali 'Imran: 3:121) "...when you are afflicted calamity, even though you have inflicted a double defeat on your enemies, you say: "Where did this come from?" Say: "It is from yourself." Verily Allah has power over all things. (Ali 'Imran: 3:165)*

Well, Allah has commanded to fight go to Uhud *"...you depart in the morning from your family will place the believers in several places to fight...(Ali 'Imran: 3:121)*

Apparently, the Prophet Muhammad with 700 Muslim soldiers went to Uhud to face the Quraish force of almost 3000 people.

In the battle of Uhud the Muslims won, even though Hamzah was killed.

The Muslims almost got defeated after some of the archers led by 'Abdullah bin Jubair scrambled to take the spoils *"... when you were struck by disaster, even though you had inflicted a double defeat on your enemies... (Ali 'Imran: 3:165)*

The betrayal of 'Abdullah bin Ubayy along with 300 of his followers by surrendering themselves to the enemy before the Uhud war began *"...when calamity struck you..." Where did this come from?" Say: "That is from yourself..."(Ali 'Imran: 3:165)*

## **PROPHET MUHAMMAD IS A PERFECT PROPHET, AS THE APOSTLE, PROPHET, HEAD OF STATE AND LEADERS OF THE ARMY**

Now, let's disassemble the secret behind the verses:

*"So fight in the way of Allah, you are not burdened but with your own obligations. Inflammate the spirit of the believers. Hopefully Allah will reject the attacks of those who disbelieve. Allah is very powerful and very severe in torment. (An Nisaa ': 4 : 84)*

*"The day We hit them with a heavy blow. Indeed, We are the givers of recompense. (Ad Dukhaan: 44:16)*

It turns out that the verse *(An Nisaa ': 4: 84)* and the verse *(Ad Dukhaan: 44: 16)* are declarations of Allah, to the Apostles, Prophets, Heads of the Islamic State in Medina and the Leaders of the Islamic State Armed Forces in Medina,

There has never been a similar declaration from Allah, which was conveyed to the Prophets before, except to the Apostle, Prophet, Head of State and Leader of the Armed Forces of the Islamic State in Medina, Prophet Muhammad.

## CONCLUSION

Based on the description above, we can conclude that secret behind the verse: *"Just as your Lord told you to go and your house with the truth, when in fact some of the believers do not like it, (Al Anfaal: 8: 5)*

Apparently, before the Prophet Muhammad was ordered to fight at Badr in the 2nd year H *"As your Lord told you to go and your home with the truth ... (Al Anfaal: 8: 5)*, a year before, in 1 H, the Prophet Muhammad had established an Islamic State in Medina, as well as the first Islamic State in the world.

This pact was used as the Constitution of the first Islamic State in Medina. Where the Prophet Muhammad is directly as the highest Head of State in the Islamic state in Medina.

Now, after the Islamic State in Medina with the treaty pact made into the Constitution of the Islamic State, the Prophet Muhammad was ordered by Allah *"As your Lord told you to go and your homes with the truth, when in fact some of the believers do not like it, (Al Anfaal: 8:5)*

Now, let's disassemble the secret behind the verses:

*"So fight in the way of Allah, you are not burdened but with your own obligations. In flame the spirit of the believers. Hopefully Allah will reject the attacks of those who disbelieve. Allah is very powerful and very severe in torment. (An Nisaa ': 4 : 84)*
