## ABSTRACT

Before the author writes about Allah's spirit replaces human in the afterlife, the author first asks Allah SWT for forgiveness. Here the author tries to open the veil that covers the secret about Allah's spirit replaces human in the afterlife, based on Deoxyribonucleic acid (DNA).

There are several verses to reveal Allah's secrets about Allah's spirit replaces human in the afterlife, namely verses:

*"Then when I have perfected the body and I have breathed into Adam my spirit, then you should fall down prostrating to him." (Shaad: 38: 72).*

*"So Mary made a veil over them, then We sent Our Spirit to Mary, so Our Spirit incarnated before Mary a perfect human. (Maryam: 19: 17).*

*"Read your book, it is sufficient for yourself at this time as your reckoning." (Al Israa' : 17: 14).*

In an effort to uncover Allah's secret about Allah's spirit replaces human in the afterlife, the author uses deoxyribonucleic acid as the basis.

## HYPOTHESIS

Here the author proposes hypothesis Allah's spirit replaces human in the afterlife, based on Deoxyribonucleic acid (DNA)

## PHOTON

Photons are elementary particles of the boson type and carriers of electromagnetic interaction.

## QUARK

If we want to know about quarks, then we have to look at one of the hydrogen atoms, which is the building block of the human body, animals, plants and fruits, as well as inanimate objects. Then we open the body of the hydrogen atom, we will find one electron and one proton nucleus. So if this proton is split, then we will find two up quarks and one down quark. Where these three quarks are combined with a gluon.

## DEOXYRIBONUCLEATED ACID (DNA)

DNA is a storehouse of genetic information that has a double structure that forms a double helix and contains polynucleotide macromolecules that are arranged repeatedly from nucleotide polymers. This nucleotide consists of folate, a 5-carbon sugar and one of the nitrogenous bases. The nitrogenous bases are Guanine (G), Adenine (A), Cytosine (C) and Thymine (T).

Guanine (G) consists of 5 carbon atoms, 5 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Adenine(A) has 5 carbon atoms, 5 nitrogen atoms and 5 hydrogen atoms. Cytosine (C) contains 4

carbon atoms, 3 nitrogen atoms, 1 oxygen atom and 5 hydrogen atoms. Thymine (T) contains 5 carbon atoms, 2 nitrogen atoms, 2 oxygen atoms and 6 hydrogen atoms. Folate contains 1 atom of phosphorus, 4 atoms of oxygen and 2 atoms of hydrogen. A 5 carbon sugar has 5 carbon atoms, 2 oxygen atoms and 8 hydrogen atoms.

Based on Deoxyribonucleic acid (DNA) humans are composed of 32.20 % atoms carbon, 25.43% nitrogen atoms, 6.78% oxygen atoms and 35.59% hydrogen atoms. Where carbon, nitrogen, oxygen and hydrogen atoms are widely available around us and in atmosphere.

## **ALLAH'S SPIRIT REPLACES HUMAN IN THE AFTERLIFE**

Now, we are still concentrating on dismantling the secrets contained behind the verses: "**...Our spirit...incarnated...a perfect human (Maryam: 19: 17)**" "**...I breathed into human my spirit ... (Shaad : 38: 72)**

Well, here, Allah or Jahve or Adonai, is declaring to all people in the world that "**...our spirit... incarnated...a perfect human...(Maryam : 19: 17)**."

Now the question arises,

What is the relationship between "**...our spirit...(Maryam : 19: 17)** or "**...Allah's spirit...(Maryam : 19: 17)** or Jahve's spirit or Adonai's spirit and the human mind ?

Well, the answer is in the secret behind the verse: "**...our spirit... incarnated...a perfect human...(Maryam : 19: 17)**."

It means, "**...our spirit...(Maryam : 19: 17)** or "**...Allah's spirit...(Maryam : 19: 17)** built with hydrogen atoms, carbon atoms, Nitrogen atoms and oxygen atoms, present in Deoxyribonucleic acid (DNA), also form nerve tissue in the brain.

Where is the function of "**...our spirit...(Maryam : 19: 17)** or "**...Allah's spirit...(Maryam : 19: 17)** which forms a neural network in the brain to make imitation in the human brain, so that "**...our spirit...(Maryam : 19: 17)** or "**...Allah's spirit...(Maryam : 19: 17)** can think, as the human thinks.

Or in other words, psychologically, "**...our spirit...(Maryam : 19: 17)** or "**...Allah's spirit...(Maryam : 19: 17)** which forms a network nerves in the brain, can think and make contact with the human mind itself.

Besides that, the function of "**...our spirit...(Maryam : 19: 17)** or "**...Allah's spirit...(Maryam : 19: 17)** which forms the nervous network in the brain is to make contact with "**...our spirit...(Maryam : 19: 17)** or "**...Allah's spirit...(Maryam : 19: 17)** which forms a neural network in the human brain others who are still alive, can also make contact with "**...our spirit...(Maryam : 19: 17)** or "**...Allah's spirit...(Maryam : 19: 17)** who has come out of a dead human body.

Also, the function of "**...our spirit...(Maryam : 19: 17)** or "**...Allah's spirit...(Maryam : 19: 17)** which forms the neural network in the brain is to make contact with angel's spirit.

Where "**...our spirit...(Maryam : 19: 17)** or "**...Allah's spirit...(Maryam : 19: 17)** which forms the neural network in the brain makes contact with "**...our spirit...(Maryam : 19: 17)** or "**...Allah's spirit...(Maryam : 19: 17)** which forms the neural network in the brain of another living human being, through the help of Allah's very small energy **0.000000000 000000000 000000000 01** gram per cubic cm and Allah's very small particle, **0,000000000 000000000 000000000 000000000 00000** **3335917542091889** grams at a speed greater than the speed of light **5 475 103 664 604.84** km per

second.

So, actually, *"...our spirit...(Maryam : 19: 17)* or *"...Allah's spirit...(Maryam : 19: 17)* which forms a neural network in the brain to create an imitation that is in the human brain, so that *"...our spirit...(Maryam : 19: 17)* or *"...Allah's spirit...(Maryam : 19: 17)* can think, as the human thinks.

If the human dies, then *"...our spirit...(Maryam : 19: 17)* or *"...Allah's spirit...(Maryam : 19: 17)* which forms a neural network in brain to make an imitation that is in the human brain, out of the human body, in the form of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, which form molecules, and have the same function as when they were still in the human body.

Therefore, when Allah commands *"Read your book, be sufficient for yourself at this time as a reckoning for you."* (*Al Israa': 17: 14*), then *"...our spirit...(Maryam : 19: 17)* or *"...Allah's spirit...(Maryam : 19: 17)* understands what Allah commands.

Well, this is something that all Muslims in the world still don't understand.

## CONCLUSION

Based on the description above we can conclude that the secrets contained behind the verses: *"...Our spirit...incarnated...a perfect human (Maryam: 19: 17)"...I breathed into human my spirit ... (Shaad : 38: 72)*

Well, here, Allah or Jahve or Adonai, is declaring to all people in the world that *"...our spirit... incarnated...a perfect human...(Maryam : 19: 17).*

Now the question arises,

What is the relationship between *"...our spirit...(Maryam : 19: 17)* or *"...Allah's spirit...(Maryam : 19: 17)* or Jahve's spirit or Adonai's spirit and the human mind ?

Well, the answer is in the secret behind the verse: *"...our spirit... incarnated...a perfect human... (Maryam : 19: 17).*

It means, *"...our spirit...(Maryam : 19: 17)* or *"...Allah's spirit...(Maryam : 19: 17)* built with hydrogen atoms, carbon atoms, Nitrogen atoms and oxygen atoms, present in Deoxyribonucleic acid (DNA), also form nerve tissue in the brain.

Where is the function of *"...our spirit...(Maryam : 19: 17)* or *"...Allah's spirit...(Maryam : 19: 17)* which forms a neural network in the brain to make imitation in the human brain, so that *"...our spirit...(Maryam : 19: 17)* or *"...Allah's spirit...(Maryam : 19: 17)* can think, as the human thinks.

Or in other words, psychologically, *"...our spirit...(Maryam : 19: 17)* or *"...Allah's spirit...(Maryam : 19: 17)* which forms a network nerves in the brain, can think and make contact with the human mind itself.

Besides that, the function of *"...our spirit...(Maryam : 19: 17)* or *"...Allah's spirit...(Maryam : 19: 17)* which forms the nervous network in the brain is to make contact with *"...our spirit...(Maryam : 19: 17)* or *"...Allah's spirit...(Maryam : 19: 17)* which forms a neural network in the human brain others who are still alive, can also make contact with *"...our spirit...(Maryam : 19: 17)* or *"...Allah's spirit...(Maryam : 19: 17)* who has come out of a dead human body.

Also, the function of *"...our spirit...(Maryam : 19: 17)* or *"...Allah's spirit...(Maryam : 19: 17)* which

forms the neural network in the brain is to make contact with angel's spirit.

Where "*...our spirit...(Maryam : 19: 17)* or "*...Allah's spirit...(Maryam : 19: 17)* which forms the neural network in the brain makes contact with "*...our spirit...(Maryam : 19: 17)* or "*...Allah's spirit...(Maryam : 19: 17)* which forms the neural network in the brain of another living human being, through the help of Allah's very small energy **0.000000000 000000000 000000000 01** gram per cubic cm and Allah's very small particle, **0,000000000 000000000 000000000 000000000 00000** **3335917542091889** grams at a speed greater than the speed of light **5 475 103 664 604.84** km per second.

So, actually, "*...our spirit...(Maryam : 19: 17)* or "*...Allah's spirit...(Maryam : 19: 17)* which forms a neural network in the brain to create an imitation that is in the human brain, so that "*...our spirit...(Maryam : 19: 17)* or "*...Allah's spirit...(Maryam : 19: 17)* can think, as the human thinks.

If the human dies, then "*...our spirit...(Maryam : 19: 17)* or "*...Allah's spirit...(Maryam : 19: 17)* which forms a neural network in brain to make an imitation that is in the human brain, out of the human body, in the form of hydrogen atoms, carbon atoms, nitrogen atoms and oxygen atoms, which form molecules, and have the same function as when they were still in the human body.

Therefore, when Allah commands "*Read your book, be sufficient for yourself at this time as a reckoning for you.*" (*Al Israa': 17: 14*), then "*...our spirit...(Maryam : 19: 17)* or "*...Allah's spirit...(Maryam : 19: 17)* understands what Allah commands.

Well, this is something that all Muslims in the world still don't understand.
